COURSE DESCRIPTION:

Students rehearse and perform standard and contemporary repertoire for jazz ensemble. Special emphasis is given to interactive playing, some improvisation, and developing appropriate stylistic competency and techniques.

COURSE OBJECTIVES:

Upon successful completion of this course, the student will be able to demonstrate the following learning outcomes:

1. Demonstrate rudimentary understanding of basic jazz chord notation and its various scalar components.
2. Demonstrate knowledge of jazz style and important historical aspects as they relate to the appropriate subject.
3. Apply proper jazz style and interpretation into performance practice.
4. Recognize and use the appropriate rhythmic patterns and articulations for any given jazz style.
5. Combine aural, written, and cognitive skills acquired to formulate their own unique interpretation of jazz improvisation and evaluate their success.

PREREQUISITES:

Students will need to have previous performance experience and study on their instrument.

REQUIRED COURSE MATERIAL:

- Your instrument and any music required as announced in class.
- If you do not have your music or required materials, you will be marked absent for that rehearsal.
- Mutes, doubles, reeds, cords (any required necessities per instrument are required at participants expense.)

Grading Scale

Grading Scale
90-100% = A
80-89% = B
70-79% = C
60-69% = D
59%-below = F

Grades will be determined based on:

- Attendance
- Rehearsal preparedness and etiquette
- Concert Performance
- Participation in weekly sectionals

Attendance (10 pts. each rehearsal)	20%
Rehearsals	25%
Concerts	30%
Sectionals	25%

ATTENDANCE POLICY

If you must miss a rehearsal for an excused reason, you are expected to notify the professor ahead of time. If you do not get prior authorization from the professor *in writing* or *via email*, your grade will be reduced for each occurrence. Attendance at all concerts is required. If you miss a concert you will fail the course. Attendance will be taken each period. A late arrival (tardy) will be recorded if you are not ready to perform at the start of the class period. Three tardies will amount to one unexcused absence. Each unexcused absence from rehearsal will lower the semester grade by one full letter. More than three unexcused absences shall give cause for consideration of dismissal from the ensemble. In such cases, a semester grade of "F" will be assigned. An unexcused from a performance shall result in the grade of "F" for the semester, and possible dismissal from the ensemble. Punctual attendance is expected as an indication of professionalism and personal commitment to the profession and to the university.

Acceptable reasons for absence or tardiness are limited to severe illness, family emergencies, and University sponsored activities. In the event of family emergencies, the student is asked to provide a note indicating the nature of the emergency and the duration of the absence. In cases of extended or excessive instances of illness, the student shall provide a note from the university health clinic or private doctor indicating the nature of the illness and length of absence. In all cases, students are requested to leave a phone message or electronic message with the ensemble director prior to, or as soon as possible after, the specified rehearsal.

All performances and dress rehearsals are MANDATORY.

REHEARSALS

Students should arrive in time to be warmed up and ready to start at 1:25 p.m. Each member of the ensemble will be responsible for music, all peripherals (mutes, doubles, reeds, cords, etc.), and a pencil. These items will be checked and factored into a daily grade given per rehearsal. In addition, students' preparedness and ability to execute his/her music along with their rehearsal etiquette will factor into the daily grade.

SECTIONALS

Weekly sectionals are expected to occur for all sections. No exceptions. These will be run by designated section leaders. Appropriate selections will be specified to rehearse in sectionals. Each section leader will keep track of section's attendance and report to the professor. Rehearsal etiquette and punctuality will be factored into the weekly sectional grade.

CONCERTS

All dress rehearsals and performances are mandatory. It is imperative students to keep all dates listed below free and clear from any other obligations as this class is primarily based on performance. If the student has a conflict due to a University evening class, it is his or her responsibility to present the "activities letter" to their professor prior to the date of the conflict and acquire all necessary homework in advance of missing the class.

Grades for concerts will not only be based on students' individual performances, but will also include students' attitude and willingness to help the group setup and tear down equipment.

Grade Replacement/Forgiveness and Census Date Policies

Students repeating a course for grade forgiveness (grade replacement) must file a Grade Replacement Contract with the Enrollment Services Center (ADM 230) on or before the Census Date of the semester in which the course will be repeated. (For Fall, the Census Date is Sept. 12.) Grade Replacement Contracts are available in the Enrollment Services Center or at <http://www.uttyler.edu/registrar>. Each semester's Census Date can be found on the Contract itself, on the Academic Calendar, or in the information pamphlets published each semester by the Office of the Registrar. Failure to file a Grade Replacement Contract will result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade replacement for only three course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract. The Census Date (Sept. 12th) is the deadline for many forms and enrollment actions of which students need to be aware. These include:

- Submitting Grade Replacement Contracts, Transient Forms, requests to withhold directory information, approvals for taking courses as Audit, Pass/Fail or Credit/No Credit.
- Receiving 100% refunds for partial withdrawals. (There is no refund for these after the Census Date)
- Schedule adjustments (section changes, adding a new class, dropping without a "W" grade)
- Being reinstated or re-enrolled in classes after being dropped for non-payment
- Completing the process for tuition exemptions or waivers through Financial Aid

State-Mandated Course Drop Policy

Texas law prohibits a student who began college for the first time in Fall 2007 or thereafter from dropping more than six courses during their entire undergraduate career. This includes courses dropped at another 2-year or 4-year Texas public college or university. For purposes of this rule, a dropped course is any course that is dropped after the census date (See Academic Calendar for the specific date). Exceptions to the 6-drop rule may be found in the catalog. Petitions for exemptions must be submitted to the Enrollment Services Center and must be accompanied by documentation of the extenuating circumstance. Please contact the Enrollment Services Center if you have any questions.
