READ 5303.06: New and Emerging Media Literacies
[ONLINE]
School of Education
The University of Texas at Tyler

A. Instructor Information
   Name: Dr. Kouider Mokhtari, Anderson-Vukelja-Wright Endowed Chair
   Email: kmokhtari@uttyler.edu
   Office Address: 126 HPR
   Office Phone: (903) 566-7177
   Office Hours: Physical Office Hours—By appointment
                 Virtual Office Hours—Thurs 7:00-8:00 p.m. &/or by appointment via ‘Zoom’. Sign up for a free zoom account @ http://uttyler.zoom.us/.

B. Catalog Course Description
   Exploration of new and emerging media technologies as powerful tools for enhancing K-12 students’ literacy development and learning, with an emphasis on how to integrate new media literacies such as the Internet into the curriculum and enhance literacy learning in the classroom.

C. Knowledge Base(s)
   This graduate level course explores new and emerging media literacies and their relationship to literacy development and improvement across the K-12 school curriculum. Course content is informed by relevant theories, research, and practice pertaining to new and emerging media literacies (e.g., Coiro, Lankshear, & Leu, 2008; Gee, 2010; Knobel and Lankshear, 2007; Street 2005). A primary focus will be placed on (a) expanding teacher knowledge relative to new media literacies research and, (b) enabling them to use knowledge gained in designing and delivering effective literacy instruction across the K-12 curriculum.

   Course content incorporates the International Reading Association (IRA) as well as the Texas Examination of Educator Standards (TExES) for the preparation of reading specialists/literacy coaches (IRA, 2010; TEA, 2006). IRA standards pertain primarily to specific elements of Standard 1: Foundational Knowledge, Standard 2: Instructional Strategies and Curriculum Materials, Standard 4: Diversity, Standard 5: Literate Environment, and Standard 6: Professional Learning and Leadership. TExES Standards pertain primarily to Domain 1: Instruction and Assessment-Components of Literacy, and Domain 2: Instruction and Assessment: Resources and Procedures.

D. Learning Outcomes
   Upon successful completion of the requirements of this course, students will have an opportunity to:

   1. Develop a working knowledge of current research, policy, and practice related to new and emerging media literacies.
   2. Apply knowledge gained when integrating new literacies across the curriculum with the goal of enhancing students’ learning and engagement.
   3. Explore critical issues pertaining to the integration of new literacies across the K-12 school curriculum.
E. Course Projects, Evaluation and Grading

The assignments and projects outlined below are designed to contribute in a different, and yet complementary way in achieving the stated course objectives.

1. **Class Participation & Engagement** (30 points or 30% of course grade). Throughout the semester, you will be expected to engage either individually or in groups in a series of relatively brief but useful activities that will help increase your knowledge, skills, and experiences in using new media literacy tools to enhance students’ literacy learning and engagement. Examples of these activities might include (a) writing a critical reading and response to an article about new or emerging media literacies, to finding out how to use a particular Web 2.0 tool (e.g., how to use an app such as https://itunes.apple.com/us/app/record-of-reading/id543574721?mt=8 to conduct running records, (b) using cell phones or i-Pads to promote reading development, or (c) reviewing new literacies assessment and instruction resources and their applications for your teaching.

Unless otherwise indicated, we will use the Blackboard Discussion Forum as a venue for responding to assigned readings, sharing lessons learned about new and emerging media tools and resources, or exploring questions related to new or emerging media literacies.

Active engagement entails making sustained and substantive contributions by completing assigned readings, asking critical questions, collaborating with others online and offline, and exploring implications and applications of knowledge gained for your own professional work. Your asynchronous discussion responses will be evaluated on the level of engagement (how often and when you contribute to the discussions), the quality of the contributions made (how thoughtful and substantive your contributions are), and the professionalism you exhibit when responding to assigned discussion topics or issues (how respectful and considerate you are to discussion forum members). The following criteria will be used to evaluate your class participation and engagement.

- √ 0-15 points = Low level of participation and engagement
- √ 16-24 points = Moderate level of participation and engagement
- √ 25-30 points = High level of participation and engagement

2. **Integrating New Media Literacies in Instruction Project** (40 points or 40% of course grade). In this assignment, you will have an opportunity to apply what you have learned about new and emerging media literacies by developing a sample weeklong unit of study (assume about 1 hour of class per day for five days) in a language arts or a content area classroom of your choice. An example might be a unit of study focused on teaching middle level students the skills necessary, in addition to foundational literacy skills, when the goal is to understand and communicate new information on the Internet. Another example might be a unit of study aimed at using i-Pads to promote and support foundational literacy skills (e.g., phonemic awareness) among first grade students experiencing reading difficulties.
Your unit of study should be informed by relevant theories, research, and practice with respect to the integration of new and emerging media literacies across the school curriculum. In developing the unit of study, you should provide (a) a rationale for developing the unit for the target group of students in your selected classroom, (b) a list of student learning outcomes tied to the appropriate language arts or content area standards, (c) the overall plan for implementing the unit of study, (d) the new media literacies tools and/or materials used in the unit of study, (d) the instructional strategies used, and (e) the evaluation plan for assessing the learning outcomes have been achieved.

You will have an opportunity to present your proposed unit of study by using one or more media technology tools of your choice (e.g., Podcast, Wiki, narrated PPT or Prezi presentation, VoiceThread, other). The proposed unit of study will be evaluated on the extent to which you have effectively integrated new media literacies tools and practices to promote and/or strengthen students’ literacy development and/or content learning. More details about the specific requirements for this assignment will be provided at the appropriate time in the semester.

3. Quizzes (30 points or 30% of course grade). There will three scheduled quizzes (10 points each) throughout the semester that will cover material addressed in lectures, discussions, and assigned readings. The content of quizzes, which will consist of a mix of objective and/or constructed response answers, is designed to probe your level of preparedness in understanding and using information communication technologies to promote and support literacy assessment and instruction in your classroom settings.

F. Evaluation and Grading Guidelines and Criteria: All written work should be typed (double-spaced, using a 12 pt. New Times Roman font, with one-inch margins, & page numbered), properly labeled, and carefully proofread and edited. Use APA guidelines for writing style, citations, and referencing. The criteria for determining your final grade are outlined below.

G. Core Course Texts and Materials

Core Readings: The core readings selected for purposes of this course consist of book chapters, reports, and articles selected from new literacies handbooks, literacy journals, and other relevant sources (see list of journals below list of references attached). These materials will provide a focus for the course and information useful for class discussions, projects, and related activities.

Recommended Resources

Books

3. A collection of articles and reports extracted from journals, books, and websites.

Websites

3. New Media Literacies-- [http://www.newmedialiteracies.org](http://www.newmedialiteracies.org)

Journals

b. *Educational Leadership* (ased.org)
c. *Journal of Adolescent and Adult Literacy* (www.reading.org)
d. *Journal of Educational Psychology* (apa.org)
e. *Journal of Learning Disabilities* (www.ldanatl.org)
f. *Journal of Literacy Research* (www.nrconline.org)
g. *Language Arts* (www.ncte.org)
h. *Reading Research Quarterly* (www.reading.org)
i. *Tapestry Journal* (tapestry.usf.edu)
j. *The Reading Teacher* ([www.reading.org](http://www.reading.org))

Note: A student of this institution is not under any obligation to purchase a textbook from a university-affiliated bookstore. The same textbook may also be available from an independent retailer, including an online retailer.
### H. Course Outline & Schedule

The following course calendar is tentative. It is subject to change due to the nature of the course, which emphasizes wide reading, reflection, and critical inquiry. Adjustments to class lectures and activities will be made as needed.

| Develop a working knowledge of current research, policy, and practice related to new and emerging media literacies. | **Lecture 1**: Course Overview | **January-February**
| | **Lecture 2**: Defining new and emerging media literacies. | **Readings**: Specific readings to support each lecture will be assigned from selected course texts, books, reports, and journals. |
| | **Lecture 3**: Theoretical, research, and practical perspectives of new media literacies. | **Assignments**: Each lecture will have two or more associated assignments aimed at strengthening new literacies. |
| | **Lecture 4**: Common Core Standards and new media literacies. | **Projects**: Lecture assignments count toward Class Participation credit). |
| Apply knowledge gained in integrating new literacies across the curriculum with the goal of enhancing students’ learning and engagement. | **Lecture 5**: Integration of new and emerging technologies across the K-12 school curricula (Part 1). | **Quiz #1**: (End of February) |
| | **Lecture 6**: Integration of new and emerging technologies across the K-12 school curricula (Part 2). | **March-April** |
| | **Lecture 7**: Using new media technologies to enhance reading and writing instruction for all students. | **Readings**: Specific readings to support each lecture will be assigned from selected course texts, books, reports, and journals. |
| | **Lecture 8**: Using i-Pads to support literacy assessment and instruction. | **Assignments**: Each lecture will have two or more associated assignments aimed at strengthening new literacies. |
| Explore critical issues pertaining to the use of new and emerging media literacies across the K-12 school curriculum. | **Lecture 9**: Assessing the new literacies of online reading comprehension. | **Projects**: Lecture assignments count toward Class Participation credit). |
| | **Lecture 10**: Re-conceptualizing the nature of literacy, its assessment, and its teaching in light of new media literacies. | **Quiz #2**: (First week of April) |
| | **Lecture 11**: Designing instruction to enhance the language, literacy, and content learning for diverse learners using new media tools and resources. | **April-May** |
| | **Lecture 12**: New media literacies and teacher professional development. | **Readings**: Specific readings to support each lecture will be assigned from selected course texts, books, reports, and journals. |
| | **Integrating New Media Literacies Project**: Due First Week of May. | **Assignments**: Each lecture will have two or more associated assignments aimed at strengthening new literacies. |
| | **Quiz # 3**: Finals Week | **Projects**: Lecture assignments count toward Class Participation credit). |
Guidelines for Class Activities and Forum Discussions

Discussion forums provide a convenient method for conducting asynchronous (not at the same time) discussions focused on specific topics, for sharing information about solving problems of addressing issues, and for seeking answers to questions you may have about a specific issue or question. Such forums are great for building community, especially in an online environment. Since our class is online, it is important for us to get to know each other and feel comfortable exchanging ideas, whether they are shared by all or not. In fact, debate is encouraged as long as a respectful tone is maintained. You will be graded on your participation in the discussions and contributions to the e-learning activities associated with these discussions.

Students are required to post to the appropriate discussion area by the dates specified. Participation should take place 2-3 times a week to allow the discussion to evolve as it takes place asynchronously. Responses should reflect your best thoughts about the readings, assignments, other students' postings, and the instructor’s comments. The goal is to create and support a learning community in our class.

The discussion forum is a safe place to make mistakes and ask questions. Students should strive to add value to the discussion with honest and sincere postings. Here are some characteristics of good postings.

Your posting should be relevant to the topic or question under discussion. Digressions or social chat should take place in the forum created for social purposes. If you want to say something personal to a fellow student or me, please use email.

Include the source of information from class readings or other resources you are using for your comment. If you are responding to a posed question, make reference to information from class readings, other students' postings, and/or personal experiences. You are encouraged to pose a question that might advance our discussion to another level. Elaborate on and/or extend someone else's posting. Provide examples to illustrate the point you are making.

Because of new media literacies, we use multiple ways of making meaning (e.g., we use print, image, sound, and other devices). Therefore, when communicating with classmates via the discussion forum, insert hyperlinks, graphics, video, and/or audio to illustrate your points.

You are always welcome to agree or disagree with whatever has been said in the discussions; please remember to explain your viewpoint, support it by class readings or other resources, and use a respectful tone.

Tone: Post comments using a positive or at least a neutral tone. The most basic rule of Netiquette in the Discussion Forums is: Post only comments that you would be comfortable receiving. To build a collaborative environment, an attentive, polite, and caring attitude helps to build the right tone to our communications with each other.

Form: As a courtesy to those reading your comments, proof read them before posting them. Spelling and grammar errors can obscure your meaning.

Content: Review the content of your posting before posting it. Does it address the topic under discussion? Does it add value to the discussion? Posting irrelevant material impedes the progress of mastering content in the discussion.
I. SELECTED READINGS

UNIVERSITY POLICIES

UT Tyler Honor Code. Every member of the UT Tyler community joins together to embrace: Honor and integrity that will not allow me to lie, cheat, or steal, nor to accept the actions of those who do.

Students Rights and Responsibilities. To know and understand the policies that affect your rights and responsibilities as a student at UT Tyler, please follow this link: http://www.utttyler.edu/wellness/rightsresponsibilities.php

Grade Replacement/Forgiveness and Census Date Policies. Students repeating a course for grade forgiveness (grade replacement) must file a Grade Replacement Contract with the Enrollment Services Center (ADM 230) on or before the Census Date of the semester in which the course will be repeated. (For Spring 2016, the Census Date is February 1st.) Grade Replacement Contracts are available in the Enrollment Services Center or at http://www.utttyler.edu/registrar. Each semester’s Census Date can be found on the Contract itself, on the Academic Calendar, or in the information pamphlets published each semester by the Office of the Registrar.

Failure to file a Grade Replacement Contract will result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade replacement for only three course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract.

The Census Date (February 1st) is the deadline for many forms and enrollment actions of which students need to be aware. These include:

- Submitting Grade Replacement Contracts, Transient Forms, requests to withhold directory information, approvals for taking courses as Audit, Pass/Fail or Credit/No Credit.
- Receiving 100% refunds for partial withdrawals. (There is no refund for these after the Census Date)
- Schedule adjustments (section changes, adding a new class, dropping without a “W” grade)
- Being reinstated or re-enrolled in classes after being dropped for non-payment
- Completing the process for tuition exemptions or waivers through Financial Aid

State-Mandated Course Drop Policy. Texas law prohibits a student who began college for the first time in Fall 2007 or thereafter from dropping more than six courses during their entire undergraduate career. This includes courses dropped at another 2-year or 4-year Texas public college or university. For purposes of this rule, a dropped course is any course that is dropped after the census date (See Academic Calendar for the specific date).

Exceptions to the 6-drop rule may be found in the catalog. Petitions for exemptions must be submitted to the Enrollment Services Center and must be accompanied by documentation of the extenuating circumstance. Please contact the Enrollment Services Center if you have any questions.

Disability Services. In accordance with Section 504 of the Rehabilitation Act, Americans with Disabilities Act (ADA) and the ADA Amendments Act (ADAAA) the University offers accommodations to students with learning, physical and/or psychiatric disabilities. If you have a disability, including non-visible disabilities such as chronic diseases, learning disabilities, head injury, PTSD or ADHD, or you have a history of modifications or accommodations in a previous educational environment you are encouraged to contact the Student Accessibility and Resources office and schedule an interview with the Accessibility Case Manager/ADA Coordinator, Cynthia Lowery Staples. If you are unsure if the above criteria applies to you, but have questions or concerns please contact the SAR office. For more information or to set up an appointment please visit the SAR office located in the University Center, Room 3150 or call 903.566.7079. You may also send an email to cstaples@uttyler.edu
Student Absence due to Religious Observance. Students who anticipate being absent from class due to a religious observance are requested to inform the instructor of such absences by the second class meeting of the semester.

Student Absence for University-Sponsored Events and Activities. If you intend to be absent for a university-sponsored event or activity, you (or the event sponsor) must notify the instructor at least two weeks prior to the date of the planned absence. At that time the instructor will set a date and time when make-up assignments will be completed.

Social Security and FERPA Statement. It is the policy of The University of Texas at Tyler to protect the confidential nature of social security numbers. The University has changed its computer programming so that all students have an identification number. The electronic transmission of grades (e.g., via e-mail) risks violation of the Family Educational Rights and Privacy Act; grades will not be transmitted electronically.

Emergency Exits and Evacuation. Everyone is required to exit the building when a fire alarm goes off. Follow your instructor’s directions regarding the appropriate exit. If you require assistance during an evacuation, inform your instructor in the first week of class. Do not re-enter the building unless given permission by University Police, Fire department, or Fire Prevention Services.

Student Standards of Academic Conduct: Disciplinary proceedings may be initiated against any student who engages in scholastic dishonesty, including, but not limited to, cheating, plagiarism, collusion, the submission for credit of any work or materials that are attributable in whole or in part to another person, taking an examination for another person, any act designed to give unfair advantage to a student or the attempt to commit such acts.

(i) “Cheating” includes, but is not limited to:
• copying from another student’s test paper;
• using, during a test, materials not authorized by the person giving the test;
• failure to comply with instructions given by the person administering the test;
• possession during a test of materials which are not authorized by the person giving the test, such as class notes or specifically designed “crib notes”. The presence of textbooks constitutes a violation if they have been specifically prohibited by the person administering the test;
• using, buying, stealing, transporting, or soliciting in whole or part the contents of an unadministered test, test key, homework solution, or computer program;
• collaborating with or seeking aid from another student during a test or other assignment without authority;
• discussing the contents of an examination with another student who will take the examination;
• divulging the contents of an examination, for the purpose of preserving questions for use by another, when the instructors has designated that the examination is not to be removed from the examination room or not to be returned or to be kept by the student;
• substituting for another person, or permitting another person to substitute for oneself to take a course, a test, or any course-related assignment;
• paying or offering money or other valuable thing to, or coercing another person to obtain an unadministered test, test key, homework solution, or computer program or information about an unadministered test, test key, homework solution, test key, home solution or computer program;
• falsifying research data, laboratory reports, and/or other academic work offered for credit;
• taking, keeping, misplacing, or damaging the property of The University of Texas at Tyler, or of another, if the student knows or reasonably should know that an unfair academic advantage would be gained by such conduct; and
• misrepresenting facts, including providing false grades or resumes, for the purpose of obtaining an academic or financial benefit or injuring another student academically or financially.

(ii) “Plagiarism” includes, but is not limited to, the appropriation, buying, receiving as a gift, or obtaining by any means another’s work and the submission of it as one’s own academic work offered for credit.

(iii) “Collusion” includes, but is not limited to, the unauthorized collaboration with another person in preparing academic assignments offered for credit or collaboration with another person to commit a violation of any section of the rules on scholastic dishonesty.

(iv) All written work that is submitted will be subject to review by SafeAssign™, available on Blackboard.

COLLEGE OF EDUCATION AND PSYCHOLOGY (CEP) VISION AND MISSION

Vision: The College of Education and Psychology is nationally recognized and respected for its academic programs and opportunities. It is a center of academic excellence, scholarly inquiry, and public service. The College prepares leaders to meet the critical challenges of the 21st Century through productive contributions to local and global communities and toward individual and cultural equity.

Mission: The mission of the College of Education and Psychology is to provide a positive environment that fosters the acquisition of knowledge and skills. The mission is individually and collectively realized through a community of scholars that contributes to knowledge through scholarly inquiry; organizes knowledge for application, understanding and communication; and provides leadership and service. We affirm and promote global perspectives that value individual and cultural diversity to enhance learning, service, and scholarship.
(b) Enforceable Standards.

(1) Professional Ethical Conduct, Practices and Performance.

(A) Standard 1.1. The educator shall not intentionally, knowingly, or recklessly engage in deceptive practices regarding official policies of the school district, educational institution, educator preparation program, the Texas Education Agency, or the State Board for Educator Certification (SBEC) and its certification process.

(B) Standard 1.2. The educator shall not knowingly misappropriate, divert, or use monies, personnel, property, or equipment committed to his or her charge for personal gain or advantage.

(C) Standard 1.3. The educator shall not submit fraudulent requests for reimbursement, expenses, or pay.

(D) Standard 1.4. The educator shall not use institutional or professional privileges for personal or partisan advantage.

(E) Standard 1.5. The educator shall neither accept nor offer gratuities, gifts, or favors that impair professional judgment or to obtain special advantage. This standard shall not restrict the acceptance of gifts or tokens offered and accepted openly from students, parents of students, or other persons or organizations in recognition or appreciation of service.

(F) Standard 1.6. The educator shall not falsify records, or direct or coerce others to do so.

(G) Standard 1.7. The educator shall comply with state regulations, written local school board policies, and other state and federal laws.

(H) Standard 1.8. The educator shall apply for, accept, offer, or assign a position or a responsibility on the basis of professional qualifications.

(I) Standard 1.9. The educator shall not make threats of violence against school district employees, school board members, students, or parents of students.

(J) Standard 1.10. The educator shall be of good moral character and be worthy to instruct or supervise the youth of this state.
(K) **Standard 1.11.** The educator shall not intentionally or knowingly misrepresent his or her employment history, criminal history, and/or disciplinary record when applying for subsequent employment.

(L) **Standard 1.12.** The educator shall refrain from the illegal use or distribution of controlled substances and/or abuse of prescription drugs and toxic inhalants.

(M) **Standard 1.13.** The educator shall not consume alcoholic beverages on school property or during school activities when students are present.

(2) Ethical Conduct Toward Professional Colleagues.

(A) **Standard 2.1.** The educator shall not reveal confidential health or personnel information concerning colleagues unless disclosure serves lawful professional purposes or is required by law.

(B) **Standard 2.2.** The educator shall not harm others by knowingly making false statements about a colleague or the school system.

(C) **Standard 2.3.** The educator shall adhere to written local school board policies and state and federal laws regarding the hiring, evaluation, and dismissal of personnel.

(D) **Standard 2.4.** The educator shall not interfere with a colleague's exercise of political, professional, or citizenship rights and responsibilities.

(E) **Standard 2.5.** The educator shall not discriminate against or coerce a colleague on the basis of race, color, religion, national origin, age, gender, disability, family status, or sexual orientation.

(F) **Standard 2.6.** The educator shall not use coercive means or promise of special treatment in order to influence professional decisions or colleagues.

(G) **Standard 2.7.** The educator shall not retaliate against any individual who has filed a complaint with the SBEC or who provides information for a disciplinary investigation or proceeding under this chapter.

(3) Ethical Conduct Toward Students.

(A) **Standard 3.1.** The educator shall not reveal confidential information concerning students unless disclosure serves lawful professional purposes or is required by law.

(B) **Standard 3.2.** The educator shall not intentionally, knowingly, or recklessly treat a student or minor in a manner that adversely affects or endangers the learning, physical health, mental health, or safety of the student or minor.

(C) **Standard 3.3.** The educator shall not intentionally, knowingly, or recklessly misrepresent facts regarding a student.
(D) **Standard 3.4.** The educator shall not exclude a student from participation in a program, deny benefits to a student, or grant an advantage to a student on the basis of race, color, gender, disability, national origin, religion, family status, or sexual orientation.

(E) **Standard 3.5.** The educator shall not intentionally, knowingly, or recklessly engage in physical mistreatment, neglect, or abuse of a student or minor.

(F) **Standard 3.6.** The educator shall not solicit or engage in sexual conduct or a romantic relationship with a student or minor.

(G) **Standard 3.7.** The educator shall not furnish alcohol or illegal/unauthorized drugs to any person under 21 years of age unless the educator is a parent or guardian of that child or knowingly allow any person under 21 years of age unless the educator is a parent or guardian of that child to consume alcohol or illegal/unauthorized drugs in the presence of the educator.

(H) **Standard 3.8.** The educator shall maintain appropriate professional educator-student relationships and boundaries based on a reasonably prudent educator standard.

(I) **Standard 3.9.** The educator shall refrain from inappropriate communication with a student or minor, including, but not limited to, electronic communication such as cell phone, text messaging, email, instant messaging, blogging, or other social network communication. Factors that may be considered in assessing whether the communication is inappropriate include, but are not limited to:

(i) the nature, purpose, timing, and amount of the communication;
(ii) the subject matter of the communication;
(iii) whether the communication was made openly or the educator attempted to conceal the communication;
(iv) whether the communication could be reasonably interpreted as soliciting sexual contact or a romantic relationship;
(v) whether the communication was sexually explicit; and
(vi) whether the communication involved discussion(s) of the physical or sexual attractiveness or the sexual history, activities, preferences, or fantasies of either the educator or the student.

**Source Note:** The provisions of this §247.2 adopted to be effective March 1, 1998, 23 TexReg 1022; amended to be effective August 22, 2002, 27 TexReg 7530; amended to be effective December 26, 2010, 35 TexReg 11242
SCHOOL OF EDUCATION PROGRAM STANDARDS

The School of Education has adopted program standards that guide the development of teacher candidates in their understanding of the complexity of teaching. These standards are based on those developed by the Interstate New Teacher Assessment and Support Consortium (InTASC) and shared by other accredited universities in Texas and across the United States. The Standards are broad understandings and practices gained throughout the program using a constructivist model in which new learnings are assimilated and attached to prior understandings, thus, over time, building a mental structure (schema) of educational concepts.

Standard #1: Learner Development (students in general). The teacher understands how learners grow and develop, recognizing that patterns of learning and development vary individually within and across the cognitive, linguistic, social, emotional, and physical areas, and designs and implements developmentally appropriate and challenging learning experiences. *Texas Teacher Practice Standards: 1.2, 2.1, 2.2, 2.3, 4.1*

Standard #2: Learning Differences (individual students). The teacher uses understanding of individual differences and diverse cultures and communities to ensure inclusive learning environments that enable each learner to meet high standards. *Texas Teacher Practice Standards: 1.3, 2.1, 2.2, 2.3, 4.1*

Standard #3: Learning Environments. The teacher works with others to create environments that support individual and collaborative learning, and that encourage positive social interaction, active engagement in learning, and self motivation. *Texas Teacher Practice Standards: 1.3, 1.4, 1.6, 2.3, 4.1, 4.2, 4.3, 4.4*

Standard #4: Content Knowledge. The teacher understands the central concepts, tools of inquiry, and structures of the discipline(s) he or she teaches and creates learning experiences that make these aspects of the discipline accessible and meaningful for learners to assure mastery of the content. *Texas Teacher Practice Standards: 1.2, 1.5, 1.6, 3.1, 3.2, 3.3, 5.2*

Standard #5: Application of Content. The teacher understands how to connect concepts and use differing perspectives to engage learners in critical thinking, creativity, and collaborative problem solving related to authentic local and global issues. *Texas Teacher Practice Standards: 1.5, 3.2, 3.3*

Standard #6: Assessment. The teacher understands and uses multiple methods of assessment to engage learners in their own growth, to monitor learner progress, and to guide the teacher’s and learner’s decision making. *Texas Teacher Practice Standards: 1.6, 5.1, 5.2, 5.3, 5.4, 6.2*

Standard #7: Planning for Instruction. The teacher plans instruction that supports every student in meeting rigorous learning goals by drawing upon knowledge of content areas, curriculum, cross-disciplinary skills, and pedagogy, as well as knowledge of learners and the community context. *Texas Teacher Practice Standards: 1.1, 1.2, 1.3, 5.1, 5.3, 5.4*

Standard #8: Instructional Strategies. The teacher understands and uses a variety of instructional strategies to encourage learners to develop deep understanding of content areas and their connections, and to build skills to apply knowledge in meaningful ways. *Texas Teacher Practice Standards: 1.4, 1.5, 1.6, 5.4*

Standard #9: Professional Learning and Ethical Practice. The teacher engages in ongoing professional learning and uses evidence to continually evaluate his/her practice, particularly the effects of his/her choices and actions on others (learners, families, other professionals, and the community), and adapts practice to meet the needs of each learner. *Texas Teacher Practice Standards: 3.2, 3.3, 6.1, 6.2, 6.4*
Standard #10: Leadership and Collaboration. The teacher seeks appropriate leadership roles and opportunities to take responsibility for student learning, to collaborate with learners, families, colleagues, other school professionals, and community members to ensure learner growth, and to advance the profession. Texas Teacher Practice Standards: 6.3, 6.4

Standard #11: Technology. The teacher is able to create, implement, and evaluate technology to enhance teaching, student learning, and other obligations (e.g. reports, grades, tests, etc.) required of teachers. Texas Teacher Practice Standards: 1.5
(a) Purpose. The standards identified in this section are performance standards to be used to inform the training, appraisal, and professional development of teachers.

(b) Standards.

(1) Standard 1: Instructional Planning and Delivery. Teachers demonstrate their understanding of instructional planning and delivery by providing standards-based, data-driven, differentiated instruction that engages students, makes appropriate use of technology, and makes learning relevant for today's learners.

(A) Teachers design clear, well organized, sequential lessons that build on students' prior knowledge.

(i) Teachers develop lessons that build coherently toward objectives based on course content, curriculum scope and sequence, and expected student outcomes.

(ii) Teachers effectively communicate goals, expectations, and objectives to help all students reach high levels of achievement.

(iii) Teachers connect students' prior understanding and real-world experiences to new content and contexts, maximizing learning opportunities.

(B) Teachers design developmentally appropriate, standards-driven lessons that reflect evidence-based best practices.

(i) Teachers plan instruction that is developmentally appropriate, is standards driven, and motivates students to learn.

(ii) Teachers use a range of instructional strategies, appropriate to the content area, to make subject matter accessible to all students.

(iii) Teachers use and adapt resources, technologies, and standards-aligned instructional materials to promote student success in meeting learning goals.

(C) Teachers design lessons to meet the needs of diverse learners, adapting methods when appropriate.

(i) Teachers differentiate instruction, aligning methods and techniques to diverse student needs, including acceleration, remediation, and implementation of individual education plans.

(ii) Teachers plan student groupings, including pairings and individualized and small-group instruction, to facilitate student learning.

(iii) Teachers integrate the use of oral, written, graphic, kinesthetic, and/or tactile methods to teach key concepts.

(D) Teachers communicate clearly and accurately and engage students in a manner that encourages students' persistence and best efforts.

(i) Teachers ensure that the learning environment features a high degree of student engagement by facilitating discussion and student-centered activities as well as leading direct instruction.
(ii) Teachers validate each student's comments and questions, utilizing them to advance learning for all students.

(iii) Teachers encourage all students to overcome obstacles and remain persistent in the face of challenges, providing them with support in achieving their goals.

(E) Teachers promote complex, higher-order thinking, leading class discussions and activities that provide opportunities for deeper learning.

(i) Teachers set high expectations and create challenging learning experiences for students, encouraging them to apply disciplinary and cross-disciplinary knowledge to real-world problems.

(ii) Teachers provide opportunities for students to engage in individual and collaborative critical thinking and problem solving.

(iii) Teachers incorporate technology that allows students to interact with the curriculum in more significant and effective ways, helping them reach mastery.

(F) Teachers consistently check for understanding, give immediate feedback, and make lesson adjustments as necessary.

(i) Teachers monitor and assess student progress to ensure that their lessons meet students' needs.

(ii) Teachers provide immediate feedback to students in order to reinforce their learning and ensure that they understand key concepts.

(iii) Teachers adjust content delivery in response to student progress through the use of developmentally appropriate strategies that maximize student engagement.

2) Standard 2: Knowledge of Students and Student Learning. Teachers work to ensure high levels of learning, social-emotional development, and achievement outcomes for all students, taking into consideration each student's educational and developmental backgrounds and focusing on each student's needs.

(A) Teachers demonstrate the belief that all students have the potential to achieve at high levels and support all students in their pursuit of social-emotional learning and academic success.

(i) Teachers purposefully utilize learners' individual strengths as a basis for academic and social-emotional growth.

(ii) Teachers create a community of learners in an inclusive environment that views differences in learning and background as educational assets.

(iii) Teachers accept responsibility for the growth of all of their students, persisting in their efforts to ensure high levels of growth on the part of each learner.

(B) Teachers acquire, analyze, and use background information (familial, cultural, educational, linguistic, and developmental characteristics) to engage students in learning.

(i) Teachers connect learning, content, and expectations to students' prior knowledge, life experiences, and interests in meaningful contexts.
(ii) Teachers understand the unique qualities of students with exceptional needs, including disabilities and giftedness, and know how to effectively address these needs through instructional strategies and resources.

(iii) Teachers understand the role of language and culture in learning and know how to modify their practices to support language acquisition so that language is comprehensible and instruction is fully accessible.

(C) Teachers facilitate each student's learning by employing evidence-based practices and concepts related to learning and social-emotional development.

(i) Teachers understand how learning occurs and how learners develop, construct meaning, and acquire knowledge and skills.

(ii) Teachers identify readiness for learning and understand how development in one area may affect students' performance in other areas.

(iii) Teachers apply evidence-based strategies to address individual student learning needs and differences, adjust their instruction, and support the learning needs of each student.

(3) Standard 3--Content Knowledge and Expertise. Teachers exhibit a comprehensive understanding of their content, discipline, and related pedagogy as demonstrated through the quality of the design and execution of lessons and their ability to match objectives and activities to relevant state standards.

(A) Teachers understand the major concepts, key themes, multiple perspectives, assumptions, processes of inquiry, structure, and real-world applications of their grade-level and subject-area content.

(i) Teachers have expertise in how their content vertically and horizontally aligns with the grade-level/subject-area continuum, leading to an integrated curriculum across grade levels and content areas.

(ii) Teachers identify gaps in students' knowledge of subject matter and communicate with their leaders and colleagues to ensure that these gaps are adequately addressed across grade levels and subject areas.

(iii) Teachers keep current with developments, new content, new approaches, and changing methods of instructional delivery within their discipline.

(B) Teachers design and execute quality lessons that are consistent with the concepts of their specific discipline, are aligned to state standards, and demonstrate their content expertise.

(i) Teachers organize curriculum to facilitate student understanding of the subject matter.

(ii) Teachers understand, actively anticipate, and adapt instruction to address common misunderstandings and preconceptions.

(iii) Teachers promote literacy and the academic language within the discipline and make discipline-specific language accessible to all learners.

(C) Teachers demonstrate content-specific pedagogy that meets the needs of diverse learners, utilizing engaging instructional materials to connect prior content knowledge to new learning.

(i) Teachers teach both the key content knowledge and the key skills of the discipline.
(ii) Teachers make appropriate and authentic connections across disciplines, subjects, and students' real-world experiences.

(4) Standard 4. Learning Environment. Teachers interact with students in respectful ways at all times, maintaining a physically and emotionally safe, supportive learning environment that is characterized by efficient and effective routines, clear expectations for student behavior, and organization that maximizes student learning.

(A) Teachers create a mutually respectful, collaborative, and safe community of learners by using knowledge of students' development and backgrounds.

(i) Teachers embrace students' backgrounds and experiences as an asset in their learning environment.

(ii) Teachers maintain and facilitate respectful, supportive, positive, and productive interactions with and among students.

(iii) Teachers establish and sustain learning environments that are developmentally appropriate and respond to students' needs, strengths, and personal experiences.

(B) Teachers organize their classrooms in a safe and accessible manner that maximizes learning.

(i) Teachers arrange the physical environment to maximize student learning and to ensure that all students have access to resources.

(ii) Teachers create a physical classroom set-up that is flexible and accommodates the different learning needs of students.

(C) Teachers establish, implement, and communicate consistent routines for effective classroom management, including clear expectations for student behavior.

(i) Teachers implement behavior management systems to maintain an environment where all students can learn effectively.

(ii) Teachers maintain a strong culture of individual and group accountability for class expectations.

(iii) Teachers cultivate student ownership in developing classroom culture and norms.

(D) Teachers lead and maintain classrooms where students are actively engaged in learning as indicated by their level of motivation and on-task behavior.

(i) Teachers maintain a culture that is based on high expectations for student performance and encourages students to be self-motivated, taking responsibility for their own learning.

(ii) Teachers maximize instructional time, including managing transitions.

(iii) Teachers manage and facilitate groupings in order to maximize student collaboration, participation, and achievement.

(iv) Teachers communicate regularly, clearly, and appropriately with parents and families about student progress, providing detailed and constructive feedback and partnering with families in furthering their students' achievement goals.
(5) **Standard 5--Data-Driven Practice.** Teachers use formal and informal methods to assess student growth aligned to instructional goals and course objectives and regularly review and analyze multiple sources of data to measure student progress and adjust instructional strategies and content delivery as needed.

(A) Teachers implement both formal and informal methods of measuring student progress.

(i) Teachers gauge student progress and ensure student mastery of content knowledge and skills by providing assessments aligned to instructional objectives and outcomes that are accurate measures of student learning.

(ii) Teachers vary methods of assessing learning to accommodate students' learning needs, linguistic differences, and/or varying levels of background knowledge.

(B) Teachers set individual and group learning goals for students by using preliminary data and communicate these goals with students and families to ensure mutual understanding of expectations.

(i) Teachers develop learning plans and set academic as well as social-emotional learning goals for each student in response to previous outcomes from formal and informal assessments.

(ii) Teachers involve all students in self-assessment, goal setting, and monitoring progress.

(iii) Teachers communicate with students and families regularly about the importance of collecting data and monitoring progress of student outcomes, sharing timely and comprehensible feedback so they understand students' goals and progress.

(C) Teachers regularly collect, review, and analyze data to monitor student progress.

(i) Teachers analyze and review data in a timely, thorough, accurate, and appropriate manner, both individually and with colleagues, to monitor student learning.

(ii) Teachers combine results from different measures to develop a holistic picture of students' strengths and learning needs.

(D) Teachers utilize the data they collect and analyze to inform their instructional strategies and adjust short- and long-term plans accordingly.

(i) Teachers design instruction, change strategies, and differentiate their teaching practices to improve student learning based on assessment outcomes.

(ii) Teachers regularly compare their curriculum scope and sequence with student data to ensure they are on track and make adjustments as needed.

(6) **Standard 6--Professional Practices and Responsibilities.** Teachers consistently hold themselves to a high standard for individual development, pursue leadership opportunities, collaborate with other educational professionals, communicate regularly with stakeholders, maintain professional relationships, comply with all campus and school district policies, and conduct themselves ethically and with integrity.

(A) Teachers reflect on their teaching practice to improve their instructional effectiveness and engage in continuous professional learning to gain knowledge and skills and refine professional judgment.

(i) Teachers reflect on their own strengths and professional learning needs, using this information to develop action plans for improvement.
(ii) Teachers establish and strive to achieve professional goals to strengthen their instructional effectiveness and better meet students' needs.

(iii) Teachers engage in relevant, targeted professional learning opportunities that align with their professional growth goals and their students' academic and social-emotional needs.

(B) Teachers collaborate with their colleagues, are self-aware in their interpersonal interactions, and are open to constructive feedback from peers and administrators.

(i) Teachers seek out feedback from supervisors, coaches, and peers and take advantage of opportunities for job-embedded professional development.

(ii) Teachers actively participate in professional learning communities organized to improve instructional practices and student learning.

(C) Teachers seek out opportunities to lead students, other educators, and community members within and beyond their classrooms.

(i) Teachers clearly communicate the mission, vision, and goals of the school to students, colleagues, parents and families, and other community members.

(ii) Teachers seek to lead other adults on campus through professional learning communities, grade- or subject-level team leadership, committee membership, or other opportunities.

(D) Teachers model ethical and respectful behavior and demonstrate integrity in all situations.

(i) Teachers adhere to the educators' code of ethics in §247.2 of this title (relating to Code of Ethics and Standard Practices for Texas Educators), including following policies and procedures at their specific school placement(s).

(ii) Teachers communicate consistently, clearly, and respectfully with all members of the campus community, including students, parents and families, colleagues, administrators, and staff.

(iii) Teachers serve as advocates for their students, focusing attention on students' needs and concerns and maintaining thorough and accurate student records.
