## **COURSE DESCRIPTION & OBJECTIVES:**

**Prerequisite: NONE**

Students will be introduced to the fundamentals of two-dimensional design during the semester. The class structure may include reading assignments, project assignments, vocabulary quizzes, and practicing methods of critiquing artwork in order to educate students about the principles and elements of design. For **final grade assessment**, students must turn in 1) completed images of artworks created during the semester 2) image inventory list (turn in process TBA).

## **NOTES:**

**Any and all required supplies, materials, and texts are listed separately. There is one textbook required for this course but it is not in the bookstore. Digital copies and used copies from online resources are preferable. Studio courses do not have final exams.**

## **BFA STUDENT LEARNING OUTCOMES:**

### **1. Technical proficiency**

The student will develop and assemble a technically proficient body of art work that demonstrates technical proficiency within his or her chosen concentration (2D or 3D), as well as general proficiency in the greater arena of all mediums.

### **2. Conceptually proficiency**

The student will develop and assemble a conceptually proficient body of art work that demonstrates conceptual proficiency within his or her chosen concentration (2D or 3D), as well as general proficiency in the greater arena of all mediums.

### **3. Historical context**

The student will develop an understanding of how his or her work relates to art history.

### **4. Contemporary trends**

The student will develop an understanding of how his or her work relates to current trends in contemporary art.

### **5. Written analysis**

The student will engage in written critical analysis of their artwork.

### **6. Verbal analysis**

The student will engage in critical verbal analysis of their artwork.

### **ATTENDANCE AND MISSED WORK POLICY:**

Attendance is mandatory. **After 2 absences (2 sick days) you may be dropped a full letter grade from your semester GPA, at 4 absences students may fail the course!** Continual tardiness will also have an effect on the overall grade. If you are more than 30 minutes late to class (or if you leave 30 minutes early), you will be marked absent. If you are unprepared for class you will be marked absent. Being late is walking into class 5 minutes after start time. Being tardy or leaving early up to three times is equal to one absence. **If you are absent on critique day, you may fail that assignment, if you are absent on midterm critique you may be dropped a letter grade from your GPA or if you are absent final critique day, you may fail the class.** \*NOTE: *There is still a pandemic going on, if you do not feel well please do not attend class- you will be excused if you have a Dr. notice or are awaiting covid test results (of which I will be notified if you are tested on campus.) Get yourself tested for COVID on campus.*

**CLASSROOM ETIQUETTE:** NO CELL PHONES!! Class time may consist of critiques, writing assignments, reading assignments, quizzes, gallery visits, and open studio work time. Things that will not be tolerated during class time: texting, emailing, chit chatting, constant breaks, studying for other classes, and loud music (headphones must be approved prior to use per day). **Students who do not use studio time wisely will be marked absent and have additional work added to their required load. Students who exhibit disruptive behavior will be asked to leave the class and/or will be expelled from the course altogether. Some (but not all) examples of disruptive behavior include habitual lateness or leaving early, an extensively sloppy studio space, interrupting or talking during class instruction or discussion when not in turn and failure to maintain proper classroom safety and etiquette.**

### **STUDIO DRESS AND SAFETY WEAR CODE:**

- 1) All students working with paint (oil or acrylic) or solvents must wear protective gloves.
- 2) Appropriate work clothing is required for the entire Department of Art and Art History, however individual classes may have different requirements depending on the materials and equipment being used.
- 3) **All 2D classes require the following dress code:**
  - No open toed shoes are allowed in the studio
  - Students are expected to wear long pants
  - Students should wear long sleeved shirts (preferred) however short sleeved shirts will be permitted as long as shoulders are covered.

***It is best to cover yourself! Painting and drawing materials and solvents are known to cause skin irritation and in some cases, even cause cancer!***

### **MATERIALS AND CHEMICALS:**

Any solvent or brush cleaner with a harmful vapor that requires ventilation will not be permitted inside the classroom. Serio will provide a list of approved chemicals. Please check with Professor Serio before opening any container that is not on the approved list. Save all receipts in case you need to return items to the store.

### **GRADING PROCESS:**

The student is graded on his or her dedication and output in completing the course objectives. **Attendance, studio work ethic, execution and quality of project**

**assignments, quizzes, critique methods, any additional visual journal or writing assignments.** Students are encouraged to ask questions and are expected to commit outside time.

**Please note: By simply completing the above listed requirements, you may earn the average letter grade of C. You must go above and beyond the basic requirements of the course in order to earn yourself a grade that is above and beyond average.**

*Numeric to Letter Grade Translation:*

100 - 90% = A	89 - 80% = B	79 - 70% = C	69 - 60% = D	59 - 0% = F
<b>20% quizzes</b>	<b>10% critique methods</b>	<b>70% assignments</b>		

\*It is expected that you attend all gallery openings and any art lectures (unless excused)

**\*Students will have 24 hour access every day of the week** once any online safety trainings are completed/approved and Art Student Safety Agreements have been signed and completed/approved. Students working after hours must always have their UT Tyler student ID on them at all times. Friends and family members who are *not* enrolled in studio courses are not allowed in studio spaces after hours. ***Please note that any abuse of access privileges will result in the loss of after-hour studio access. Please report any suspicious behavior immediately to campus police!***

\*Clean up is an imperative part of this class. You are expected to do your part in keeping the classroom organized, safe, and flowing smoothly! Policy of clean up will be discussed with the class on a case-by-case basis.

## **2022 STUDIO SAFETY AND ACCESS INFORMATION**

### **Facility Access & Studio Lab Safety and Mechanical Safety Training**

Studio facility access is for enrolled students only. Students are required to use appropriate safety equipment (PPE) and practice safe operation procedures when using any hazardous equipment or materials. All students must successfully complete the lab safety training and mechanical safety training and quizzes on Canvas and complete an Art Safety Agreement through Canvas before after-hours access to the complex is granted. Failure to adhere to the terms of the Art Safety Agreement will result in the loss studio facility access.

### **Personal Protective Equipment (PPE)**

For your safety, you must follow all safety requirements established by the department and university. It is required that you provide you own Personal Protective Equipment for use in studio areas. This equipment includes: dust mask with at least a N95 rating and attached filter, safety glasses, ear protection, gloves, close-toed shoes, and appropriate clothing. Failure to use this equipment while working may result in the loss of studio privileges.

### **Materials and Chemicals**

Any additional materials or chemicals not included on the course material list must be approved by the faculty member in charge of the area where the chemical (material) will

be used prior to the material/chemical being brought into the studio. Students are responsible for notifying the studio technician of any new materials/chemicals the day they are brought to the studio in order to insure that the appropriate Safety Data Sheet is on file and in the SDS binder.

Labels for any new, approved chemicals brought into the art studios must include the following information when they are transferred to a new container or if the original chemical label is damaged: Name of Chemical, Date chemical was opened, and any basic hazards associated with the chemical. Labels are located in each studio and must be filled out and adhered to the container immediately.
