STEP 3

Table 3: Transfer final grades for each of the two categories from Tables 1 and 2, and multiply by the 0.20 for the final weighted grade category.

Category	Weight	Final Grades from Tables 1 & 2	Multiplier	Final Weighted Grade
Student professionalism as evaluated by Internship Site Supervisor; final grade transferred from Table 1	20%		x 0.20 =	<input type="text"/>
Application as evaluated by Internship Site Supervisor; final grade transferred from Table 2	20%		x 0.20 =	<input type="text"/>

STEP 4

Add all final weighted grades in bolded red boxes for the final cumulative grade for the course:

Final Cumulative Grade for Course: _____ + _____ + _____ + _____ =
