

ART 1316.001 Drawing 1

Lorianne Hubbard, MFA – Instructor of Art

ARC 101 – Friday, 9 am – 2:50 pm

Fall 2023

Email: lhubbard@uttyler.edu

*Classes will begin Monday, August 21 and end Friday, December 6, 2023.

Course Description

This course is an introduction to drawing; students will become familiar with materials, general techniques, and methods applied to drawing. Students will develop skills of seeing, examining, isolating sight, interpreting, and exploring mark-making. In this course students will also acquire an introduction into concepts and media in contemporary drawing. Students will also gain a vocabulary to participate in art critiques and conversations that will be an essential part of their grade.

Course Expectations

The primary focus of Drawing 1 is the refinement of technical skills in Drawing. The student is expected to commit to the course with a desire to build on and improve their drawing skills and technique. Every student is capable of growth regardless of their level of accomplishment in drawing. Secondly, the student will become familiarized with contemporary drawing concepts and approaches to enhance the motion, expression and success of their drawings.

The professor will define specific technical and formal assignments, and students will present completed works during regularly scheduled critiques. Participation in critiques, showing completed works on time, and active discussion is expected of every student.

Students may expect to spend at least 5-6 hours per week working in the studio and drawing outside of class time.

Attendance

ATTENDANCE IS MANDATORY. This is a studio course, and as such, attendance is mandatory. Drawing I will meet ONE (1) day a week. After missing TWO (2) classes you may be dropped a full letter grade from your semester grade. Students with THREE (3) absences may be penalized TWO (2) letter grades, students with THREE (3) absences should consider dropping the course. Any student with FOUR (4) or more absences will be assigned a failing grade for this course.

Students are expected to arrive early and be prepared for class by the scheduled start time. Leaving class early will be counted against the student's attendance. Any absence, with the exception of emergencies, will adversely affect grades. Students are encouraged to inform the professor prior to any scheduled absences, and to email/call the morning of any unexpected absence.

ABSENCES ON DEMONSTRATION OR CRITIQUE DAYS ARE NOT ADVISED. Any work or information missed due to absence is the responsibility of the student.

Student Absence for University Sponsored Events and Activities

If you intend to be absent for a university-sponsored event or activity, you (or the event sponsor) must notify the instructor at least two weeks prior to the date of the planned absence. At that time the instructor will set a date and time when make-up assignments will be completed.

Grading Criteria

Assignment/Portfolio Grading (separate handout)

Staying on task: Students are required to work in class every day, commit many hours of work in the studio outside of class time. Students are expected to work outside of class a minimum of 5-6 hours.

Understanding the concepts of each assignment	25 points
Proper use of techniques/Craftsmanship	25 points
Composition	25 points
<u>Presentation – visual image, neatness, timely completion, progress</u>	<u>25 points</u>
Total	100 points

Any late project will receive a zero. If you have an excused absence for the day a project is due, you may turn the project in on the FIRST DAY of your return along with the appropriate written documentation.

Final Grade Criteria

Completion of assigned projects (in class and homework)	70%
Sketchbook/Vocabulary (averaged)	20%

ART STUDIO SAFETY TRAINING The training will be through CANVAS.

Classroom Etiquette: Developing and maintaining honest, open communication between professor and student as well as student to student requires social agreements. It is important to respect each other as human beings; respect other's working space and materials. Our engagements will set an important tone to the ambiance of the studio, as well as promote an open dialogue among all of us.

Please:

Keep all cell phones silenced

No headphones, ear buds

No computers

No sleeping

Stay home if you are infectious

Communication Etiquette

I am available to meet with you before, during, or after scheduled classes.

The best manner of contacting me is via email: lhubbard@uttyler.edu. While I prefer email I do respond to Canvas messages. I also use Canvas announcements so make sure to check often. I typically check my email and Canvas daily, but please allow 24 hrs. for a response. I will not answer email on the weekend (Saturday and Sunday). When using email, please adhere to proper email etiquette. Without proper subject line, respectful salutations, or clear content, I will not engage you with a response.

Facility Access & Studio Lab Safety and Mechanical Safety Training Studio facility access is for enrolled students only. Students are required to use appropriate safety equipment (PPE) and practice safe operation procedures when using any hazardous equipment or materials. All students must successfully complete the lab safety training and mechanical safety training and quizzes on Canvas and complete an Art Safety Agreement through Canvas before after hours access to the complex is granted. Failure to adhere to the terms of the Art Safety Agreement will result in the loss studio facility access.

Personal Protective Equipment (PPE) For your safety, you must follow all safety requirements established by the department and university. It is required that you provide you own Personal Protective Equipment for use in studio areas. This equipment includes: dust mask with at least a N95 rating and attached filter, safety glasses, ear protection, gloves, close-toed shoes, and appropriate clothing. Failure to use this equipment while working may result in the loss of studio privileges.

Materials and Chemicals Any additional materials or chemicals not included on the course material list must be approved by the faculty member in charge of the area where the chemical (material) will be used prior to the material/chemical being brought into the studio. Students are responsible for notifying the studio technician of any new materials/chemicals the day they are brought to the studio in order to ensure that the appropriate Safety Data Sheet is on file and in the SDS binder.

Labels for any new, approved chemicals brought into the art studios must include the following information when they are transferred to a new container or if the original chemical label is damaged: Name of Chemical, Date chemical was opened, and any basic hazards associated with the chemical. Labels are located in each studio and must be filled out and adhered to the container immediately.
