A tall, illuminated clock tower stands against a dark blue twilight sky. The tower is lit from within, casting a warm glow. At the top, a clock face is visible, showing the time as approximately 10:10. Below the clock face, several large bells are visible, hanging from the tower's structure. The tower is surrounded by dark silhouettes of trees. The text "THE TIME IS NOW!" is overlaid in a large, yellow, serif font across the middle of the image.

THE TIME IS NOW!

BUILDING OUR FUTURE

The University of Texas at Tyler Construction Management Program

Texas Greetings:

Join me in building the next great Construction Management Program here at The University of Texas at Tyler. As new director my goal is to build a sizable and premier Construction Management program. The intention is to graduate tomorrow's construction leaders in great enough numbers to enable industry a real recruiting opportunity. Our graduates are autonomous professionals with leadership abilities and have a Texas work ethic and a "Get It Done" attitude. I hope you will become one of our 100 Corporate Founders. Please contact me for more information.

Sincerely,

Dr. John W. Martin, Professor & Program Director
