“Valley of the Yosemite” by Albert Bierstadt

Course Description:

This course explores the history of the American West from first human contact to the twentieth century. In so doing, we will use social, cultural, political, military, and environmental history to both understand and interpret the place and its people.

Content Objectives:

Upon completion of this course, students should be able to:

1. Demonstrate a strong understanding of the major currents that underscore the history of the American West.
2. Think critically and objectively about the American West and its place in the course of American history.
3. Develop analytical skills through thinking, speaking, and writing about American history generally and the American West specifically.

Important Note:

I encourage you to meet with me regularly to discuss or clarify lecture, discussion, or reading—or to talk about history in general. My job (and satisfaction) is as much to work with students on an individual basis as it is to lecture. Please keep this in mind throughout the semester.

Attendance and Participation: (50 pts)

This is an upper-level university course. Attendance and participation are mandatory. I will take attendance throughout the semester by occasionally asking you to write on a piece of paper what you gained from the last class, what you think about a certain idea, etc. You can miss up to THREE of these without penalty. **After that, 10 points will be deducted for each un-excused missed response.**

Book Synopses: (50 pts x 2)

Write 3+ typed, double-spaced pages describing and analyzing the major ideas and arguments/interpretations for:

- Fenn, *At the Heart of the World* (50 pts)
 - o Four parts (12+ pages); Due at Mid-Term
- Biel, *Do (Not) Feed the Bears* (50 pts)
 - o Two parts (6+ pages)
 - Part 1: Intro., Chaps. 1-3
 - Part 2: Chaps. 4-7
 - o Due at Final Exam

Exams: (100 pts x 2)

There will be two exams worth 100 points each. I will distribute a study guide a week before each exam. The final is *not* comprehensive. The exams will consist of ONE essay questions. The essay will cover class lecture and discussion.

Lonesome Dove Project: (100 pts)

1. Read every word on every page of *Lonesome Dove*. I promise it will not be hard to do once you get into it.
2. Then read Elliott West's brief essay (on Canvas) about the same.
3. Once accomplishing the above, write a thoughtful 8+ page, double-spaced essay in which you articulate your personal *and* scholarly impressions of the novel with respect to the following questions: To what extent is *Lonesome Dove* a reflection of the American West in reality and in perception? To what extent is it a reflection of life itself? What is wrong with LD? What does LD get right? Has it shifted your perception of the West? If so, how? If not, why? What was the most powerful part of the novel for you? Finally, but very importantly, explain how historian Elliott West tackles the novel and whether or not this, too, shifted your perceptions.

Point Breakdown:

Exam I (Mid-Term):	100 pts
Fenn Synopses:	50 pts

Classroom Conduct:

Be nice.

Make-up Policy:

I'll work with you on anything missed.

Academic Honesty:

Cheating of any kind, including plagiarism, will result in immediate failure of the class and possibly further sanctions from the University of Texas at Tyler. Plagiarism, put simply, is using another's work as your own without proper citation or usage. This includes everything from copying and pasting from the Internet to failing to cite an idea from another source that you put in your own words. I strongly recommend reviewing the university policy for cheating and academic dishonesty at the following website: <http://www.uttyler.edu/judicialaffairs/>

Grade Replacement/Forgiveness and Census Date Policies

Students repeating a course for grade forgiveness (grade replacement) must file a Grade Replacement Contract with the Enrollment Services Center (ADM 230) on or before the Census Date of the semester in which the course will be repeated. (For Fall, the Census Date is Sept. 12.) Grade Replacement Contracts are available in the Enrollment Services Center or at <http://www.uttyler.edu/registrar>. Each semester's Census Date can be found on the Contract itself, on the Academic Calendar, or in the information pamphlets published each semester by the Office of the Registrar.

Failure to file a Grade Replacement Contract will result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade replacement for only three course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract.

The Census Date (Sept. 12th) is the deadline for many forms and enrollment actions of which students need to be aware. These include:

- Submitting Grade Replacement Contracts, Transient Forms, requests to withhold directory information, approvals for taking courses as Audit, Pass/Fail or Credit/No Credit.
- Receiving 100% refunds for partial withdrawals. (There is no refund for these after the Census Date)
- Schedule adjustments (section changes, adding a new class, dropping without a "W" grade)
- Being reinstated or re-enrolled in classes after being dropped for non-payment
- Completing the process for tuition exemptions or waivers through Financial Aid State-Mandated Course Drop Policy

Texas law prohibits a student who began college for the first time in Fall 2007 or thereafter from dropping more than six courses during their entire undergraduate career. This includes courses dropped at another 2-year or 4-year Texas public college or university. For purposes of this rule, a dropped course is any course that is dropped after the census date (See Academic Calendar for the specific date). Exceptions to the 6-drop rule may be found in the catalog. Petitions for exemptions must be submitted to the Enrollment Services Center and must be accompanied by documentation of the extenuating circumstance. Please contact the Enrollment Services Center if you have any questions. Disability/Accessibility Services In accordance with Section 504 of the Rehabilitation Act, Americans with Disabilities Act (ADA) and the ADA Amendments Act (ADAAA) the University of Texas at Tyler offers accommodations to students with learning, physical and/or psychological disabilities. If you have a disability, including a non-visible diagnosis such as a learning disorder, chronic illness, TBI, PTSD, ADHD, or you have a history of modifications or accommodations in a previous educational environment, you are encouraged to visit <https://hood.accessiblelearning.com/UTTyler> and fill out the New Student application. The Student Accessibility and Resources (SAR) office will contact you when your

Student Absence due to Religious Observance Students who anticipate being absent from class due to a religious observance are requested to inform the instructor of such absences by the second class meeting of the semester.

Student Absence for University-Sponsored Events and Activities

If you intend to be absent for a university-sponsored event or activity, you (or the event sponsor) must notify the instructor at least two weeks prior to the date of the planned absence. At that time the instructor will set a date and time when make-up assignments will be completed.

Social Security and FERPA Statement

It is the policy of The University of Texas at Tyler to protect the confidential nature of social security numbers. The University has changed its computer programming so that all students have an identification number. The electronic transmission of grades (e.g., via e-mail) risks violation of the Family Educational Rights and Privacy Act; grades will not be transmitted electronically.

Emergency Exits and Evacuation

Everyone is required to exit the building when a fire alarm goes off. Follow your instructor's directions regarding the appropriate exit. If you require assistance during an evacuation, inform your instructor in the first week of class. Do not re-enter the building unless given permission by University Police, Fire department, or Fire Prevention Services.
