University Of Texas At Tyler Intramural Handbook

Welcome to The University of Texas at Tyler and our Recreational Sports Department. Intramural Sports at UT Tyler provide broad recreational and competitive opportunities for the university community through team and individual sports and special event activities. Events are offered on a voluntary basis. All programs and scheduling is arranged to coincide with the participant's leisure time. This handbook should answer many questions you have about the program. Any other information not covered in the handbook can be obtained by contacting the Recreational Sports Office in HPC 1120.

Participation in our Intramural program will bring various benefits to those who participate. Various skill and competition levels will be accommodated. We hope every participant will be able to accept and recognize these differences, while continually competing with good sportsmanship in mind.

Our multi-faceted program seeks to incorporate individual, dual, and team activities. All students, faculty, and staff are eligible to participate in our program. Program offerings will be modified as participant needs and interests change.

By reading this handbook, you can learn more about participating as an individual or with a team.

I. Team Sportsmanship

- The Sportsmanship Policy is an objective means for assessing the behavior of teams through an Intramural sports season. Each team receives a rating from the game officials, scorekeeper, and/or site supervisor for each game they play. The game rating reflects the behavior of the team and its' spectators collectively. The policy is designed to place responsibility for sportsmanship on team members. Team captains will be held responsible for the behavior of their team's players and spectators.

• Sportsmanship Rating Procedure

The purpose of the Sportsmanship rating is to provide common ground for participants and Recreational Sports staff to ensure that good sportsmanship occurs in Intramural sports. Following each contest the officials, scorekeeper, and site supervisor rate team behavior and sportsmanship.

- Sportsmanship Rating will be based on the following grading scale:
- A team must finish the regular season with at least a 3.0 average in the Sportsmanship Rating in order to be eligible to make the playoffs.

J. Individual Sportsmanship:

- Any player who is Ejected or receives two Warnings (= to an Ejection), in the same game, will not be eligible to participate in their team's next scheduled contest. It is recommended that these individuals contact the intramural sports office to distinguish, based upon the ejected player's actions, whether or not further action may be taken.
- Individual points for sportsmanship will be assessed as follows:

Ejection = 2 Points

Warning = 1 Point

Below Acceptable	2.5 to 1.5	Negative	Team shows continuous verbal dissent toward officials and/or the opposing team which may or may not warrant a warning card.
