Exploring Latin America through Film: Culture, Sites, and Language (3 Credits)

Spring 2026: 01/12/2026 to 05/02/2026

Meeting Location and Time:

College of Arts and Science, Room 210, 6:00pm – 8:45pm on Mondays

COURSE DESCRIPTION

Selected readings from various authors, genres, periods, and themes. Concentrated study of language problems. Taught in Spanish. May be repeated for credit when content changes.

This course explores Latin America through film. Students analyze movies from select Spanish-speaking countries to study cultural practices, historical and social contexts, and language use. They research cultural sites and create virtual itineraries connecting cinematic portrayals to real-world locations. The course culminates in a creative project in which students write and perform an alternate ending to a selected film, demonstrating their understanding of language, culture, and place.

Course Delivery Method: Lecture; face-to-face

COURSE POLICIES

Attendance Policy: Students must be on time for class. Since this class only meets once per week, absences will drastically impact your course grade. Every two tardies counts as one absence. If the student knows they are going to be late or absent for/from class, they must notify the professor ahead of time. Notifying does not excuse the absence or tardy, but leniency will only be considered with prior notification. Each student is allotted 2 absences without penalty. For each subsequent absence (3+) the student loses percentage points from their final course grade. Minus -4% for 3 absences, -8% for 4 absences, thus doubling with each subsequent absence (i.e., -16% for 5, -32% for 6, -64% for 7 etc.) Save these absences for when you get sick or have a family emergency.

What absences are excused?

Excused Absence for University Events or Activities

- Each student delivers a copy of the memorandum to the instructors, in person, at least two weeks prior to the date of the planned absence. At that time the instructor will set a date and time with the student when the make-up assignment or equivalent work will be completed.

Excused Absence for Religious Holy Days

- Any student seeking to be excused for religious observance, must provide written notification to the instructors at least two weeks prior to the date of the planned absence. At that time the instructor will set a date and time with the student when any make-up assignment or equivalent work will be completed.

Excused Absence for Active Military Service

- A student who is in the Reserves or National Guard and receives orders to active duty for any purpose (including training) after a semester begins should immediately inform their professors of their activation and provide the Military and Veterans Success Center (MVSC) a copy of their military orders. (If the absence is for more than 25% of the class meetings, please refer to the policy on Withdrawal for Military Service.)

Absence Due to Injury, Illness, Death, or Major Illness in a Student's Immediate Family

- When a student has an injury/illness that is too severe or contagious for the student to attend class or when a student experiences a death or major illness in their immediate family the student may request of an instructor that the absence be excused. Instructors are encouraged to review documentation on a case-by-case basis and allow students to make up missed coursework. (These absences count toward the 2 allotted absences).

If you are unable to complete this course, you must drop/withdraw by January 26th to not receive a Q or W on your transcript. March 30th is the final date students are eligible to withdraw from courses for grades of “W” or “Q”. After this date students can no longer formally drop/withdraw from courses and will receive grades based upon both work completed and outstanding. Discontinued attendance will likely result in a failing grade per the Attendance Policy.

Due Dates: Due dates for all your work are listed in Canvas. All dates and times are based on Central Time.

Minimum Technical Expectations: To successfully complete this course, in addition to the requirements listed in your syllabus, you will need to have access to:

- Computer with reliable internet connection
- Ability to open and/or submit documents on MS Word and PowerPoint.

Minimum Student Skills: You should be able to use the features of your browser, download files, and attach files.

Etiquette Expectations:

- Standards of courtesy and respect must always be maintained in the classroom. Join the classroom oral language activities with respect and remember that consideration for others is crucial for any intellectual discussion.
- Name-calling and personal attacks are not permitted in our learning environment.
- Any violation of the standards of appropriate behavior will be reported to the Dean of Students and appropriate disciplinary action will be taken by the college.

AI is Not Permitted in this Course:

I expect all work students submit for this course to be their own. I have carefully designed all assignments and class activities to support your learning. Doing your own work, without human or artificial intelligence assistance, is best for your efforts in mastering course learning

objectives. For this course, I expressly forbid using ChatGPT or any other Generative Artificial Intelligence (GenAI) to aid in graded work. The use of translation apps like Spanish Dictionary or Google Translate may be used at the word level, but must not be used to translate full sentences, paragraphs, or essays. Evidence of advanced grammar beyond a student's demonstrable abilities will receive a 0 grade. Deviations from these guidelines will be considered a violation of UT Tyler's Honor Code and academic honesty values. Spell check in Word or Google Docs is permitted.

METHOD OF EVALUATION:

100-90	A
89-80	B
79-70	C
69-60	D
59 and below	F

Grade Distribution

Homework/Classwork	35%
Travel Itinerary Project	20%
Alternate Ending Project	20%
Participation	25%
See Attendance Policy on p. 2	

Check "Grades" in Canvas regularly for your grades. If you have questions about any grade, contact your professor immediately.

Expectations for Out-of-Class Study: Beyond the time required to attend each class meeting, students enrolled in this course should expect to spend at least an additional **6 hours** per week of their own time in course-related activities, including reading/watching required materials, research, completing assignments etc.

EXPLANATION OF COURSE COMPONENTS

Descriptions of major assignments and examinations:

- **Homework/Classwork:** Homework are assignments that are completed in preparation for class participation, whereas classwork constitutes all activities completed in class based on the topics presented. Both homework and classwork are submitted via Canvas.
- **Travel Itinerary Project:** Each student individually creates and presents a travel itinerary, designed for a particular clientele, that visits and explores each of the countries for which we watch a film (Chile, Uruguay, Ecuador, Mexico). More details are on

Canvas. Presentations will take place during finals week, Monday 4/27/26 6:00-8:00pm. *Mostly completed outside of class, recommended to complete each country's itinerary during the weeks we are discussing that country.*

- **Alternate Ending Project:** For one of the films covered in class, working in pairs, students will write and submit a script that provides an alternate ending to one of the films. The pair will then perform a dramatic reading of the script for the class. More details are on Canvas. Presentations will take place during finals week, Monday 4/27/26 6:00-8:00pm. *Mostly completed outside of class after April 6.*
- **Participation:** Students are responsible for completing all homework activities prior to class in preparation to fully participate in class. Failing to adequately prepare will impact the experience of your peers, therefore participation is taken seriously.

UNIVERSITY POLICIES AND INFORMATION

Withdrawing from Class: Students, you are allowed to [withdraw](#) (drop) from this course through the [Withdrawal Portal](#). Withdrawing (dropping) this course can impact Financial Aid, Scholarships, Veteran Benefits, Exemptions, Waivers, International Student Status, housing, and degree progress. Please speak with your instructors, consider your options, and speak with your advisor, and visit the One-Stop-Shop (STE 230) or email enroll@uttyler.edu to get a complete review of your student account and the possible impacts to withdrawing. We want you to make an informed decision. Make sure to carefully [read the implications for withdrawing from a course and the instructions](#) on using the [Withdrawal portal](#).

Texas law prohibits students from dropping more than six courses during their entire undergraduate career¹. The six courses dropped includes those from other 2-year or 4-year Texas public colleges and universities. Consider the impact withdrawing from this class has on your academic progress and other areas, such as financial implications. We encourage you to consult your advisor(s) and Enrollment Services for additional guidance.

CAUTION #1: Withdrawing before census day does not mean you get a full refund. Please see the [Tuition and Fee Refund Schedule](#).

CAUTION #2: All international students must check with the [Office of International Programs](#) before withdrawing. All international students are required to enroll full-time for fall and spring terms.

CAUTION #3: All UT Tyler Athletes must check with the Athletic Academic Coordinator before withdrawing from a course.

CAUTION #4: All veterans or military-affiliated students should consult with the [Military and Veterans Success Center](#).

Artificial Intelligence Statement: UT Tyler is committed to exploring and using artificial intelligence (AI) tools as appropriate for the discipline and task undertaken. We encourage discussing AI tools' ethical, societal, philosophical, and disciplinary implications. All uses of AI should be acknowledged as this aligns with our commitment to honor and integrity, as noted in UT Tyler's Honor Code. Faculty and students must not use protected information, data, or copyrighted materials when using any AI tool. Additionally, users should be aware that AI tools rely on predictive models to generate content that may appear correct but is sometimes shown to be incomplete, inaccurate, taken without attribution from other sources, and/or biased. Consequently, an AI tool should not be considered a substitute for traditional approaches to research. You are ultimately responsible for the quality and content of the information you submit. Misusing AI tools that violate the guidelines specified for this course is considered a breach of academic integrity. The student will be subject to disciplinary actions as outlined in UT Tyler's Academic Integrity Policy. Refer to the About This Course section of the UT Tyler Syllabus Module for specific information on appropriate use of AI in your course(s).

¹ Students who began college for the first time before 2007 are exempt from this law

Final Exam Policy: Final examinations are administered as scheduled. If unusual circumstances require that special arrangements be made for an individual student or class, the Dean of the appropriate college, after consultation with the faculty member involved, may authorize an exception to the schedule. Faculty members must maintain student final examination papers for a minimum of three months following the examination date.

Incomplete Grade Policy: If a student, because of extenuating circumstances, is unable to complete all the requirements for a course by the end of the semester, then the instructor may recommend an Incomplete (I) for the course. The "I" may be assigned in place of a grade *only when **all** of the following conditions are met:* (a) the student has been making satisfactory progress in the course; (b) the student is unable to complete all coursework or final exam due to unusual circumstances that are beyond personal control and are acceptable to the instructor, and (c) the student presents these reasons before the time that the final grade roster is due. The semester credit hours for an Incomplete will not be used to calculate the grade point average.

The student and the instructor must submit an Incomplete Form detailing the work required and the time by which the work must be completed to their respective department chair or college dean for approval. The time limit established must not exceed one year. Should the student fail to meet all the work for the course within the time limit, then the instructor may assign zeros to the unfinished work, compute the course average for the student, and assign the appropriate grade. If a grade has yet to be assigned within one year, then the Incomplete will be changed to an F, or NC. If the course was initially taken under the CR/NC grading basis, this may adversely affect the student's academic standing.

Grade Appeal Policy: Disputes regarding grades must be initiated within sixty (60) days from the date of receiving the final course grade by filing a Grade Appeal Form with the instructor who assigned the grade. A grade appeal should be used when the student thinks the final course grade awarded does not reflect the grades earned on assessments or follow the grading scale as documented in the syllabus. The student should provide the rationale for the grade appeal and attach supporting document about the grades earned. The form should be sent via email to the faculty member who assigned the grade. The faculty member reviews the rationale and supporting documentation and completes the instruction section of the form. The instructor should return the form to the student, even if a grade change is made at this level. If the student is not satisfied with the decision, the student may appeal in writing to the Chairperson of the department from which the grade was issued. In situations where there is an allegation of capricious grading, discrimination, or unlawful actions, appeals may go beyond the Chairperson to the Dean or the Dean's designee of the college from which the grade was issued, with that decision being final. The Grade Appeal form is found in the [Registrar's Form Library](#).

NOTE: The Grade Appeal Form is different from the Application for Appeal form submitted to the Student Appeals Committee, which does not rule on grade disputes as described in this policy.

It is important to make your faculty member aware of any complications as far in advance as possible. Your faculty member is willing to work with you and, if needed, put you in contact with university staff who are trained to assist you.
