

**COLLEGE OF NURSING AND HEALTH SCIENCES**

Bachelor of Science in Kinesiology (EC-12 Physical Education Teacher Certification)

Kinesiology is the study of movement or exercise. The Bachelor of Science degree program in kinesiology, with teaching specialization, prepares for teaching physical education in schools. The person who completes all State requirements will be certified by the State of Texas to teach physical education at all grade levels from early childhood to Grade 12. Study of kinesiology requires a passion for exercise, an appreciation of the health and recreational benefits of regular exercise, and a strong desire to educate others about the benefits and proper uses of exercise, and especially life-long exercise..

**NOTES:**

<sup>1</sup>Students should apply for admission to the School of Education (SOE) during this class as part of Phase 1. Admission to the School of Education is required in order to enroll in any professional education coursework beyond Phase 1. There are NO exceptions to this policy. The application process is explained and all forms are available online ([www.uttyler.edu/education/admission.htm](http://www.uttyler.edu/education/admission.htm)) or from the School of Education advisor (Gayle Ferrell - [gferrell@uttyler.edu](mailto:gferrell@uttyler.edu)).

<sup>2</sup>Before beginning Phase 4, make sure to fill out the SECONDARY and ALL-LEVEL ACADEMIC ADVISOR CHECKLIST FOR STUDENT TEACHING APPLICATIONS.

*This is only a recommended outline. Because degree requirements do change, you should consult an advisor as well as the University Catalog, which is the only official document regarding baccalaureate degree requirements.*
