The screenshot shows the Coursera Career Academy for Students website. At the top, there is a navigation bar with the Coursera logo, a search bar containing the text "What do you want to learn?", and a "Log In" button. Below the navigation bar is a dark blue banner with the text "Welcome to The University of Texas at Tyler" and a large "Join" button highlighted with an orange border. The main content area features the heading "Learn cutting-edge skills from world-class industry leaders" and a sub-heading "Professional Certificates offer flexible, online training designed to get you job-ready in 6-8 months." Below this, there are logos for Google, Salesforce, IBM, Meta, and Intuit. The main content is organized into four columns, each with an icon, a title, a description, and a call to action.

The screenshot displays the Coursera website interface. At the top, there is a search bar with the text "What do you want to learn?" and a "Log in" button. Below the search bar, the text "Welcome to The University of Texas at Tyler" is visible, followed by the heading "*Career Academy - Students" and a "Join" button. The Coursera logo is prominently displayed in the center. Below the logo, there are two buttons: "LOG IN" and "SIGNUP", with the "SIGNUP" button highlighted by an orange box. A modal window is open over the "SIGNUP" button, containing the following elements:

- An "EMAIL" label above a text input field containing the placeholder text "Email".
- A "PASSWORD" label above a text input field containing the placeholder text "Password".
- A blue "Log in" button.
- A link labeled "Forgot password?".
- A security notice: "This site is protected by reCAPTCHA Enterprise and the Google Privacy Policy and Terms of Service apply."
- A link labeled "Having trouble logging in?".

The background of the modal shows parts of the Coursera homepage, including the text "Learn cutting-edge" and "Professional Certificates", the Google logo, and the Intuit logo. There are also several columns of text describing the benefits of the program, such as "Develop job-ready skills", "Learn at your own pace", "Average time to complete: 6-8 months (4-8 hrs/wk)", "Prepare for the interview and master the latest tools", and "Earn a certificate".
