Spring Semester
Student Course Evaluations

April 13 – May 2, 2015

UT Tyler will open the student course evaluation system for three weeks, beginning 12:01 a.m., Monday, April 13, 2015.

The evaluation period closes at 11:59 p.m., Saturday, May 2.

- To evaluate instruction in courses, go to myUTTyler on the UT Tyler website.
- Click on the Student Home Page tab.
- Look for the System Access box on the upper right of the page.
- Evaluate My Courses link will be just under the Apply for Scholarships link.
- Complete the easy 16-question online evaluation for each course.

When you complete all of your course evaluations by May 2, the university will grant “priority access” to view your semester grades on myUTTyler at 12:01 a.m., Thursday, May 7 (or when Registrar grade processing is complete).

Students who do not complete course evaluations by the end of the day May 2 must wait until 12:01 a.m. Wednesday, May 13 to have traditional access to grades through either myUTTyler or Blackboard.

If you have no courses eligible for evaluation, you will have early access to your grades at 12:01 a.m., Thursday, May 7 (or when Registrar grade processing is complete).

Evaluations are anonymous, and instructors have no ability to view individual responses. Once compiled, results are added to the university’s existing Faculty Evaluations website. A high response rate is important so that the results posted are representative of the views of the entire student body.

If you experience difficulties in completing the course evaluations in myUTTyler, please use instructorevals@uttyler.edu to report the problem.
