Type	Name	Rationale of Change Made. For new courses/program, a description of the course/program is included.	Level	Approval Date	Effective Date	Special Notes
Change Course	BIOL 3334 Cell Biology	The prerequisites were changed to include CHEMTRAN 2323/2123 and then clarify that a prerequisites is CHEM 3342/3143 OR CHEMTRAN 2323/2123. This change enables transfer students to take BIOL 3343 without getting a permission code.	UG	11/21/2025	Fall 2026	
Change Course	BIOL 3343 Physiology	The prerequisites were changed to include CHEMTRAN2323/CHEM 2123. This changes enables transfer students to take BIOL 3343 without getting a permission code. This course is only offered in the fall term.	UG	11/20/2025	Fall 2026	
Change Course	BIOL 4300 Microbiology	The prerequisites were changed to include CHEMTRAN 2323/2123 and then clarify that a prerequisites is CHEM 3342/3143 OR CHEMTRAN 2323/2123. This change enables transfer students to take BIOL 4300 without getting a permission code.	UG	11/21/2025	Fall 2026	
Change Course	HIST 3301 Patterns of World History	HIST 3301 serves as a World Topics course allowing faculty to offer a deep dive into a specific subject relevant to world history. This content changes regularly. As a result, given tha thte content can differ substantially from one iteration of HIST 3301 to the next, the Department is allowing students to have the opportunity to take it twice for credit for topic/content changes.	UG	12/1/2025	Spring 2026	
Change Course	HIST 3397 Topics in European History	HIST 3397 serves as a European Topics course allowing faculty to offer a deep dive into a specific subject relevant to European history. This content changes regularly. As a result, given tha thte content can differ substantially from one iteratino of HIST 3397 to the next, the Department is allowing students to have the opportunity to take it twice for credit for topic/content changes.	UG	11/20/2025	Spring 2026	
Change Course	HIST 4397 Topics in US History	HIST 4397 serves as a US History Topics course allowing faculty to offer a deep dive into a specific subject relevant to United States history. This content changes regularly. As a result, given tha thte content can differ substantially from one iteratino of HIST 4397 to the next, the Department is allowing students to have the opportunity to take it twice for credit for topic/content changes.	UG	12/1/2025	Spring 2026	
Change Course	PSYC 4345 Exploring Real World Problems	This is a change in title to clarify the course objectives and content, which is the exploration of the ethics of conducting research with representative populations. The previous title included the phrase "in a diverse world" and with UT Tyler's QEP being solving real world problems, it was determined the new wording was most accurate.	UG	11/20/2025	Spring 2026	
Change Course	SPAN 4370 The Spanish American Short Story	SPAN 4370 prerequisites were changed to not requiring departmental consent. In addition, the course description was changed to add that the course is taught in Spanish.	UG	12/1/2025	Spring 2026	
Change Course	UNIV 1003 University Success for Military Affiliated Students	Due to the college-level and UNIV 1000 courses taught to prepare students for their respective majors, UNIV 1003 can be inactivated as a separate course for military affiliated students.	UG	10/5/2025	Spring 2026	
Change Program	4+1 Industrial Technology BS/Industrial Management MS Option	This change updates the 4+1 catalog language to reflect the new name of the M.S. in Industrial Management to M.S. in Technology Management.	GRAD	11/4/2025	Fall 2026	
Change Program	Accounting Major	This change is comprise of two revisions in the ENTERPRISE subplan under the BBA in Accounting major. Our initial proposal included two directed electives in healthcare...Healthcare Accounting and Healthcare Finance. After consultation with industry experts, we are replacing Healthcare Accounting (not yet created or approved) with Governmental Non Profit (ACCT 4330), an existing course that has been reactivated from archives, and replacing Healthcare Finance with a new course, Healthcare Controllership (ACCT 4371). Healthcare Controllership will require higher-level accounting knowledge necessary to lead the accounting functions in either nonprofit or profit institutions.	UG	9/30/2025	Spring 2026	
Change Program	Art B.A.	This program change creates a new Graphic Design concentration within the B.A. degree. The courses for this new concentration will be selected in collaboration with the Department of Communication.	UG	12/18/2025	Fall 2026	
Change Program	Art B.F.A	This change adds a new concentration, Graphic Design, into the BFA. This specific courses within the Graphic Design concentration will be selected in collaboration with the Department of Communication.	UG	12/18/2025	Fall 2026	
Change Program	Art M.A.	The department removed the completion of the Graduate Record Exam (GRE) admissions requirement for the Master of Arts in Art degree. This change aligns with UT Tyler's strategic plan, particularly in terms of elevating the economic opportunity and social mobility of our students. There has also been a national trend in the MA in Art Programs admissions process moving away from the GRE requirement, reflecting a broader recognition of its limited predictive value for success in art.	GRAD	10/29/2025	Fall 2026	
Change Program	Art M.A.	This second program change changes the art history course requirements for students in the Studio Art concentration. The change will list all four courses within each of the technical elective groups.	GRAD	12/18/2025	Fall 2026	
Change Program	Economics B.A./ B.S.	This change removes COSC 1307: Introduction to Information System Software from the Required Preparation Courses list. The material covered in this course is being embedded into other economics courses.	UG	12/18/2025	Fall 2026	
Change Program	Engineering Leadership M.S.E.L.	The course options available to MSEL students have been expanded to better align with students' diverse professional experiences and educational backgrounds, while continuing to meet the program's business course requirements. The following four courses have been added as approved electives: MANA 5345 – Strategic Leadership Processes, MANA 5350 – Strategic Human Resources Management, MANA 5360 – Global Business Perspectives, and MANA 5395 – Formulating and Implementing Strategy.	GRAD	9/19/2025	Spring 2026	
Change Program	History M.A.	The Master of Arts in History has changed from 36 to 30 hours for students in the thesis track. Students in the non-thesis track still take 36 hours to complete the degree.	GRAD	9/16/2025	Spring 2026	

Change Program	Human Behavior Concentration within Bachelor of Applied Arts and Scie	This program change proposal adds a new track, Educational Studies, to the BAAS program. Having this track enables UT Tyler to support: 1) East Texas school districts to have a way for their working classroom aides to complete a degree program and then move into teaching; and 2) provide a track for students interested in education in K12 and other venues, such as a library or museum educational specialists, to complete a bachelor's degree in their area. For the Educational Studies track, four existing courses are being used, and one new course is being created. The School of Education offers all courses in the Educational Studies track.	UG	11/14/2025	Spring 2026
Change Program	Human Resource Development M.S.	There are major changes in the Master of Science in Human Resource Development degree. All of these changes should not have been done with a Change Program process. Here are the approved changes: 1) Changing the number of technical electives to nine and giving students six specific courses from which to select; 2) Revisions or new certificate programs were made to the following certificates: (a) Leadership Development Certificate, (b) Organizational Certificate, (c) People Analytics Certificate, and (d) Talent Development & Workplace Learning). For the Organization Development Certificate change HRD 5350: Leadership and Ethics in Human Resource Development to MANA 5350: Strategic Human Resource Management.	GRAD	11/21/2025	Spring 2026
Change Program	Human Resource Development Ph.D.	Program change now allows students in the higher education leadership specialization to take dissertation hours before they have completed all other coursework and completed all portions of the Proficiency Examination. This is accomplished by revising the Special Degree Requirements section (see Proficiency Examination notes - bullet #4).	GRAD	10/16/2025	Summer 2026
Change Program	Industrial Management M.S.	The title of the Master of Science in Industrial Management degree was changed to Technology Management in alignment with technology programs across the country. The number of hours in the course is moving from 36 to 30, which six hours of electives being eliminated. In addition, students may now select between TECH 5335: Lean Management or TECH 5336: Lean Healthcare. The allowable substitution of MANA 5350: Strategic Human Resource Management for TECH 5548: Warehousing is eliminated. This substitution prohibited students from earning a Supply Chain Management certificate. The change also recognized the entire degree is offered online.	GRAD	11/4/2025	Fall 2026
Change Program	Mathematics B.S.	This change adds MATH 4380: Modeling and Numerical Analysis to the first tier of technical electives in the Math major. The course will now be offered every other year.	UG	12/18/2025	Fall 2026
Change Program	Mathematics B.S.	This second program change clarifies that students may select either MATH 4373: Partial Differential Equations or MATH 4380: Modeling and Numerical Analysis.	UG	12/18/2025	Fall 2026
Expedited Course	ACCT 3305 Enterprise Accounting I	ACCT 2301 was added as a prerequisite for the course.	UG	11/4/2025	Spring 2026
Expedited Course	ACCT 3411 Intermediate Accounting I	A corequisite of ACCT 2302: Principles of Managerial Accounting [TCCN: ACCT 2302] was added. In addition, a prerequisite of ACCT 2301: Principles of Financial Accounting [TCCN: ACCT 2301]. If ACCT 2302 has been completed, a graduate of C or better must have been earned.	UG	10/7/2025	Spring 2026
Expedited Course	ACCT 5345 Financial Statement Analysis	The proposal changed the course title to Financial Statement Analysis.	GRAD	9/22/2025	Spring 2026
Expedited Course	ALHS 3362 "Behavioral Health" will change to "Socio-Behavioral Aspect:	Changes the title of the course from Behavioral Health to Socio-Behavioral Aspects of Population Health Promotion.	UG	11/19/2025	Fall 2026
Expedited Course	CHEM 1105 Introductory Chemistry for Allied Health Laboratory [TCCN:	The title of the course was changed to Introductory Chemistry for Allied Health Laboratory (TCCN: CHEM 1105)	UG	10/29/2025	Spring 2026
Expedited Course	CHEM 1305 Introductory Chemistry for Allied Health [TCCN: CHEM 130!	The course title was changed to Introductory Chemistry for Allied Health (TCCN:CHEM 1305)	UG	10/29/2025	Spring 2026
Expedited Course	MANA 3318 Project Management Analytics	The course requisites were deleted so any student may take this course.	UG	12/8/2025	Spring 2026
Expedited Course	MARK 5320 Marketing Management	A Change of title to Marketing Management.	GRAD	9/25/2025	Spring 2026
Expedited Course	MENG 3211 Thermal-Fluids Laboratory	Add the prerequisites of MENG 3210, 3401, and 3310.	UG	10/3/2025	Spring 2026
Expedited Course	MENG 3309 Mechanical Systems Design	Adds the prerequisites of MENG 3306 with a C or better and MENG 3319.	UG	9/19/2025	Spring 2026
Expedited Course	MENG 4318 Heating, Ventilation, and Air Conditioning	The prerequisites were changed to require a grade of C or better in MENG 3401 and MENG 3310.	UG	10/3/2025	Spring 2026
Expedited Course	NURS 5111 The Advanced Practice Role	Added a prerequisite requirement of admission to the FNP MSN, the PMHNP MSN, the FNP Certificate, or the PMHNP Certificate program.	GRAD	9/16/2025	Spring 2026
Expedited Course	NURS 5301 Translational Science I	A prerequisite of Admission to the PNP MSM, Nursing Administration MSN, Nursing Education MSN, INQS MSN, or PMHMP MSN was added.	GRAD	10/1/2025	Spring 2026
Expedited Course	NURS 5321 Health Policy for Population Health	The prerequisites for this course were changed to admission to multiple nursing programs.	GRAD	10/1/2025	Spring 2026
Expedited Course	NURS 5324 Health Care Informatics	The prerequisites were changed to include admission to various graduate admission programs.	GRAD	10/1/2025	Spring 2026
Expedited Course	NURS 5325 Organizational and Systems Leadership	A prerequisite of Admission to the PNP MSM, Nursing Administration MSN, Nursing Education MSN, INQS MSN, or PMHMP MSN was added.	GRAD	10/1/2025	Spring 2026
Expedited Course	NURS 5328 Evaluation in Nursing Education	Adds a corequisite of concurrent enrollment or successful completion of NURS 5327.	GRAD	9/17/2025	Spring 2026
Expedited Course	NURS 5331 Nursing Leadership in the Healthcare Environment	Changes the prerequisities to add admission to the Nursing Administration MSS or the Nursing Administration certificate.	GRAD	9/19/2025	Spring 2026
Expedited Course	NURS 5335 Legal, Regulatory, and Financial Management	Adds the prerequisite of NURS 5331 to the course.	GRAD	9/19/2025	Spring 2026
Expedited Course	NURS 5337 Nursing Administration: Delivery of Care	Adds NURS 5335: Legal, Regulatory, and Financial Management as a prerequisite.	GRAD	9/18/2025	Spring 2026
Expedited Course	NURS 5339 Diagnostic Methods and Procedures	Adds a corequisite of NURS 5354 and a prerequisite of NURS 5352 and admission to the FNP MSN or the FNP Certificate program.	GRAD	9/16/2025	Spring 2026
Expedited Course	NURS 5347 FNP Internship I	Adds the prerequisites of NURS 5351, NURS 5353, and NURS 5455 as well as admission to the MSN FNP program or to the FNP Certificate program.	GRAD	9/16/2025	Spring 2026
Expedited Course	NURS 5349 FNP Internship II	Adds concurrent enrollment in or completion of NURS 5347 to the course.	GRAD	9/16/2025	Spring 2026
Expedited Course	NURS 5350 Advanced Pathophysiology	Adds the prerequisite of admission to the FNP MSN, PMHNP MSN, FNP Certificate, or the PMHNP Certificate to the course.	GRAD	9/16/2025	Spring 2026
Expedited Course	NURS 5351 FNP Primary Care I	Adds the prerequisite of NURS 5339 to the course.	GRAD	9/16/2025	Spring 2026

Expedited Course	NURS 5352 Advanced Health Assessment for Nurse Practitioners	The proposal adds a corequisite of enrollment in or successful completion of NURS 5350. It also requires admission to the FNP MSN program, the PMHNP MSN program, the FNP Certificate, or the PMHNP Certificate.	GRAD	9/16/2025	Spring 2026
Expedited Course	NURS 5353 FNP Primary Care II	Adds a prerequisite of NURS 5339 to the course.	GRAD	9/16/2025	Spring 2026
Expedited Course	NURS 5354 Advanced Nursing Pharmacotherapeutics	Adds a prerequisite of Admission to the FNP MSN, PMHNP MSN, the FNP Certificate, the PMHNP Certificate, or the DNP-NA Program to the course.	GRAD	9/16/2025	Spring 2026
Expedited Course	NURS 5355 Integrated Advanced Health Assessment, Pathophysiology,	Adds the prerequisite of admission to the MSN Education Program, MSN Administration Program, the NIQS MSN, the Nursing Education Certificate, the Nursing Administration Certificate, the NIQS Certificate, or the Ph.D. in Nursing to the course.	GRAD	9/16/2025	Spring 2026
Expedited Course	NURS 5367 PMHNP Practicum I	Adds a prerequisite of NURS 5363 and NURS 5365 to the course.	GRAD	9/25/2025	Spring 2026
Expedited Course	NURS 5368 Integrated Mental Health Care I - Adult/Gerontology	Adds a corequisite of enrollment or successful completion of NURS 5367.	GRAD	9/25/2025	Spring 2026
Expedited Course	NURS 5373 Integrated Mental Health Care II Capstone Pediatric, Adoles	Adds a corequisite of enrollment or successful completion of NURS 5370.	GRAD	9/25/2025	Spring 2026
Expedited Course	NURS 5382 Nurse Educator Capstone	The proposal added two prerequisites of NURS 5325 and NURS 5327 to the course.	GRAD	9/17/2025	Spring 2026
Expedited Course	NURS 5388 Administration Capstone	Adds a corequisite of enrollment or successful completion of NURS 5337.	GRAD	9/19/2025	Spring 2026
Expedited Course	NURS 5453 FNP Primary Care I	Adds a prerequisite of NURS 5339 to the course.	GRAD	9/16/2025	Spring 2026
Expedited Course	NURS 5455 FNP Primary Care III	Adds a prerequisite of NURS 5339 to the course.	GRAD	9/16/2025	Spring 2026
Expedited Course	NURS 6160-6660 Dissertation	A prerequisite of departmental consent required was added to the course.	GRAD	10/23/2025	Spring 2026
Expedited Course	NURS 6310 Philosophy of Science	A prerequisite of admission to the Nursing PhD program was added to the course.	GRAD	10/23/2025	Spring 2026
Expedited Course	NURS 6312 Theory Construction and Evaluation	Adds the prerequisite of NURS 6310 to the course.	GRAD	10/23/2025	Summer 2026
Expedited Course	NURS 6320 Data Management	Adds the prerequisite of admission to the Ph.D. Nursing program.	GRAD	10/23/2025	Summer 2026
Expedited Course	NURS 6322 Advanced Statistics	Adds the prerequisite of NURS 6321 to the course.	GRAD	10/23/2025	Summer 2026
Expedited Course	NURS 6327 Data Engineering	Adds the prerequisite of admission to the Nursing Ph.D. to the course.	GRAD	10/23/2025	Summer 2026
Expedited Course	NURS 6328 Data Visualization and Advanced Analytics Applications	Adds the prerequisite of admission to the Nursing Ph.D. to the course.	GRAD	10/23/2025	Summer 2026
Expedited Course	NURS 6329 Applied Data Science	Added admission to a Nursing Ph.D. program as a prerequisite to the course.	GRAD	10/23/2025	Summer 2026
Expedited Course	NURS 6342 Scholarship in Nursing	Adds admission to the Nursing Ph.D. program as a prerequisite to the course.	GRAD	10/23/2025	Summer 2026
Expedited Course	NURS 6352 Health Care Policy Development	Adds prerequisites of admission to the Nursing Ph.D. program and NURS 6341 to the course.	GRAD	10/23/2025	
Expedited Course	NURS 7331 Health Policy & Advocacy for DNP Leaders	Adds a corequisite of NURS 7375 and prerequisites of NURD 7358, 7371, and 7373.	GRAD	9/17/2025	Spring 2026
Expedited Course	NURS 7351 Principles of Acute Care 1	Adds a corequisite of NURS 7352 and a prerequisite of admission to the AGACNP Certificate or the DNP-NA Program	GRAD	10/1/2025	Spring 2026
Expedited Course	NURS 7352 Principles of Acute Care 2	Adds a corequisite of NURS 7351 and a prerequisite of admission to the AGACNP Certificate or the DNP-NA Program	GRAD	10/1/2025	
Expedited Course	NURS 7353 Principles of Acute Care 3	Adds a corequisite of NURS 7354 and a prerequisite of NURS 7351 and NURS 7352	GRAD	10/1/2025	Spring 2026
Expedited Course	NURS 7354 Principles of Acute Care 4	Adds a corequisite of NURS 7353 and a prerequisite of NURS 7351 and NURS 7352	GRAD	10/1/2025	Spring 2026
Expedited Course	NURS 7358 Population Health for DNP Leaders	Adds a corequisite of NURS 7371 and NURS 7373 along with preqresites of NURS 7303 and NURS 7317	GRAD	9/17/2025	Spring 2026
Expedited Course	NURS 7371 Organizational and Systems Leadership	Adds a corequisite of NURS 7375 and prerequisites of NURS 7303 and NURS 7317.	GRAD	12/4/2025	Spring 2026
Expedited Course	NURS 7373 Financial & Business Management for DNP Leaders	A corequisite of NURS 7358 and NURS 7331 and a prerequisite of NURS 7371 and NURS 7375 were added to the course.	GRAD	12/4/2025	Spring 2026
Expedited Course	NURS 7375 Healthcare Quality & Safety for DNP Leaders	Adds a corequisite of NURS 7371 and prerequisites of NURS 7317 and NURS 7303.	GRAD	12/4/2025	Spring 2026
Expedited Course	NURS 7377 DNP Scholarly Synthesis	Adds a corequisite of 6343 and prerequesites of NURS 7331 and NURS 7375	GRAD	9/17/2025	Spring 2026
Expedited Course	NURS 7383 PRACTICUM I FOR THE AGACNP	Adds a corequisite of NURS 7384 and a prerequisite of NURS 7353 and NURS 7354	GRAD	10/1/2025	Spring 2026
Expedited Course	NURS 7384 PRACTICUM II FOR THE AGACNP	Adds a corequisite of NURS 7383 and a prerequisite of NURS 7353 and NURS 7343	GRAD	10/1/2025	Spring 2026
Expedited Course	NURS 7385 PRACTICUM III FOR THE AGACNP	Adds a corequisite of NURS 7386 and a prerequisite of NURS 7383 and NURS 7384	GRAD	10/1/2025	Spring 2026
Expedited Course	NURS 7386 PRACTICUM IV FOR THE AGACNP	Adds a corequisite of NURS 7385 and a prerequisite of NURS 7383 and NURS 7384	GRAD	10/1/2025	Spring 2026
Expedited Course	NURS 7387 PRACTICUM V FOR THE AGACNP	Adds the co-requisite of NURS 7388 and the prerequisities of NURS 7385 and NURS 7386.	GRAD	10/1/2025	Spring 2026
Expedited Course	NURS 7388 PRACTICUM VI FOR THE AGACNP	Adds a corequisite of NURS 7387 and prerequisities of NURS 7385 and NURS 7386	GRAD	10/1/2025	Spring 2026
Expedited Course	NURS 7391 Practicum I for the DNP-NA AGACNP	Adds NURS 7353 and NURS 7354 as prerequisites	GRAD	10/1/2025	Spring 2026
Expedited Course	NURS 7392 Practicum II for the DNP-NA AGACNP	Added the prerequisites of NURS 7353, NURS 7354, NURS 7391, and admission to the DNP-NA Program.	GRAD	10/1/2025	Spring 2026
Expedited Course	PSYC 3311 Psychology of Gender	This course was inactivated.	UG	11/3/2025	Spring 2026
Expedited Course	PSYC 3335 Diversity and Social Justice	The proposal inactivated the course.	UG	11/3/2025	Spring 2026
Expedited Course	SOCW 4601 Practicum 1	A corequisite of SOCW 4602: Practicum 2 was added along with the following prerequisites: SOCW 2361, 2362, 3303, 3304, 3308, 3108, 3409, 4132, 4331, 4310, 433, 4334, and 4335.	UG	10/29/2025	Spring 2026
Expedited Course	SOCW 4602 Practicum 2	Adds a corequisite of SOCW 4601: Practicum 1 along with the following prerequisities: SOCW 2361, 2362, 2371, 3303, 3304, 3308, 3108, 3409, 4132, 4331, 4310, 4333, 4334, and 4335.	UG	10/29/2025	Spring 2026
New Course	ACCT 4371 Healthcare Controllership	The course provides an overview of the role of a controller in modern healthcare organizations, covering topics that integrate financial accounting, corporate finance, and strategic planning. This course replaces Healthcare Finance in the ENTERPRISE accounting subplan.	UG	10/7/2025	Spring 2026
New Course	CHEM 1310 Foundations of Chemistry	A one semester course, for non-science, non-engineering, and non-nursing majors, that will introduce students to the fundamental chemical concepts including, but not limited to, the scientific method, measurements, the periodic table, states of matter, atomic structure, chemical reactions, chemical nomenclature, and other chemical applications. This course does not satisfy degree requirements for science or nursing majors. The course will satisfy 3 hours of either the STEM or LPS core requirements. The course expands the options for non-science majors to satisfy the STEM or LPS requirements.	UG	12/12/2025	Potentially Fall 202 This course cannot be advertised as a core course until our submission to the THECB is approved.

New Course	EDUC 4303 Educational Foundations	This course is the culminating experience in the BAAS in Educational Studies program. Students will synthesize their academic learning by developing an applied project that addresses a relevant issue in educational practice. Students will conduct research, design and present a professional solution, and assemble a digital portfolio. The course emphasizes reflective practice, ethical professionalism, data-informed decision-making, and alignment with the Texas Educator Standards. This is the last course for students in the BAAS Educational Studies specialization.	UG	11/20/2025	Spring 2026	
New Course	FINA 4346 Principles of Insurance	This is a course designed to provide students with a basic understanding of risk management and how insurance can help individuals manage risks they face. It will inform students of the importance of professional services in financial planning with emphasis on risk management and the selling of insurance. It introduces the fundamentals of management of risks such as premature death, disability, health conditions, legal liability, property damage, long-term care and longevity. Other topics discussed include annuities as well as social insurance programs such as Social Security, Medicare and Medicaid. Finally, as an optional unit, it will explore the quantitative connection between finance and insurance in the form of basic time value of money calculations which underpin annuities, the cash value of and loans from permanent life insurance such as whole life, universal life and variable life policies. This new course is FINA 3345 that is now at the senior level (4000) which will allow for cross-listing the course with FINA 5346.	UG	10/7/2025	Spring 2026	
New Course	MENG 4363 Introduction to Medical Device Design	This course provides an introduction to the design of medical devices and other medical technologies. It overviews the entire process of producing a commercial medical device from concept to commerce. Topics include problem identification, solution ideation, the FDA and design in a regulated environment, the design process and prototyping, intellectual property, preclinical and clinical testing, and regulatory paths to market. This course is a technical elective in the program.	UG	11/21/2025	Spring 2026	
New Course	NURS 4638 Clinical Immersion	This course will integrate principles of evidence-based practice, health promotion, population health, quality and safety, and leadership to develop a project to improve client outcomes. This course now meets the AACN Essential standards and the new prerequisities meet the sequencing of the revised nursing program.	UG	10/7/2025	Spring 2026	
New Course	PSYC 4344 Industrial Organizational Psychology	Industrial-Organizational Psychology explores how psychological principles are applied to the workplace, focusing on topics such as motivation, leadership, teamwork, and employee well-being. This course provides students with an understanding of how individuals and organizations interact to improve performance, satisfaction, and organizational effectiveness. This course would be one of the psychology technical electives.	UG	11/20/2025	Spring 2026	
New Course	SOCW 4340 International Community Engagement	This class utilizes a service-learning experience in an international setting to introduce students to international social work practice and a range of global social issues that shape human welfare and social development. This course requires acceptance into the program for international travel through UT Tyler. The course content will reflect the Council on Social Work Education's (CSWE) requirements for accreditation. The course does require instructor permission for registration.	UG	11/20/2025	Spring 2026	
New Program	Artificial Intelligence (AI) Writing, Technology, & Ethics	This certificate program provides students with both practical skills and ethical frameworks to engage with AI across these rapidly evolving fields. By integrating hands-on training with critical reflection, the program prepares graduates to navigate the opportunities and challenges of AI in diverse professional contexts. Students earn this Certificate by successfully completing three courses: ENGL 3362 – Reading & Writing About Data; CMST 4361 – Communication Processes and Artificial Intelligence; PHIL 4303 – Ethics and Technology.	UG	11/14/2025	Spring 2026	Check catalog was the registrar's office caught the COMM 4360 mistake. There is no such course.
New Program	Genomics and Bioinformatics Certificate	The Genomics and Bioinformatics Certificate provides students who major in biology or biology-related fields a solid plan to enhance their knowledge and skills in genomics and bioinformatics, as genomics and bioinformatics are critical in biological research and industry nowadays. The training plan includes (1) the knowledge of omics approaches in biology; (2) the understanding of statistical and quantitative frameworks; (3) the familiarity of trending programming languages and (4) the proficiency of using large-scale biological databases.	UG	10/29/2025	Spring 2026
