International students have many federal regulations to follow, particularly in the area of work authorizations. These can sometimes be confused with the practical training elements in various degree programs. The following information is intended to clarify what is needed for these students and the institution to maintain compliance in various situations.

All F-1 students with off-campus practica/internships, whether paid or unpaid, are now required to obtain authorization from an International Student Advisor before starting.

EMPLOYMENT/OFF-CAMPUS – PRACTICA/INTERNSHIPS

Any services rendered at a site off-campus, whether paid or unpaid:

- Limited to part-time (20 hours or less per week) while school is in session (fall and spring).
- Full-time (anything over 20 hours per week) acceptable during official school breaks (holidays, breaks, summer).
- Work experience must be related to student’s field of study.
- The practica/internship must be tied to a course.
- A practica/internship must be required for all students to graduate or can be used to meet a degree requirement, such as a technical elective.
- The course and the practica/internship must occur in the same semester.
- An International Student Advisor authorization must be given BEFORE work starts.
- A second semester of CPT can be authorized only if there is a second required course.

PROCESS FOR OFF-CAMPUS AUTHORIZATION (CPT) FOR PRACTICA/INTERNSHIPS

- Student enrolls in appropriate course.
- Job is assigned by department or secured by student and determined appropriate by academic department.
- Student completes academic department paperwork.
- Student completes ISSFS CPT Form and submits it to an International Student Advisor (ISA) via email or in person at least 2 business days prior to the job start date Form available on OIP website: [http://www.uttyler.edu/oip/files/cpt-request.pdf](http://www.uttyler.edu/oip/files/cpt-request.pdf).
- ISA reviews submission and, if criteria is met, creates a Form I-20 reflecting CPT authorization for the semester.
- Student uses Form I-20 to prove work authorization to employer, if needed.
ALL OTHER WORK TYPES

Definitions:
- Part-time employment for F-1 students is limited by federal regulations to 20 hours per week (each week, not an average).

EMPLOYMENT/ON-CAMPUS

- Limited to part-time (20 hours or less per week) while school is in session
- Full-time (anything over 20 hours per week) acceptable during official school breaks (holidays, breaks, summer).

No special authorization required for on-campus work, unless student needs to apply for Social Security card.

EMPLOYMENT/OFF-CAMPUS BUT CONSIDERED ON-CAMPUS

An off-campus site can be considered on-campus for F-1 student work purposes IF the entity is educationally affiliated with the school and the established curriculum or related to contractually-funded research projects at the post-graduate level. 8 CFR 214.2(f)(9)(i)
- Organization must be registered with OIP as an educationally-affiliated site.
- Same rules apply as On-campus section
