(to be completed by student)

Name: _____

Site: _____

Please respond to the following questions:

1. How would you rate your Practicum/Internship experience:

____ Poor ____ Fair ____ Satisfactory ____ Good ____ Excellent

2. Why did you indicate the above rating?

3. What were your expectations for the Practicum/Internship experience?

4. Was the placement in accord with your preferences and interests?

5. Were you provided with a copy of the site's Practicum/Internship experience student job description?

_____ Yes _____ No. If yes, please include a copy with this evaluation.

6. How would you categorize your duties (i.e., patient care, administration, research, casework, education, program planning, observation, etc.)?

7. Did you feel that your duties were a vital part of the site's function? Why or why not?

8. Was your site supervisor prepared for your arrival with definite ideas, proposals, suggestions, and generalized goals for your experience with the site?

9. What were the most valuable assets of this Practicum/Internship experience?

10. What were the least valuable aspects of this experience if applicable?

11. Were you given an adequate level of responsibility?

12. Did your site supervisor lend assistance during the Practicum/Internship experience?

13. What problems did you encounter in your placement?

14. What improvements would you make in this Practicum/Internship experience?

15. How were you able to use classroom knowledge and technical skill into practice?
Please describe the skills applied or learned and how they were used.

16. What did you learn from your placement?

17. How can you incorporate what you have learned in your Practicum/Internship to your career?

18. Other comments and suggestions:
