COURSE REQUIREMENTS

Check “Grades” in Canvas regularly for your grades. If you have questions about any grade, get in contact with me immediately. You can check your grades and see what you missed on tests after the due date inside CONNECT, go to Modules, click on the test, and follow the instructions.

CONNECT ASSIGNMENTS

CONNECT is where the digital textbook (online exercises and adaptive learning), and all the assignments are located. This semester we will cover Chapters 1 through 7. There will be a final comprehensive exam from all the chapters very similar to the tests of each chapter. **It is embedded in the test for chapter 7.**

You are allowed to work on CONNECT EXERCISES as many times as you like. You receive a completion grade. If you have any technical problem, please let **Connect McGraw-Hill** know about it (every section allows you to do this).

Before you can submit the Assignments in Connect you must study each Chapter in the Textbook/E- book (see course calendar). After completing the study of the Chapter, you will be ready to proceed and complete all the activities in Connect.

NOTE: If you decide to use the 15-day grace period from McGraw-Hill, please make sure to use the same email address when you buy CONNECT. If you do not use the same email, then everything that you may have done in CONNECT will not transfer to CANVAS.

NOTE: All CONNECT EXERCISES are due on the due date. Assignments will be graded via McGraw Hill and grades will show in both CANVAS and CONNECT.

CONNECT TESTS

There will be 4 tests for the material covered in CONNECT, plus the final exam. The CONNECT tests are in CANVAS. Exams cannot be made up or dropped. **No make-up. If for medical or emergency reasons you cannot take a test, I will count the next test twice (I do this only once in the semester). If you miss two or more tests they will count as zeros.**

Please do not access any exam unless you are ready to take it. If you access an exam and then close your browser or abandon the exam without submitting the answers, you will get a zero for that exam and you will not be able to retake it **YOU MUST NOT ACCESS ANY EXAM MORE THAN ONCE UNDER ANY CIRCUMSTANCE.**

You are expected to complete all the exams without using the textbook or assistance from anybody or from any source. Scholastic dishonesty is an unacceptable mode of conduct. Cheating on an exam in this course will be dealt with according to UT TYLER policy on scholastic dishonesty. All the exams are timed.

Note: You will have access to see the Feedback of your exams after the due date. Just go to modules click on the test again, and you will be able to see your feedback.

CLASS PARTICIPATION, POWER POINTS, GRAMMAR, COMMUNICATIVE ACTIVITIES

Active class participation is essential in a course whose main objective is language practice. Good class participation requires regular online attendance, and actual involvement in all class activities and assignments. To obtain a good grade you must turn in ALL homework on time and participate in the Discussion forum as assigned.

GRAMMATICAL EXERCISES AND COMMUNICATIVE ACTIVITIES

Each chapter comes with grammatical exercises and communicative activities. You will be asked to do the grammatical exercise (on your own) and some of the communicative activities (with a group via Zoom).

Instructions for Grammatical Exercises

Go to the pages assigned related to grammar (see Syllabus Calendar below), read carefully the grammatical explanations given in each section and answer the exercises. Please review, compare, and correct your answers with Appendix 1 (LOCATED CLOSE TO THE END OF THE BOOK, PAGES A1 AND A2). Pay attention to spelling.

Instructions for Communicative Activities

1. Find out under SPECIAL NOTE in Modules what group do you belong to.
2. Send an email (via CANVAS) to the members of your group making yourself available and, decide who is going to oversee sending out the link for the Zoom meeting. This student must record and submit the Zoom video of every meeting along with a note with the names of all participants in the space provided under Modules.
3. Meet with your partners via Zoom and do the exercises assigned (see example under Modules).

IMPORTANT: You and your fellow classmates must have done the activities (answer the questions of the ACTIVITIES), and practice in front of a mirror prior to your meeting.

RECORDINGS MUST NOT EXCEED 10 MINUTES.

If you prepare and do the activities and practice them prior to your meeting with your partner, everything should go smoothly and fast. See Modules for further instructions.

DISCUSSION: Power Points

You will be assigned a power point per chapter. Most of them will be related to countries of the Hispanic World. See instructions under each module.

FINAL EXAM

The final exam will be comprehensive. It will cover all seven chapters. It will be embedded in the test for chapter seven. The questions are very similar to the questions from previous chapters.

EMAIL REPLY POLICY: I will attempt to reply to any e-mail message(s) within 24-48 hours.

University Policies and Information

Withdrawing from Class

Students, you are allowed to [withdraw](#) (drop) from this course through the [Withdrawal Portal](#). Withdrawing from classes can impact Financial Aid, Scholarships, Veteran Benefits, Exemptions, Waivers, International Student Status, housing, and degree progress. Please read this page, speak with your instructors, consider your options, and speak with your instructor.

UT Tyler faculty and staff are here for our students and often can provide additional support options or student assistance. Please read the implications for withdrawing from a course and the instructions on using the Withdrawal portal on the [Registrar's Withdrawal page](#).

Texas law prohibits students who began college for the first time in Fall 2007 or thereafter from dropping more than six courses during their entire undergraduate career. This includes courses dropped at other 2-year or 4-year Texas public colleges and universities. Consider the impact withdrawing from this class has on your academic progress and other areas, such as financial implications. We encourage you to consult your advisor(s) and financial aid for additional guidance. CAUTION #1: Withdrawing before census day does not mean you get a full refund. Please see the [Tuition and Fee Refund Schedule](#). CAUTION #2: All international students must check with the [Office of International Programs](#) before withdrawing. All international students are required to enroll full-time for fall and spring terms. CAUTION #3: All UT Tyler Athletes must check with the Athletic Academic Coordinator before withdrawing from a course. CAUTION #4: All veterans or military-affiliated students should consult with the [Military and Veterans Success Center](#).

* Students who began college for the first time before 2007 are exempt from this law.

Artificial Intelligence Statement

UT Tyler is committed to exploring and using artificial intelligence (AI) tools as appropriate for the discipline and task undertaken. We encourage discussing AI tools' ethical, societal, philosophical, and disciplinary implications. All uses of AI should be acknowledged as this aligns with our commitment to honor and integrity, as noted in UT Tyler's Honor Code. Faculty and students must not use protected information, data, or copyrighted materials when using any AI tool. Additionally, users should be aware that AI tools rely on predictive models to generate content that may appear correct but is sometimes shown to be incomplete, inaccurate, taken without attribution from other sources, and/or biased. Consequently, an AI tool should not be considered a substitute for traditional approaches to research. You are ultimately responsible for the quality and content of the information you submit. Misusing AI tools that violate the guidelines specified for this course is considered a breach of academic integrity. The student will be subject to disciplinary actions as outlined in UT Tyler's Academic Integrity Policy. Refer to the About This Course section of the UT Tyler Syllabus Module for specific information on appropriate use of AI in your course(s).

Final Exam Policy

Final examinations are administered as scheduled. If unusual circumstances require that special arrangements be made for an individual student or class, the Dean of the appropriate college, after consultation with the faculty member involved, may authorize an exception to the schedule. Faculty members must maintain student final examination papers for a minimum of three months following the examination date.

Incomplete Grade Policy

If a student, because of extenuating circumstances, is unable to complete all of the requirements for a course by the end of the semester, then the instructor may recommend an Incomplete (I) for the course. The "I" may be assigned in place of a grade only when all of the following conditions are met: (a) the student has been making satisfactory progress in the course; (b) the student is unable to complete all coursework or final exam due to unusual circumstances that are beyond personal control and are acceptable to the instructor, and (c) the student presents these reasons before the time that the final grade roster is due. The semester credit hours for an Incomplete will not be used to calculate the grade point average.

The student and the instructor must submit an Incomplete Form detailing the work required and the time by which the work must be completed to their respective department chair or college dean for approval. The time limit established must not exceed one year. Should the student fail to meet all of the work for the course within the time limit, then the instructor

may assign zeros to the unfinished work, compute the course average for the student, and assign the appropriate grade. If a grade has yet to be assigned within one year, then the Incomplete will be changed to an F, or NC. If the course was initially taken under the CR/NC grading basis, this may adversely affect the student's academic standing.

Grade Appeal Policy

Disputes regarding grades must be initiated within sixty (60) days from the date of receiving the final course grade by filing a Grade Appeal Form with the instructor who assigned the grade. A grade appeal should be used when the student thinks the final course grade awarded does not reflect the grades earned on assessments or follow the grading scale as documented in the syllabus. The student should provide the rationale for the grade appeal and attach supporting document about the grades earned. The form should be sent via email to the faculty member who assigned the grade. The faculty member reviews the 08/2024 rationale and supporting documentation and completes the instruction section of the form. The instructor should return the form to the student, even if a grade change is made at this level. If the student is not satisfied with the decision, the student may appeal in writing to the Chairperson of the department from which the grade was issued. In situations where there is an allegation of capricious grading, discrimination, or unlawful actions, appeals may go beyond the Chairperson to the Dean or the Dean's designee of the college from which the grade was issued, with that decision being final. The Grade Appeal form is found in the [Registrar's Form Library](#).

NOTE: The Grade Appeal Form is different from the Application for Appeal form submitted to the Student Appeals Committee, which does not rule on grade disputes as described in this policy.
