80% - 89.9% = B
70% - 79.9% = C
60% - 69.9% = D
0 – 60% = F

Weights for Assessment	
Canvas self-introduction	10 pts
Class participation	50 pts
Exams (100 pts each)	300 pts
Connect homework	150 pts
Simulations (30 pts each)	90 pts
Project	200 pts
Total:	800 pts

**(1) Canvas Self-Introduction**

Communication is an important part of marketing. Let's start our class with self-introduction and communication. The self-introduction may include but not limited to, your name, where you are from, your academic plans and goals, hobbies and personal interests, and don't forget to attach a picture of yourself. In addition, please reply to at least one another student. I look forward to knowing each of you! **Please post your self-introduction by Sunday Jan 21 11:59pm.**

**(2) Class attendance**

The attendance is mandatory because students are more likely to succeed in academics when they attend school consistently. It's difficult for the professor and the class to build their skills and progress if students are frequently absent. **If you miss three classes consecutively, your class attendance is 0. If**

**you miss five classes consecutively, you will need to drop the class. If you think you have difficulty in attending the class meetings, please enroll in the online section instead of face to face class.**

### (3) Exams

All exams will be ONLINE. Each exam is open 5 days during the exam weeks (Week 4, 8, 12), you have ONE ATTEMPT to finish. **No class meetings during the exam week.** Each exam consists of 50 multiple-choice questions, with 80 minutes allowed to complete each exam. It's being said, you need to finish it within 80 minutes after you start it. Exams are closed book and individual.

**Exams 1, 2, & 3 are REQUIRED. Exam 4 is OPTIONAL.** Exam 4 can be considered when you are not satisfied with one of the three exam scores. If you achieve a higher score on Exam 4, I will remove the lowest score among the first 3 exams and your Exam 4 score will be counted toward the final. So it's a great opportunity to take Exam 4 to boost your grade. However, **Exam 4 score cannot be used to replace a missed exam because Exam 1, 2, & 3 are REQUIRED.**

**NO MAKE-UP EXAM** unless a document for an excuse is submitted to the instructor before the exam.

- Exam 1 (CH 1-4) - Week 4 (2/5-9)
- Exam 2 (CH 5-8) - Week 8 (3/4-8)
- Exam 3 (CH 9-12) - Week 12 (4/8-12)
- **\*\*OPTIONAL\*\*** Exam 4 (CH 15-17) – Week 15 (4/29-5/2)

### (4) Connect homework

You are required to do online connect homework for 15 chapters in the textbook. These practice questions will give you immediate feedback on what you have learned from reading and lectures, and will also strengthen memory recall, improve course retention and boost grades. The questions will adjust to the level of difficulty needed.

**Assessment Method:** Connect homework are objective-formatted questions. Your points are weighted to 10 points per chapter or 150 pts total. You will receive your grades immediately right after the completion of each assignment.

**Tips for success:** Meeting the deadline is extremely important. If you finish these homework on time, your homework grade is 100%. Otherwise, your grade will be partial or even ZERO depending on the time you start and finish. In other words, the deadlines are firm. DO NOT ask for homework make-up because these connect homework are open for the whole semester. But your grade will be ZERO if you cannot meet the deadline.

- Set I: Chapter 1-4. Deadline: 2/4 11:59pm.
- Set II: Chapter 5-8. Deadline: 3/3 11:59pm.
- Set III: Chapter 9-12. Deadline: 4/7 11:59pm.
- Set IV: Chapter 13-15. Deadline: 4/28 11:59pm.

**I have reserved THREE homework catch up days for you during the semester to make sure everyone finish the assigned homework on time. NO class on homework catch up days. Late work is not acceptable. No one is allowed to makeup missed homework.**

**(5) McGraw Hill Simulation Games**

McGraw Hill games are application based activities. The simulations provide opportunities for students to apply learning in experiential situations that mimic “real-life” scenarios. Students can earn up to 30 points for each game.

- Game 1: Consumer Behavior
- Game 2: Product Development
- Game 3: Pricing

**(6) Project**

The instruction of the project will be discussed in class. The project will be evaluated in terms of participation & presentation (100 pts), and project submission (100 pts).

**Project Participation & Presentation (100 pts):**

Groups are established at the beginning of the semester and each group should consist of about 5-6 students depending on the class size. **There will be THREE group meetings during the semester.** Group members make a decision where to meet, e.g., the library, Starbucks, bookstore, or even online via Zoom. **No class meeting on the group meeting days, relax and have fun with your friends, and get the assigned job done. Each group must email the professor their completed draft at the end of the group meeting day for feedback.**

Each group member is expected to contribute equally to the project. *If half of your group members complain about your contribution, you will either be removed out of the group or your grade will be at least 30% lower than your group members.* The responsibilities of the group members are such as actively participate in group meetings, contribute ideas and suggestions, praise and accept the contributions of others, reconcile disagreement and mediate differences, encourage and facilitate interactions from group members, ensure the group completes the tasks before the deadline, etc.

Every group member must present on the presentation day (Week 14). Each group has up to 15 minutes to present. The presenters are expected to deliver the material in a clear and structured manner, are knowledgeable and enthusiastic about the topic, and are able to answer questions effectively.

**Project submission (100 pts):**

Format- font size 12, Times New Roman, double space, APA reference page, list all names on Page 1.

Content- Papers will be graded on the comprehensiveness of the assignment (i.e. covering every element in the assignment), quality of research (using appropriate sources, objective sources), thoroughness of research (quantity of sources), quality of writing, incorporation of marketing terms and concepts in the paper, and originality of your recommendation. See the rubric at the end of the syllabus for specific grading criteria.

Submission- **Submission deadline: 5/12.** Only one member from a group submit the group paper (in its entirety) to the Canvas project submission folder. Your submission will be checked using UNICHECK (previously “Turnitin”). No project will be accepted for grading if the UNICHECK score is greater than 30%. It’s being said, your project will be ZERO if the UNICHECK score is greater than 30%.

**All works/exams must be completed on time. Late works will not be acceptable.**

Any request for a change resulting in an alternate time for an exam will need to be pre-approved prior to the exam in question. Make-up exams could be in an essay format and are considerably more difficult than the actual exam. The essay exam will be due at a time determined by the instructor and communicated to the student with the exam. Whenever possible every effort should be made to take the exam as scheduled.

### **Grade Replacement/Forgiveness and Census Date Policies**

Students repeating a course for grade forgiveness (grade replacement) must file a Grade Replacement Contract with the Enrollment Services Center (ADM 230) on or before the Census Date of the semester in which the course will be repeated. Grade Replacement Contracts are available in the Enrollment Services Center or at <http://www.uttyler.edu/registrar>.

Each semester's Census Date can be found on the Contract itself, on the Academic Calendar, or in the information pamphlets published each semester by the Office of the Registrar.

Failure to file a Grade Replacement Contract will result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade replacement for only three course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract.

The Census Date is the deadline for many forms and enrollment actions that students need to be aware of. These include:

- Submitting Grade Replacement Contracts, Transient Forms, requests to withhold directory

information, approvals for taking courses as Audit, Pass/Fail or Credit/No Credit.

- Receiving 100% refunds for partial withdrawals. (There is no refund for these after the Census Date)

Please contact the Enrollment Services Center if you have any questions.
