# 25<sup>th</sup> Annual International Exhibition

**Description:** The *Annual International Exhibition* is a juried competition organized by the Department of Art and Art History at The University of Texas at Tyler. This will be the 25th year for this competition and we are celebrating this special event in conjunction with the opening of a new 30,000 square foot Fine Arts Complex for the spring semester in 2010. Internationally known artists, curators, and scholars have served in previous years as jurors selecting works for the exhibition created by some of the best contemporary artists living today. Every year three to six works are acquired by the Department of Art and Art History through purchase awards from this exhibition. These purchase awards have made it possible for us to build a collection of over 300 contemporary works of art from outstanding contemporary artists. This collection serves as an education teaching resource and is exhibited in fine art teaching areas and other areas throughout our campus.

**JUROR:** Williams is a painter and printmaker whose art is exhibited widely in the U.S., Germany, Sweden and Switzerland. He is the recipient of numerous grants including two from National Endowment for the Arts, the Whitney Museum of American Art, and most recently, artist in residence at The Josef and Anni Albers Foundation. His art works are in numerous major museum and private collections. In Texas, Williams is represented by the Barry Whistler Gallery, Dallas, and by Wade Wilson Art, Houston. He holds a Master of Fine Arts Degree from the University of North Texas. Mark lives and works in New York City.
