NURS 4234.061 WEB Course - Issues in Professional Practice

SEMESTER CREDIT HOURS
Two didactic hours

PREREQUISITES
Successful completion of all courses through Semester III for RN-BSN students.

COURSE DESCRIPTION
This course synthesizes the ethical/legal concepts related to the roles of the registered nurse. Emphasis is on professional values and value-based behaviors as a member of the profession.

COURSE STUDENT LEARNING OUTCOMES
Upon successful completion of the course, students will have demonstrated the ability to:
1. Assume responsibility for continuing professional development.
2. Analyze the level of self-knowledge needed to carry out the professional role and leadership skills necessary to the delivery of care in a complex society.
3. Utilize nursing knowledge and the decision making processes derived from evidenced based research findings to address contemporary issues and problems in health care.
5. Describe the impact of health policy, finances, and regulatory agencies on the delivery of healthcare.
6. Appraise health care issues through utilization of the processes of critical thinking and interpersonal caring to diverse populations across the lifespan.
7. Synthesize professional standards that support moral/ethical/legal principles in response to global health care needs.
8. Integrate knowledge, skills and attitudes to address nursing practice issues that reflect ethical decision making.

UNIVERSITY POLICIES
University policies regarding students’ rights and responsibilities, absence for religious observance, absence for university-supported trips, services to students with disabilities, grade replacement, state-mandated course drop policy, social security and privacy, and emergency evacuation may be found at http://www.uttyler.edu/academicaffairs/syllabuspolicies.pdf and University Student Handbook: http://www2.uttyler.edu/mopp/
Disability Statement
In accordance with Section 504 of the Rehabilitation Act, Americans with Disabilities Act (ADA) and the ADA Amendments Act (ADAAA) the University offers accommodations to students with learning, physical and/or psychiatric disabilities. If you have a disability, including non-visible disabilities such as chronic diseases, learning disabilities, head injury, PTSD or ADHD, or you have a history of modifications or accommodations in a previous educational environment you are encouraged to contact the Student Accessibility and Resources office and schedule an interview with the Accessibility Case Manager/ADA Coordinator, Cynthia Lowery Staples. If you are unsure if the above criteria apply to you, but have questions or concerns please contact the SAR office. For more information or to set up an appointment please visit the SAR office located in the University Center, Room 3150 or call 903.566.7079. You may also send an email to: cstaples@uttyler.edu. Additional information may also be obtained at the following UT Tyler WEB address: www.uttyler.edu/disabilityservices

EXAMINATIONS/ASSIGNMENTS AND GRADING POLICY:
Completion of NURS 4234.061 is based on satisfactory attainment of all course criteria. Any student failing to meet the course objectives and expectations must repeat the course and may not progress to the next level and/or meet graduation requirements.

1. Course Grade Calculation: Students will have course grades calculated based on the weighted calculation of exams and other required course work. The weighted calculation must be 75% or above to pass the course.

PAPER/ASSIGNMENT RE-GRADING POLICY
Student assignments will not be re-graded.
GRADE REPLACEMENT POLICY
If you are repeating this course for a grade replacement, you must file an intent to receive grade forgiveness with the Office of the Registrar by the Census Date (see Academic Calendar for date) of the semester in which the course will be repeated. Failure to file intent to use grade forgiveness will result in both the original and repeated grade being used to calculate overall grade point average. Undergraduates will receive grade forgiveness (grade replacement) for only three course repeats; graduates, for two course repeats during his/her career at UT Tyler.

EXAMINATION AND EXAMINATION REVIEW POLICY
1. Completion of exams and assignments are mandatory to ensure compliance with course expectations.
2. Exams will be administered online through Blackboard Respondus Lockdown Browser. A test blueprint will be posted prior to each exam.
3. Exams must be taken within the announced timeframe. Make-up time for an exam will be given at the discretion of faculty. If a student cannot complete an exam during the scheduled timeframe, the student must notify faculty in advance with an acceptable reason. Failure to notify faculty of the need to take an exam on an alternate date or time will result in a grade of 0 for that exam.
4. Exam reviews may be scheduled with faculty during office hours within 10 school days from the return of exam grades.

ACADEMIC INTEGRITY
1. Students are expected to assume full responsibility for the content and integrity of all academic work submitted as assignments and examinations.
2. Students are advised to review the Scholastic Conduct and Discipline Policy in the current CON Guide for Baccalaureate Students and UT Tyler Student Conduct and Discipline Policy. These policies are fully endorsed and enforced by all faculty members within the College of Nursing.
3. Plagiarism, cheating and collusion are unacceptable and if found violating any of these standards the student will be disciplined accordingly (see Guide for Baccalaureate Students for definitions).
4. The CON has the right to dismiss students from the program for any infraction of a legal, moral, social, or safety nature, pursuant to the procedures detailed in the Regent’s Rules.

EXPECTATIONS OF STUDENTS IN NURS 4234
1. Students are responsible for all course assignments and content, including announcements, posted to Blackboard.
2. Weekly content, including Tegrity lectures, will be posted on Blackboard by 9am on the Friday prior to the week of required student review. To succeed in the course, Tegrity lectures must be reviewed.
3. Specific information and requirements for the Ethics Analysis Paper and other course assignments will be posted to Blackboard.
4. Late assignments will only be accepted at the discretion of faculty:
   There will be a 5 point penalty for assignments submitted after the due time unless special permission obtained from faculty.
   There will be a 10 point penalty each day for assignments submitted after the due date unless special permission obtained from faculty.
5. All submitted written material (papers, assignments, examinations, etc.) are the property of the College of Nursing.
6. Communication with faculty will be via phone, email or scheduled appointment. Students are required to use their student Patriot email accounts for all correspondence. Email communication should include NURS 4234 WEB in the subject line. Students are expected to check their university email at least every two business days. Faculty will respond to email correspondence within two business days.
