Course Description:

The Undergraduate thesis class is a one credit course that serves as the capstone for all graduating students earning a BA in Fine Art with a specialization in Art History. Prior to the beginning of the semester the student will discuss their topic with the art history faculty to determine which faculty member is best suited to supervise the thesis. During the semester the student and faculty will meet approximately every other week to discuss the progress of the thesis. Student will email drafts of the thesis to their faculty supervisor on a scheduled basis and edit the thesis as suggested. All students submit a final 15 page thesis with images, footnotes and bibliography. After the final thesis is accepted, students then edit the thesis down to 10 pages in order to read the paper at a semester end presentation, accompanied by a PowerPoint, created by the student. The quality expected of the paper and presentation is the highest level and should demonstrate a mastery of art historical methodologies of research, interpretation and oral communication.

Course Prerequisites: consent of instructor

Course Requirements:

- 1) The course requires the student to create a calendar to meet with the supervisor and turn in all required drafts, final papers and presentation on time.
- 2) The course requires that the student write a 15 page thesis paper with footnotes, bibliography and labeled images. Use of primary sources is encouraged.
- 3) The student will edit the 15 page thesis to 10 pages to read at an oral presentation.
- 4) Student will create a PowerPoint to show in conjunction with the reading of the 10 page paper at a semester end presentation.
- 5) The course is 1 hour of undergraduate credit. Successful completion is required for graduation with the BA degree in Fine Art with Art History Concentration.

Texts will be determined by the bibliography created by student and approved by the faculty

Final Grade:

The faculty supervisor determines the final grade based upon the quality of the final thesis (60%), presentation (30%) and whether the student turns in drafts, thesis and presentation on time as scheduled (10%). IF THESIS IS NOT TURNED IN ON TIME STUDENT MAY NOT PASS THE COURSE AND NOT GRADUATE!

Grade Replacement/Forgiveness and Census Date Policies

Students repeating a course for grade forgiveness (grade replacement) must file a Grade Replacement Contract with the Enrollment Services Center (ADM 230) on or before the Census Date of the semester in which the course will be repeated. (For Fall, the Census Date is Sept. 12.) Grade Replacement Contracts are available in the Enrollment Services Center or at <http://www.uttyler.edu/registrar>. Each semester's Census Date can be found on the Contract itself, on the Academic Calendar, or in the information pamphlets published each semester by the Office of the Registrar.

Failure to file a Grade Replacement Contract will result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade replacement for only three course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract.

The Census Date (see exact date below) is the deadline for many forms and enrollment actions of which students need to be aware. These include:

- Submitting Grade Replacement Contracts, Transient Forms, requests to withhold directory information, approvals for taking courses as Audit, Pass/Fail or Credit/No Credit.
- Receiving 100% refunds for partial withdrawals. (There is no refund for these after the Census Date)
- Schedule adjustments (section changes, adding a new class, dropping without a "W" grade)
- Being reinstated or re-enrolled in classes after being dropped for non-payment
- Completing the process for tuition exemptions or waivers through Financial Aid

State-Mandated Course Drop Policy

Texas law prohibits a student who began college for the first time in Fall 2007 or thereafter from dropping more than six courses during their entire undergraduate career. This includes courses dropped at another 2-year or 4-year Texas public college or university. For purposes of this rule, a dropped course is any course that is dropped after the census date (See Academic Calendar for the specific date).

Exceptions to the 6-drop rule may be found in the catalog. Petitions for exemptions must be submitted to the Enrollment Services Center and must be accompanied by documentation of the extenuating circumstance. Please contact the Enrollment Services Center if you have any questions.
