## **Core Curriculum Notes:**

- (1) Students transferring to UT Tyler as “core complete” do not have to satisfy the core curriculum requirements.
- (2) In the Mathematics category, there are several other options for students who are not math majors (such as college algebra, statistics, trigonometry, etc), but **math majors must take MATH 2413 and MATH 2414.**
- (3) Students planning to focus on applied mathematics are encouraged to take PHYS 2325/2125; PHYS 2326/2126 for their Lab Science.
