

POINT SYSTEM

Cumulative GPA multiply by 4

Prerequisite GPA multiply by 8

Prerequisite Course Grades (all course grades will be used, including repeats)

A = 4; B = 3; C = 2; D = -1; F = -2

For each repeated Prerequisite Course subtract 1 point

5 point for all core curriculum and prerequisites complete or 3 points for all core curriculum or 2 points for all prerequisites

2 points for Associates degree; 3 points for Bachelor degree; 4 points for Bachelor and Master degree

2 points for no more than 15 semester hours in progress

multiply TEAS math percent by 3 and TEAS reading percent by 5

Total number possible points: 100
