Publication Design Syllabus

COURSE INTRODUCTION

Publication Design will include the theory and practice of newspaper, magazine, infographic, brochure and interactive web layout and design. There is an emphasis on publication design, and its many forms. This will also include graphic design products such as, advertising layout, ad design, logo design, and other related products. Prerequisites: JOUR 2306 Media Design or instructor approved demonstrated competency with software.

Competency: Mediated Presentation

Students will understand and apply concepts and theories in the use and presentation of images and information using tools and technologies appropriate for the creation of news and publication production.

COURSE STRUCTURE

LEARNING: In-class

MODULES: Editing by Design, Newspaper Designer's Handbook, Magazine, and Interactive Documents.

COMMUNICATION: By email

LEARNING ACTIVITIES: By exercise, test, and special projects. Exercises are step by step instructions on how to build the various parts of publications, how to add content to the publications, process images and text created for the various formats. Testing will be over the knowledge obtained from the course books and by project. Special projects will require an advanced or progressive knowledge of a specific application.

COURSE SCHEDULE: A course schedule will be provided that will list day by day what assignment is due.

COURSE OBJECTIVES

Demonstrate the knowledge of many ways that publications may be developed.

Continue to demonstrate a progressive knowledge of Adobe Photoshop in regard to image development. Demonstrate an ability to perform several functions of this application. Have knowledge of what it takes to create art suitable for digital, interactive or print publication.

Be familiar with industry expectations regarding the creating of a variety of publications such as newspapers, feature pages, magazine covers and editorial spreads, newsletters and more.

Know the foundations theories of design, page layout and how they apply to the many formats students may encounter.

Students will develop career and communication skills in the area of graphic arts communication areas of research/communication, project management and collaboration, design, and professional print production using graphic design tools.

Learn how to create interactive and digital documents.

STUDENT LEARNING OUTCOMES

Students will understand and apply concepts and theories in the use and presentation of images and information using tools and technologies appropriate for public relations/integrated communication or mediated journalism.

Know the many theories that are the foundation of visual and/or graphic design.

To learn various methods of creating visual or graphic design products such as logos, posters, ad design and campaigns, greeting cards, and more which will be useful for personal and/or commercial publication.

Will have the ability to redesign a non-functional or weak print visual communication tool into a well-designed functional tool using research and the design process.

COURSE GOALS

Students will develop career and communication skills in the area of graphic arts communication areas of research/communication, project management and collaboration, design, and professional print or digital production using graphic design tools.

Student will develop several projects using Adobe Creative Suite which will include Photoshop, Adobe InDesign, Illustrator and more software applications to develop graphics, build layouts and print materials. Students will use Adobe Acrobat to review and improve content, produce print-ready materials, and develop your portfolio.

Key skills that will be emphasized are:

Interviewing and responding to feedback

Designing for a variety of audiences and needs

Problem solving that helps support multiple perspectives

The design process and effective communication

Peer teaching and evaluation in a collaborative environment

Technical manipulation and print publishing skills

Research various printing facilities and do cost comparisons

Where to Get Help

My contact information will be on the Syllabus and under "Introduction."

Technical and/or computing support is available from Campus Computing Center daily from 7AM to 11PM, and the weekends from 12PM to 10PM. You may also email them at itsupport@uttyler.edu, or <http://uttyler.edu/ccs/> or phone at (903) 565-5555 (x 5555 on campus).

For 24 Hour ACC access: Purchase Adobe Creative Cloud membership:

Adobe Creative Cloud - <https://creative.adobe.com/plans> . There is an option for month to month or yearly membership.

Tools

Flash drive primarily for those who are working on the school computers.

Lab

Only one class at a time will be permitted in the lab.

Late Work

Late work is discouraged. Homework expectation may be as much as 4 hours per week.

Teaching Methods

Lectures/Demonstrations: Important material from the text and outside sources will be covered in class. You should plan to take careful notes as not all material can be found in the texts or readings. Discussion is encouraged as is student-procured, outside material relevant to topics being covered.

Zoom – A Zoom link is provided each session for those who cannot attend due to illness. Everyone is expected to attend class at least one day a week and Zoom on the other day.

Assignments: Concepts Reviews, Skills Reviews, Independent Challenges and other projects and readings will be periodically assigned to help support and supplement material found in the lessons. These assignments may require the application of various software applications.

Quizzes: Occasional scheduled or unscheduled quizzes will be given to help ensure you stay up with assigned material.

Exams: The exams will be closed book/note and will test assigned readings and material discussed in class. The final exam will not be comprehensive in nature. However, the instructor reserves the right to retest on material that was not appropriately comprehended.

Project Assignments

Within the course of the semester the students will complete 4-5 major projects, several exercises and at least 2 exams.

Layout Stages/Critiques

The completion of sketches for your projects, layouts, and being prepared for critique is necessary for this course. 11-point reduction for critique absence or delay (no exceptions). If an Exercise or Project is not ready or presentation is totally unacceptable, a grade of 60 points will result. Failure to meet a Project deadline will result in a 30-point minimal grade reduction for that Project. In addition to creating you will need to represent your work, discuss your work, and offer feedback to classmates. Expect to spend time outside of the class to work on your projects. Sometimes as much as 4-6 hours per week. This time will be spent reading, conducting research, creating sketches, layouts, and working on the computer at home or in the lab.

Electronic Devices

Turn off all electronic devices including cell phones and MP3 players. Allowing a cell phone or other device to ring during class is rude and disrupts class. No text messaging or checking the time on your cell phone during class. Keep these devices in your backpack during class.

Use of Computers in Class

Keyboards must be placed to the right of each monitor and remain untouched during class unless otherwise instructed to use the computer as part of an in-class assignment. Do not use computers during class for reading/writing e-mail, surfing the Web, playing games, working on assignments for other classes, or writing letters.

UT Tyler Students Rights and Responsibilities

To know and understand the policies that affect your rights and responsibilities as a student at UT Tyler, please follow this link: <http://www2.uttyler.edu/wellness/rightsresponsibilities.php>

Attendance and Tardiness Policy

Classes will meet on Tuesday from January 11, 2021 through April 23, 2021. Study Day April 26, 2021. Finals from April 26 – April 30, 2021. Attendance is mandatory; however, there are times when an absence is unavoidable. These rules are for normal circumstances. We are in anything but normal circumstances right now.

THREE absences are allowed – this includes illness, university-sponsored activities, etc. A fourth absence will lower the final grade by 5 percentage points. A fifth absence will lower the grade by 10 percentage points.

See the current UT Tyler catalog for the university's policy on student responsibility for missed classes and assignments. Be familiar with the university's drop policy. Students who anticipate being absent from class due to religious observance or university-sponsored activities should inform the instructor by the second-class meeting. Students over 15 minutes late are considered absent. If a student must be absent the day an exam or presentation is scheduled, he/she must notify the instructor before class time. No make-up tests or presentations will be allowed if the instructor is not given a legitimate excuse BEFORE the time of the exam or presentation.

Work or Job: Do not schedule work during class hours. Do not schedule university activities during class hours. It is not appropriate to work on other classes' projects during our class time.

It is recommended that you obtain a partner that will assist you in keeping up with the class. I will not send additional emails to you or updates or brief you at the beginning of the next session.

Note: Attendance at field trips and for guest speakers is mandatory.

State-Mandated Course Drop Policy

Texas law prohibits a student who began college for the first time in Fall 2007 or thereafter from dropping more than six courses during their entire undergraduate career. This includes courses dropped at another 2-year or 4-year Texas public college or university. For purposes of this rule, a dropped course is any course that is dropped after the census date (See Academic Calendar for the specific date). Exceptions to the 6-drop rule may be found in the catalog. Petitions for exemptions must be submitted to the Enrollment Services Center and must be accompanied by documentation of the extenuating circumstance. Please contact the Enrollment Services Center if you have any questions.

License to Right of Work Product

Enrollment in the course constitutes your understanding and agreement that work submitted for grade/credit becomes the property of the instructor. You should make personal copies before submitting the original to the instructor for grading.

Note regarding student absence due to religious observance

Students who anticipate being absent from class due to a religious observance are requested to inform the instructor by the second-class meeting of the semester.

Tobacco Policy

UT Tyler a Tobacco-Free University:

All forms of tobacco will not be permitted on the UT Tyler main campus, branch campuses, and any property owned by UT Tyler. This applies to all members of the University community, including students, faculty, staff, University affiliates, contractors, and visitors.

Forms of tobacco not permitted include cigarettes, cigars, pipes, water pipes (hookah), bidis, kreteks, electronic cigarettes, smokeless tobacco, snuff, chewing tobacco, and all other tobacco products.

There are several cessation programs available to students looking to quit smoking, including counseling, quit lines, and group support. For more information on cessation programs please visit

www.uttyler.edu/tobacco-free.

Gun Policy

“We respect the right and privacy of students 21 and over who are duly licensed to carry concealed weapons in this class. License holders are expected to behave responsibly and keep a handgun secure and concealed.

More information is available at <http://www.uttyler.edu/about/campus-carry/index.php>.”

ACADEMIC DISHONESTY AND ORIGINAL WORK

Faculty members have a special obligation to expect high standards of academic honesty in all student work. Students also have a special obligation to adhere to such standards. It is your responsibility to become familiar with the material in [A Student Guide to Conduct and Discipline.pdf](#) at UT Tyler concerning university regulations regarding academic dishonesty, and the definitions of cheating and plagiarism that it contains. In general, plagiarism is the unauthorized use of published or unpublished material as well as not giving proper credit to the source.

The term plagiarism includes, but is not limited to:

a) use by paraphrase or direct quotation of the published or unpublished work of another person without fully or properly crediting the author with footnotes, citations or bibliographical reference

b) unacknowledged use of materials prepared by another person or agency engaged in the selling of term papers or other academic materials

c) acknowledged use of work/materials that have been produced through collaboration with others without release in writing from collaborators.

Therefore, cheating and plagiarism will NOT be tolerated. The student will receive a 0 on the assignment for cheating or plagiarism, and in severe cases, the student will fail the course. I WILL report any case of academic dishonesty to the proper channels within the university. If you have any questions or hesitations, please feel free to talk to me.

Need for Assistance: If you have any condition, such as a physical or learning disability, which will make it difficult for you to carry out the work as I have outlined it, or which will require academic accommodations, please notify me as soon as possible.

Posting of Grades: Final grades will not be posted. If you wish to have your final grade sent to you, please bring a self-addressed, stamped envelope to the final exam.

Therefore, cheating and plagiarism will NOT be tolerated. The student will receive a 0 on the assignment for cheating or plagiarism, and in severe cases, the student will fail the course. I WILL report any case of academic dishonesty to the proper channels within the university. If you have any questions or hesitations, please feel free to talk to me.

STUDENT EMAIL POLICY

UT Tyler's Patriot Email system serves as the electronic communication source for corresponding with students. Upon acceptance for admission to UT Tyler, students are issued a unique Patriot Email address. Please check your Patriot Email account regularly. Important information from the university will be distributed to you through your Patriot Email account, and it will be the communication source for Canvas. For more information about Patriot Email or to access your account, click Patriot Email under UT Tyler Logins on the UT Tyler home page (www.uttyler.edu).

GRADE REPLACEMENT

Students repeating a course for grade forgiveness (grade replacement) must file a Grade Replacement Contract with the Enrollment Services Center (ADM 230) on or before the Census Date of the semester in which the course will be repeated. Grade Replacement Contracts are available in the Enrollment Services Center or at <http://www.uttyler.edu/registrar>. Each semester's Census Date can be found on the Contract itself, on the Academic Calendar, or in the information pamphlets published each semester by the Office of the Registrar.

Failure to file a Grade Replacement Contract will result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade replacement for only three course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract.

The Census Date is the deadline for many forms and enrollment actions that students need to be aware of. These include: Submitting Grade Replacement Contracts, Transient Forms, requests to withhold directory information, approvals for taking courses as Audit, Pass/Fail or Credit/No Credit. Receiving 100% refunds for partial withdrawals. (There is no refund for these after the Census Date)

Schedule adjustments (section changes, adding a new class, dropping without a "W" grade)
Being reinstated or re-enrolled in classes after being dropped for non-payment

Completing the process for tuition exemptions or waivers through Financial Aid.

INCOMPLETE

An Incomplete is given only under these circumstances.

<http://www.uttyler.edu/catalog/10-12/4312.htm>

Social Security Statement

It is the policy of The University of Texas at Tyler to protect the confidential nature of social security numbers. The University has changed its computer programming so that all students have an identification number. The electronic transmission of grades (e.g., via e-mail) risks violation of the Family Educational Rights and Privacy Act; grades will not be transmitted electronically.

Evaluation and Grade Calculation

Assignments/Final Portfolio	20%
Exams/Quizzes	30%
Projects	50%
Total	100%

A = Outstanding.

This grade is for work of clearly professional quality (publishable or broadcast ready). The design/layout/writing is clear and well-organized; it requires virtually no editing. The design meets the highest criteria of the project evaluation matrix. The work is turned in by or before deadline, needing no changes before submission to clients or editors. These strategic messages get results, win awards and, when appropriate, feature creative concepts; they are executed with comprehensive research, interesting presentation which uses the elements of visual design and composition correctly and creatively, and nearly flawless design/layout/writing.

B=Good.

This grade is for work of clearly professional quality (publishable or broadcast ready). The design/layout/writing is clear and well-organized; it requires virtually no editing. The design meets the highest criteria of the project evaluation matrix. The work is turned in by or before deadline, needing no changes before submission to clients or editors. These strategic messages get results, win awards and, when appropriate, feature creative concepts; they are executed with comprehensive research, interesting presentation which uses the elements of visual design and composition correctly and creatively, and nearly flawless design/layout/writing.

C=Adequate.

This grade is for work that indicates a problem in at least one area, such as use of some elements of visual design and composition, diplomacy or strategy. It does not measure up to professional quality but could be saved by revision. Work is incomplete by deadline and/or needs more than minor revision before submission to a client or supervisor. These messages have weak ideas, concepts or presentation. They draw attention because they don't quite do the job. In summary, the work is an adequate first draft but isn't yet ready to show a client or supervisor.

D=Unacceptable Performance.

This grade is for work that is clearly unacceptable even in a classroom setting. The design/layout does not use the elements of visual design and composition correctly or at all. The design is flawed and may contain major factual errors and/or omissions or may show little concept of basic strategic judgment. Work may miss the deadline.

F= Failing.

This grade is for work that is not completed in a professional, timely way. For whatever reason, it suggests that the student did not take the assignment seriously. Such performance is often the result of personal or time-management problems that extend beyond a lack of skills or understanding of the research, design, or production processes.

Grading Assumptions

The grading process starts with the assumption that the work is "good," which earns a grade of "B." (See "good" definition above.) You may create a design project with no errors that earns a "B."

Strong and (when appropriate) clever design concepts/layouts that clearly support the strategic message and client needs help boost design projects to the "A" category. Also, exceptional reporting, diplomacy and adherence to strategy can boost stories to the "A" category.

Fact errors, poor organization, grammar/spelling/usage errors, unsound strategic judgment, bad diplomacy, missed deadlines and/or failure to follow proper style, techniques, and format will lower an assignment's grade.

Peer Evaluation

Assignments and projects will be subject to peer evaluation. Students will, as a result of this process, develop the ability to critically analyze work from other sources, and, by extension, develop a more professional attitude about their work. Please work to develop tolerance for professional criticism. Everything we do as media professionals is evaluated, critiqued, accepted with revisions or flat out rejected by supervisors, editors, creative directors and clients. As you evaluate the work of others, please base your evaluation on what you're learning, your experience, and your logic. Avoid injecting personalities into critiques. Unkind or malicious remarks will not be tolerated.

Each assignment will be graded according to a matrix developed specifically for the project or assignment. A copy of the evaluation matrix for each project will be provided via Blackboard. The following criteria will also apply to the evaluation of assignments or projects.

Content: Does the message and its execution clearly, gracefully and diplomatically fulfill the purpose?

Does the message address the values of the client as well as those of the target audience?

Is it factually correct?

Organization: Does organization enhance content?

Does each part of the message lead logically and gracefully to the next?

Grammar: Is the message free, for the most part, of unintended grammatical, spelling, punctuation and style errors?

Format: Does the execution of the message look the way it should? Are unique requirements, such as headings in a business letter, correct and correctly placed?

Emergency Exits and Evacuation

Everyone is required to exit the building when a fire alarm goes off. Follow your instructor's directions regarding the appropriate exit. If you require assistance during an evacuation, inform your instructor in the first week of class. Do not reenter the building unless given permission by University Police, Fire Department, or Fire Prevention Services.

Student Absence for University-Sponsored Events and Activities

If you intend to be absent for a university-sponsored event or activity, you (or the event sponsor) must notify the instructor at least two weeks prior to the date of the planned absence. At that time the instructor will set a date and time when make-up assignments will be completed.

Emergency Exits and Evacuation

Everyone is required to exit the building when a fire alarm goes off. Follow your instructor's directions regarding the appropriate exit. If you require assistance during an evacuation, inform your instructor in the first week of class. Do not reenter the building unless given permission by University Police, Fire department, or Fire Prevention Services.

Skills overview rubric

This general skills rubric is a tool for assessing various aspects of major design and print projects. Although each project has its own rubric, you should use the following to help you assess particular aspects of your projects. Select the items that apply to a particular project. This rubric will be available on Blackboard.

The Process Book Spring 2020 Goals

The goal of the process book is to supply evidence of what has led to your final design solutions. This book is a way of documenting your steps. This documentation could be for a potential employer, teacher, or for you to analyze the ways in which you are arriving at design decisions and conclusions. Oftentimes, what is created on the way to your solution can be quite amazing. Potential employers and other professionals may want to take a look at this binder and see the depths of your research, thinking, and sketching that may have led to your design concepts.

Format and Requirements

A format that will allow for organization of contained elements

Research materials will be neatly organized. This will include design research as well. Copies of layout sketches, thumbnails, and design in its earliest stages on the computer.

You may create one binder but ensure projects are separated by dividers.

Maintain proper notes as your project progresses of your creative process.

These books will be submitted with all major projects.

Possible projects to be included in Process Book: (subject to change)

Competition Ad Design (May include Public Service Announcement and individual ad design)

Newspaper Design

Ad Design

Brochure Design

Magazine Design

All Exercises or assignments

Portfolio:

A PDF file of all of your completed projects

Journal:

A sheet that documents your projects: Attached below.

KEEPING TRACK OF YOUR GRADES

As college students it is your responsibility to keep track of your grades. I will not constantly call everyone forth to remind them what their grade is. With this class we have a lot of exercises, projects, test, sometimes field trips, participation points, attendance points. Example: Assignments such as thumbnails, critiques, field trips, guest lectures, all carry a potential for 100 pts.

Additional Syllabus Information

Important Covid-19 Information for Classrooms and Laboratories

Students are required to wear face masks covering their nose and mouth, and follow social distancing guidelines, at all times in public settings (including classrooms and laboratories), as specified by [Procedures for Fall 2020 Return to Normal Operations](#). The UT Tyler community of Patriots views adoption of these practices consistent with its [Honor Code](#) and a sign of good citizenship and respectful care of fellow classmates, faculty, and staff.

Students who are feeling ill or experiencing symptoms such as sneezing, coughing, or a higher than normal temperature will be excused from class and should stay at home and may join the class remotely. Students who have difficulty adhering to the Covid-19 safety policies for health reasons are also encouraged to join the class remotely.

Students needing additional accommodations may contact the Office of Student Accessibility and Resources at University Center 3150, or call (903) 566-7079 or email saroffice@uttyler.edu.

Recording of Class Sessions

Class sessions may be recorded by the instructor for use by students enrolled in this course. Recordings that contain personally identifiable information or other information subject to FERPA shall not be shared with individuals not enrolled in this course unless appropriate consent is obtained from all relevant students. Class recordings are reserved only for the use of students enrolled in the course and only for educational purposes. Course recordings should not be shared outside of the course in any form without express permission.

Resources for Success for UT Tyler Students

Faculty Office Hours: These are times when you can meet with your faculty to ask questions about the content, better understand the discipline, make career connections and more. Make use of office hours. Faculty list three hours a week (minimum) that they are available to you and also provide an appointment option if you have class or work during their office hours.

Writing Center: The Writing Center provides all undergraduate and graduate students a place to work on their writing projects and skills. There are tutoring options as well as workshops available to support you in your academic writing.

Math Learning Center: The Math Learning Center provides drop-in tutoring for lower-level math courses throughout the week. The MLC also has computer workstations for your use.

PASS Tutoring Center: The PASS Tutoring Center supports a variety of courses. Due to COVID-19, we are asking that you schedule an appointment for your face-to-face tutoring support. Tutoring is also available through Zoom tutoring sessions. Check the website to see the courses supported for the Fall 2020 term.

Supplemental Instruction (SI): SI is a series of weekly peer-assisted study sessions in courses identified by previous students as difficult. Due to COVID-19, SI sessions will be conducted face-to-face and via Zoom this fall. Check the website to see the support courses for the Fall 2020 term.

Upswing (24/7 Online Tutoring): Upswing is a free, confidential, and convenient way to receive help in nearly all of UT Tyler's undergraduate courses.

Robert R. Muntz Library Staff: UT Tyler has an incredible staff of librarians ready to assist you. [Discipline/major library liaisons](#) are available to support you and you can also schedule appointments for research consultations. In addition, the Robert R. Muntz library's Head of University Archives and Special Collections can assist you with scholarly communications, primary sources, and archive materials.

Canvas 101: This Canvas course provides you with a wealth of information – including how to navigate in Canvas, use ProctorU (and even take a practice test), tips for being a successful online and hybrid learner, how to use Zoom, and more!

Digital Support Toolkits: Digital Support Toolkits are supplemental materials generated by faculty to help you be successful in targeted courses typically taken by our freshman and sophomore population. Students registered in Digital Support Toolkits supported courses will find these in their Canvas dashboard. You don't have to register – just take advantage of this great resource.

[UT Tyler Testing Center](#): The Testing Center provides securing testing opportunities to meet the needs of students and the community in an environment conducive to student and academic success.

[Student Accessibility and Resource \(SAR\) Office](#): The SAR Office works to provide students equal access to all educational, social, and co-curriculum programs through the coordination of services and reasonable accommodations, consultation, and advocacy.

[Student Counseling Center](#): The Student Counseling Center supports students in developing balance, resiliency, and overall well-being both academically and personally. They have in person and virtual counseling options. In addition, the Student Counseling Center offers [TAO](#), a self-help, completely private online library of behavioral health resources. Sign in to the TAO website using your UT Tyler credentials.
