ATTENDANCE POLICY

Attendance is mandatory. After 2 absences (2 sick days) you may be dropped a full letter grade from your semester GPA, at 4 absences students may fail the course! Continual tardiness will also have an effect on the overall grade. If you are more than 30 minutes late to class (or if you leave 30 minutes early), you will be marked absent. If you are unprepared for class you will be marked absent. Being late is walking into class 5 minutes after start time. Being tardy or leaving early up to three times is equal to one absence. If you are absent on critique day, you may fail that assignment, if you are absent on midterm critique you may be dropped a letter grade from your GPA or if you are absent final critique day, you may fail the class

Please note that all university policies are accessible online and if you have any questions feel free to reach out to myself or the appropriate department.

CLASSROOM ETIQUETTE

Class time may consist of critiques, writing assignments, reading assignments, quizzes, gallery visits, and open studio work time. Please utilize your time and my time well in the studio space by staying off of technology unless permitted. You may use headphones during workdays, but you should be able to still hear in the case of an emergency of an accident.

Students who do not use studio time wisely will be marked absent and have additional work added to their required load. Students who exhibit disruptive behavior will be asked to leave the class and/or will be expelled from the course altogether. Some (but not all) examples of disruptive behavior include habitual lateness or leaving early, an extensively sloppy studio space, interrupting or talking during class instruction or discussion when not in turn and failure to maintain proper classroom safety and etiquette.

*It is expected that you attend all gallery openings and any art lectures (unless excused)

*Students will have 24 hour access every day of the week once any online safety trainings are completed/approved and Art Student Safety Agreements have been signed and

completed/approved. Students working after hours must always have their UT Tyler student ID on them at all times.

Friends and family members who are not enrolled in studio courses are not allowed in studio spaces after hours. Please note that any abuse of access privileges will result in the loss of after-hour studio access. Please report any suspicious behavior immediately to campus police!

*Clean up is an imperative part of this class. You are expected to do your part in keeping the classroom organized, safe, and flowing smoothly! Policy of clean up will be discussed with the class on a case-by-case basis.

2022 STUDIO SAFETY AND ACCESS INFORMATION

Facility Access & Studio Lab Safety and Mechanical Safety Training Studio facility access is for enrolled students only. Students are required to use appropriate safety equipment (PPE) and practice safe operation procedures when using any hazardous equipment or materials. All students must successfully complete the lab safety training and mechanical safety training and quizzes on Canvas and complete an Art Safety Agreement through Canvas before after-hours access to the complex is granted. Failure to adhere to the terms of the Art Safety Agreement will result in the loss studio facility access. Personal Protective Equipment (PPE) For your safety, you must follow all safety requirements established by the department and university. It is required that you provide you own Personal Protective Equipment for use in studio areas. This equipment includes dust mask with at least a N95 rating and attached filter, safety glasses, ear protection, gloves, close-toed shoes, and appropriate clothing. Failure to use this equipment while working may result in the loss of studio privileges.

Please note that all university policies are accessible online and if you have any questions feel free to reach out to myself or the appropriate department.

MATERIALS AND CHEMICALS

Any additional materials or chemicals not included on the course material list must be approved by the faculty member in charge of the area where the chemical (material) will be used prior to the material/chemical being brought into the studio. Students are responsible for notifying the studio technician of any new materials/chemicals the day they are brought to the studio to ensure that the appropriate Safety Data Sheet is on file and in the SDS binder.

Labels for any new, approved chemicals brought into the art studios must include the following information when they are transferred to a new container or if the original chemical label is damaged: Name of Chemical, Date chemical was opened, and any basic hazards associated with the chemical. Labels are located in each studio and must be filled out and adhered to the container immediately.
