Jump Start 2018 Program Summary:
1. For TSI Complete students only. If you are not TSI complete and wish to participate, you will need to become complete before June 1, 2018. Specific questions about how to become TSI complete can be directed to Alicia Krenek (TSI Coordinator) at akrenek@uttyler.edu or 903-565-5947.
2. Application deadline for 2018 Jump Start is June 1, 2018. To apply, you simply need to call or email me using my contact information shown below.
3. Starts during the second summer semester, July 9, 2018 and concludes August 11, 2018.
4. Participants will take two of the following: English 1301 (College Composition I) or MATH 2312 (Pre-Calculus) and Political Science 2306 (Texas Politics).
5. Students will have the opportunity for tutoring in both subjects each day – easy access and free of charge.
6. Students will have a daily PASSages success seminar (UNIV 1000) designed to give you the tools you need to succeed in college. This is a no credit, no fee course required for all Jump Start participants.
7. Those living outside of a 50 mile radius of Tyler will be housed in Eagles’ Landing. Those within the 50 mile radius can choose not to live on campus, yet they are welcome to if so desired. Students will remain in Eagles’ Landing for the fall semester as well. The link to register for your Jump Start housing can be accessed through myUTTyler.edu. Once you log in, select “System Access”, then click “On Campus Housing”.
8. There is a special housing rate for Jump Start participants during the summer II semester, and these rates are shown on the attachment to this message. These rates represent a significant discount from the normal semester rate.
9. 2017 – 2018 financial aid will be accepted for this summer 2018 semester, so students will need to apply for ’17 – ’18 financial aid separately from the 2018 – ’19 you have completed for your fall ’18 semester.
10. The Summer 2018 tuition and fee schedule can be found by using the following link: https://www.utttyler.edu/catalog/tuition/files/tuition-fee-schedule-summer.pdf

11. Jump Start participants will need to register for a New Patriot Orientation session. Since these occur on Thursdays and Fridays, it will be best if you choose a session before July 9th so as not to conflict with your summer II classes. It is during this orientation that you will enroll for your Fall 2018 classes. To register for New Patriot Orientation, please follow this link: http://www.utttyler.edu/orientation/register.php.

12. Jump Start participants will be required to attend the Jump Start orientation on Sunday, July 8th at 6:00pm. More details will follow about this activity.

13. Jump Start will include occasional group activities in the evenings to get to know UT Tyler’s campus, Tyler and your classmates.

14. There are no meal plans offered during the summer, yet several of our campus dining facilities will be open. Also, the Eagles’ Landing apartments have kitchens to make meal preparation possible.

15. Students who are scholarship recipients are eligible to participate in Jump Start, yet you need to be aware that scholarship monies are not effective until the fall semester begins. This means that all summer Jump Start expenses would be paid out of pocket (or covered through financial aid as discussed above).

16. Participation helps you build a firm foundation for the rest of your college career.
