Course Policies:

Attendance Policy: Students must be on time for class. Every three tardies greater than 20 minutes count as one absence. If the student knows he/she is going to be late or absent for class, he/she must notify the professor ahead of time. Notifying does not excuse the absence or tardy, **but leniency will only be considered with prior notification.** More than three unjustified absences from class may affect your final grade. For example, if a student earns a B in the course, but has more than three absences, the student will receive a C. Make sure to bring justifiable excuse notes to the professor.

The same rule applies if you leave the classroom more than twenty minutes before dismissal. Three times a student has left the classroom more than twenty minutes before the class ends, he/she will be counted absent. Since this is a language course, active participation in listening and speaking is vital. For that reason, you must be in the classroom for the whole time that has been established by the educational institution. Students with (3+) absences will lose the right to earn any extra credits. **Just make sure you notify the professor if you, for any reason, are going to be absent, arriving late, or leaving early for/from class.**

Excused Absences

When accompanied by appropriate documentation, there will be no penalty to your attendance grade for the following absences:

- UT Tyler-Sponsored Events. If you will be absent due to participation in a university sponsored/approved event, you **MUST** notify me in writing via email at least one week in advance of the absence. It is your responsibility to make prior arrangements for coursework. A university sponsored/approved event is an activity where:
 - o the student is an official representative of the university;

- o the university financially supports the activity and/or travel for the event; or
 - o the student is required to attend to maintain a scholarship.
 - o Note: In order to be considered an excused absence, you must be required to attend, engage in conducting the event, or serve as a leader of the organization involved.
- Religious Observance. Please notify me at least one week in advance (refer to Texas Education Code 51.911 for the definition of a religious holy day).
- Illness. Please contact me as soon as possible if you are unable to attend class due to illness, whether your own or illness is on the part of a family member for whom you are a caregiver.
 - o Documentation is required.
 - o Medical emergencies for pets are also counted as excused absences, although I ask that you not miss class if another family member is able to take the pet to the vet on your behalf. Vet appointments for non-emergencies should not be scheduled during class and would fall under “scheduled routine medical care” in unexcused absences below.
- Childbirth for yourself, partner, or immediate family member
- Funeral or wedding for close family member
- Jury duty
- Last minute car trouble, e.g. an accident on the way to school or flat tire the morning of class.
 - o **When it comes to car trouble, I reserve the right to begin marking you absent if you have a pattern of repeated car-related absences. Of course, accidents happen, and everyone has car trouble now and then, but as a matter of habit you need to find reliable transportation that gets you to school on time.**

This list is not exhaustive, and I reserve the right to excuse an absence not on this list if I judge the student has a pressing reason to miss class. Keep in mind that **except in cases of last-minute illness/other genuine emergency, you should always contact me before the class period that you will miss** with the relevant documentation. In case of a last-minute illness/other emergency that prevents you from contacting me prior to class, please send me an e-mail (rardon@uttyler.edu) within 48 hours of your absence if at all possible.

Unexcused Absences

The following situations will result in being marked absent:

- Illness with no documentation (e.g. messaging the professor that you don’t feel good, but you have no doctor’s note/urgent care documentation)

- Trips (e.g. cruises, vacations, honeymoons)
- Scheduled routine medical care (e.g. routine dental cleaning)

This list is not exhaustive, and I reserve the right to mark you absent for reasons not listed above (including, for example, leaving class for excessive lengths of time and/or phone use during class).

Withdrawing From the Course

If you are unable to complete this course, drop/withdraw by the university's required withdrawal date. After this date, students can no longer formally drop/withdraw from courses and will receive grades based upon the work completed if they choose to discontinue attendance.

AI is Not Permitted in this Course:

I expect all the work students submit for this course to be their own. I have carefully designed all assignments and class activities to support your learning. Doing your own work, without human or artificial intelligence assistance, is best for your efforts in mastering course learning objectives. For this course, I expressly forbid using ChatGPT or any other Generative Artificial Intelligence (GenAI) to aid in graded work, including brainstorming. The use of translation apps like Spanish Dictionary or Google Translate may be used at the word level, but must not be used to translate full sentences, paragraphs, or essays. Deviations from these guidelines will be considered a violation of UT Tyler's Honor Code and academic honesty values. **Spell check in Word or Google Docs is permitted.**

Use of mobile phones/earbuds in class is not allowed

Please abstain from using your mobile phones in the classroom during class unless it is required by the teacher for oral language purposes. If you are expecting an important phone call during class, please notify the teacher ahead of time. **The excessive use of your mobile phone during class for personal usage is going to be penalized by reducing your participation grade.** This is a language acquisition class, consequently, you must be always engaged in class participation. Please do not wear your earphones (earbuds) during class. **The instructor will infer you are listening to music.**

***Follow Due Dates:** Due dates for all the assignments are listed in Canvas. All dates and times are based on CST. **Assignments turned in late will receive partial credits. You will lose 5% daily, up to six days, of the grade value of that assignment.** Past the six days, the assignment will receive a zero. This is for the writing assignments, not Connect Tareas.

Minimum Technical Expectations:

- To successfully complete this course, in addition to the requirements listed in your syllabus, you will need to have access to reliable internet connection (High-speed internet connection preferred)
- Required computer and browser for Canvas and McGraw-Hill Connect
- Headphones with microphone capabilities connected to a computer (for Online oral activities/exams)

- Students must be able to open and/or submit documents on MS Word and PowerPoint. Access to Microsoft Office.
- You must bring your laptop with enough charge to class and ready to use. We will be taking unexpected quizzes during the semester. You must have headphones because you will be completing some listening activities, quizzes, and exams.

Canvas:

Check “Grades” in Canvas regularly for your grades. If you have questions about any grade, contact your professor immediately.

EXPLANATION OF COURSE COMPONENTS

Connect Homework, Chapter Tests, and Final Exam

CONNECT is where the digital textbook, (La tarea), Adaptive Learning, and all the assignments are located. This semester we will cover Chapters 8 through 14. **We will cover and complete some exercises from chapter 15.** There will be a final comprehensive exam from all the chapters very similar to the tests of each chapter. **It is embedded in the test for chapter 14.**

You are allowed to work on the CONNECT Assignments (La tarea) as many times as you like. If you are not happy with the points you earned the first time, you can work on it repeatedly until you accomplish your goal. If you have any technical problems, **please let McGraw-Hill** know about it.

NOTE: If you decide to use the 14-day free trial from McGraw-Hill, **please make sure to use the same email address when signing in.** If you do not use the same email, everything that you may have done in CONNECT will not transfer to CANVAS.

NOTE: All CONNECT EXERCISES are due on the due date for the chapter exam at 10:10 A.M. Assignments will be graded via McGraw Hill and grades will show in both CANVAS and CONNECT. **Late assignments will receive partial credit.**

CONNECT TESTS

There will be 7 tests for the material covered in CONNECT. The CONNECT tests are in CANVAS. **If for medical or emergency reasons you cannot take a test,** you will have to take it the same day you take the next chapter exam. You may also be allowed to take the missing exam at the testing center. But it is your responsibility to make the necessary arrangements with the personnel at the testing center in the library.

You will take all the chapters' exams in the classroom. Only students with some specific accommodation will be allowed to test at the testing center. If you access an exam and then close your browser or abandon the exam without submitting the answers, you will get a zero for that exam and you will not be able to retake it. **YOU MUST NOT ACCESS ANY EXAM**

MORE THAN ONCE UNDER ANY CIRCUMSTANCES, unless there is a technical issue with the McGraw-Hill Connect platform.

You are expected to complete all the exams without using the textbook or assistance from anybody or from any source. Scholastic dishonesty is an unacceptable mode of conduct. Cheating on an exam in this course will be dealt with according to university policy on scholastic dishonesty. All the exams are timed.

These tests cover the material presented in CONNECT (textbook and exercises). They must be taken as scheduled (no exceptions).

Note: You will have access to see the Feedback of your exams after the due date.

There will be two oral exams. You will be graded on pronunciation, accuracy, grammar, fluency, and intonation.

Delivery method for grade items

The points earned for CONNECT assignments will be posted in CONNECT's gradebook and in CANVAS. Your tests' grades and exercises grades will be posted in CANVAS under "Grades" tool immediately after the due date. Your grade for the oral exam will be available at "Grades" within 48 working hours after the oral exam closes. If the test is on a Friday, the grades will be available on Monday.

CLASS PARTICIPATION

Active class participation is essential in a course whose main objective is language practice. Good class participation requires regular attendance, and actual involvement in all class activities and assignments. To obtain a good grade for participation, you must turn in ALL homework on time and participate in the oral language activities in the classroom. Please try to avoid personal English conversations during class. **Using the cell phone for personal usage during class will affect your participation grade.**

Extra Credits. - You will have the opportunity to earn extra points by completing some extra credit activities. **If you miss class no more than three times during the semester**, you may have the opportunity to turn in some writing and speaking assignments into a video, to make up for the missing classroom work. Extra credit is calculated at the end of the semester and awarded to students that complete the final written assignment about the course (up to 2%, scored based on adherence to the prompt).

Perfect Attendance Extra Credits. - If you come to class on time and do not miss a single day during the semester, you will be rewarded with a 3% extra credit on top of your grade received from La tarea, Connect Tests and Participation grade.

UNIVERSITY POLICIES AND INFORMATION

Withdrawing from Class: Students, you are allowed to [withdraw](#) (drop) from this course through the [Withdrawal Portal](#). Withdrawing (dropping) this course can impact Financial Aid, Scholarships, Veteran Benefits, Exemptions, Waivers, International Student Status, housing, and degree progress. Please speak with your instructors, consider your options, and speak with your advisor, and visit the One-Stop-Shop (STE 230) or email enroll@uttyler.edu to get a complete review of your student account and the possible impacts to withdrawing. We want you to make an informed decision. Make sure to carefully [read the implications for withdrawing from a course and the instructions](#) on using the [Withdrawal portal](#).

Texas law prohibits students from dropping more than six courses during their entire undergraduate career¹. The six courses dropped includes those from other 2-year or 4-year Texas public colleges and universities. Consider the impact withdrawing from this class has on your academic progress and other areas, such as financial implications. We encourage you to consult your advisor(s) and Enrollment Services for additional guidance.

CAUTION #1: Withdrawing before census day does not mean you get a full refund. Please see the [Tuition and Fee Refund Schedule](#).

CAUTION #2: All international students must check with the [Office of International Programs](#) before withdrawing. All international students are required to enroll full-time for fall and spring terms.

CAUTION #3: All UT Tyler Athletes must check with the Athletic Academic Coordinator before withdrawing from a course.

CAUTION #4: All veterans or military-affiliated students should consult with the [Military and Veterans Success Center](#).

Artificial Intelligence Statement: UT Tyler is committed to exploring and using artificial intelligence (AI) tools as appropriate for the discipline and task undertaken. We encourage discussing AI tools' ethical, societal, philosophical, and disciplinary implications. All uses of AI should be acknowledged as this aligns with our commitment to honor and integrity, as noted in UT Tyler's Honor Code. Faculty and students must not use protected information, data, or copyrighted materials when using any AI tool. Additionally, users should be aware that AI tools rely on predictive models to generate content that may appear correct but is sometimes shown to be incomplete, inaccurate, taken without attribution from other sources, and/or biased.

Consequently, an AI tool should not be considered a substitute for traditional approaches to research. You are ultimately responsible for the quality and content of the information you submit. Misusing AI tools that violate the guidelines specified for this course is considered a breach of academic integrity. The student will be subject to disciplinary actions as outlined in UT Tyler's Academic Integrity Policy. Refer to the About This Course section of the UT Tyler Syllabus Module for specific information on appropriate use of AI in your course(s).

Final Exam Policy: Final examinations are administered as scheduled. If unusual circumstances require that special arrangements be made for an individual student or class, the Dean of the appropriate college, after consultation with the faculty member involved, may authorize an exception to the schedule. Faculty members must maintain student final examination papers for a minimum of three months following the examination date.

Incomplete Grade Policy: If a student, because of extenuating circumstances, is unable to complete all the requirements for a course by the end of the semester, then the instructor may recommend an Incomplete (I) for the course. The "I" may be assigned in place of a grade *only when **all** of the following conditions are met:* (a) the student has been making satisfactory progress in the course; (b) the student is unable to complete all coursework or final exam due to unusual circumstances that are beyond personal control and are acceptable to the instructor, and (c) the student presents these reasons before the time that the final grade roster is due. The semester credit hours for an Incomplete will not be used to calculate the grade point average.

The student and the instructor must submit an Incomplete Form detailing the work required and the time by which the work must be completed to their respective department chair or college dean for approval. The time limit established must not exceed one year. Should the student fail to meet all the work for the course within the time limit, then the instructor may assign zeros to the unfinished work, compute the course average for the student, and assign the appropriate grade. If a grade has yet to be assigned within one year, then the Incomplete will be changed to an F, or

NC. If the course was initially taken under the CR/NC grading basis, this may adversely affect the student's academic standing.

Grade Appeal Policy: Disputes regarding grades must be initiated within sixty (60) days from the date of receiving the final course grade by filing a Grade Appeal Form with the instructor who assigned the grade. A grade appeal should be used when the student thinks the final course grade awarded does not reflect the grades earned on assessments or follow the grading scale as documented in the syllabus. The student should provide the rationale for the grade appeal and attach supporting document about the grades earned. The form should be sent via email to the faculty member who assigned the grade. The faculty member reviews the rationale and supporting documentation and completes the instruction section of the form. The instructor should return the form to the student, even if a grade change is made at this level. If the student is not satisfied with the decision, the student may appeal in writing to the Chairperson of the department from which the grade was issued. In situations where there is an allegation of capricious grading, discrimination, or unlawful actions, appeals may go beyond the Chairperson to the Dean or the Dean's designee of the college from which the grade was issued, with that decision being final. The Grade Appeal form is found in the [Registrar's Form Library](#).

NOTE: The Grade Appeal Form is different from the Application for Appeal form submitted to the Student Appeals Committee, which does not rule on grade disputes as described in this policy.

Disability/Accessibility Services: In accordance with Section 504 of the Rehabilitation Act, Americans with Disabilities Act (ADA) and the ADA Amendments Act (ADAAA), the University of Texas at Tyler offers accommodations to students with learning, physical, and/or psychological disabilities. If you have a disability, including a non-visible diagnosis such as a learning disorder, chronic illness, TBI, PTSD, ADHD, or a history of modifications or accommodations in a previous educational environment, you are encouraged to visit <https://hood.accessiblelearning.com/UTTyler> and fill out the New Student application. The Student Accessibility and Resources (SAR) office will contact you when your application has been submitted and an appointment with the Assistant Director Student Accessibility and Resources/ADA Coordinator. For more information, including filling out an application for services, please visit the SAR webpage at <https://www.uttyler.edu/disability-services>, the SAR office located in the Robert Muntz Library, LIB 460, email saroffice@uttyler.edu, or call 903.566.7079."

Military Affiliated Students: UT Tyler honors the service and sacrifices of our military-affiliated students. If you are a student who is a veteran, on active duty, in the reserves or National Guard, or a military spouse or dependent, please stay in contact with your faculty member if any aspect of your present or prior service or family situation makes it difficult for you to fulfill the requirements of a course or creates disruption in your academic progress. It is important to make your faculty member aware of any complications as far in advance as possible. Your faculty member is willing to work with you and, if needed, put you in contact with university staff who are trained to assist you. The [Military and Veterans Success Center \(MVSC\)](#) has campus resources for military-affiliated students. The MVSC can be reached at MVSC@uttyler.edu or via phone at 903.565.5972.

Students on an F-1 Visa: To remain in compliance with Federal Regulations requirements you must do the following:

- Traditional face-to-face classes: Attend classes on the regular meeting days/times.
- Hybrid Classes: Attend all face-to-face classes convened by the instructor according to the schedule set for your specific course.
- Online course: Only one online course can count toward your full-time enrollment. Students are expected to be fully engaged and meet all requirements for the online course.

Academic Honesty and Academic Misconduct: The UT Tyler community comes together to pledge that "Honor and integrity will not allow me to lie, cheat, or steal, nor to accept the actions of those who do." Therefore, we enforce the [Student Conduct and Discipline policy](#) in the Student Manual Of Operating Procedures (Section 8).

FERPA: UT Tyler follows the [Family Educational Rights and Privacy Act \(FERPA\)](#). The course instructor will follow all requirements to protect your confidential information.

Absence for Official University Events or Activities: This course follows the practices related to [Excused Absences for University Events or Activities](#) as noted in the Catalog.

Absence for Religious Holidays: This course follows the practices related to [Excused Absences for Religious Holy Days as noted in the Catalog](#).

Absence for Pregnant Students: This course follows the requirements of Texas Laws SB 412, SB 459, SB 597/HB 1361 to meet the needs of pregnant and parenting students. Part of the supports afforded pregnant students includes excused absences. Faculty who are informed by a student of needing this support should make a referral to the Parenting Student Liaison. NOTE: Students must work with the Parenting Student Liaison in order to receive these supports. Students should reach out to the Parenting Student Liaison at parents@uttyler.edu and also complete the [Pregnant and Parenting Self-Reporting Form](#).

Campus Carry: We respect the right and privacy of students who are duly licensed to carry concealed weapons in this class. License holders are expected to behave responsibly and keep a handgun secure and concealed. More information is available at <http://www.uttyler.edu/about/campus-carry/index.php>.
