

**COLLEGE OF ARTS AND SCIENCES – Department of Art****Bachelor of Arts in Art (Art History Specialization)**

The Department of Art is part of the School of Visual and Performing Arts at The University of Texas at Tyler. Programs of study are offered for those students wanting to pursue careers as professional artists as well as those seeking professions in the field of art. The curriculum and mode of operation within the Department of Art resemble a professional art school, with a broad based liberal arts education. Students may select an emphasis in studio art, art education or art history.

The Bachelor of Arts in Art (B.A.) with art history specialization is designed for students wanting concentrated studies in art history. Students wishing to pursuing graduate studies in art history (M.A. or PhD.) often select the B.A. in Art degree with a 12-16-hour foreign language requirement, which is not required for the B.F.A. in Art degree.
