

**MATH 1342 - Statistics
Fall 2023**

Professor: Dr. Christy Graves

Email: cgraves@uttyler.edu (preferred method of contact)

Phone: 565-5839

Office: RBN 4013

Office Hours: Tuesday and Thursday 8:00-9:20 and by appointment

Class Time: Tuesdays and Thursdays 9:30-10:50

Class Location: RBN 4024

Text: *Statistics: Unlocking the Power of Data, 3rd edition*, by Lock, Lock, Lock Morgan, Lock, & Lock. ISBN # 978-1119682165

Course Description: Measures of central tendency and dispersion, sampling, probability, testing of hypothesis, correlation and regression, and analysis of variance

Student Learning Outcomes: By the end of the course, successful students should be able to:

- Explain the use of data collection and statistics as tools to reach reasonable conclusions;
 - Recognize, examine, and interpret the basic principles of describing and presenting data;
 - Compute and interpret empirical and theoretical probabilities using the rules of probabilities and combinatorics;
 - Explain the role of probability in statistics;
 - Examine, analyze, and compare various sampling distributions for both discrete and continuous random variables;
 - Describe and compute confidence intervals;
 - Solve linear regression and correlation problems; and
 - Perform hypothesis testing using statistical methods.
-

Canvas: A Canvas site has been set up for this course. All handouts and announcements will be posted here. All assignments must be uploaded to Canvas.

Technology: Students will be required to have a device capable of internet access and access to Canvas. Students will need to have a way to scan or photograph their assignments and upload pdf documents to Canvas. Students will also need a *non-graphing* calculator. Graphing calculators are not allowed.

Final Exam:

The final exam will be cumulative and will be held on:

Thursday, December 7, 9:30-1:30

Exams

There will be 4 in-class exams. The exams are on the specific dates listed below:

Exam 1	Tuesday, September 12
Exam 2	Thursday, October 5
Exam 3	Tuesday, October 31
Exam 4	Thursday, November 30

- There are no make-up exams for any reason. Everyone has the opportunity of replacing their lowest exam score with their final exam score. (See the Grading section.) Thus, if you miss an exam, your final exam score will count for that missed exam.
- Non-graphing calculators are allowed on exams. **You must bring your own calculator! A phone is not acceptable.**

Homework

There will be a homework assignment after each section we cover.

- Homework will only be due/collected on exam days.
- You may either upload your homework as one pdf file to Canvas or turn in a physical copy on test day.
- If you complete all the assigned homework, **you can earn up to 6 bonus points on that test.** Bonus will be based on completion and correctness.

Lecture Notes

It is very important that you come to class, pay attention, and take notes. To this end, your lecture notes for each class period will be part of your course grade.

- All lecture notes must be uploaded to Canvas as a single pdf file.
- Lecture notes from class are due at midnight the class period after it is assigned. Due dates will be updated on Canvas.
- No late uploaded lecture notes will be accepted.

All lecture notes assignments are out of 4 points and are graded on completion. To receive full credit, your notes must contain all of the things I write down during class along with all examples and all work. There are 3 possible lecture note assignment grades:

- Lecture notes contain 100% of the material from class: 4/4
- Lecture notes contain at least half of the material from class but not all: 2/4
- Lecture notes contain less than half of the material from class: 0/4

Quizzes

After each section in the book is completed, you will be assigned a take-home quiz. These quizzes will be posted on Canvas and will usually be one page long. The goal of each quiz is to give you an idea of the format of exam questions. *You may use the text book, your notes, or collaborate with classmates on quizzes.*

- All quizzes must be uploaded to Canvas as a single pdf file.
- Quizzes are due at midnight the class period after it is assigned. Due dates will be updated on Canvas.
- No late quizzes will be accepted.

All quizzes are out of 4 points and are graded on correctness. To receive full credit, your quiz should have all problems completed with all answers correct and all work shown.

Academic Dishonesty

Lecture notes, homework, and quizzes must be written in your own handwriting. Uploading another student's lecture notes or homework is an act of academic dishonesty and will result in a "0" grade on ALL Lecture Note grades or Homework grades or Quiz grades in the course. Any form of academic dishonesty will not be tolerated, and all cases will be reported to UT Tyler Judicial Affairs.

Grading

Your final grade in this course will be based on your performance on lecture notes, quizzes, in-class exams, and the final exam. Your grade will be computed two different ways:

Method 1:		Method 2:	
Lecture Notes	5%	Lecture Notes	5%
Quizzes	5%	Quizzes	5%
Highest 4 Exam Scores	60%	Highest 3 Exam Scores	45%
Final Exam	30%	Final Exam	45%

Your final course grade will be the maximum of these.

The grading scale is as follows:

- A final course grade of 90% is at least an A;
- A final course grade of 80% is at least a B;
- A final course grade of 70% is at least a C;
- A final course grade of 60% is at least a D;
- Anything lower than a D is an F.

Late Work, Make-up Exams, and Extra Credit

There is no late work accepted for any reason. Your lowest 3 lecture note assignment grades are dropped. If you miss a lecture and can't get notes from someone, that will be one of your dropped scores. Your lowest 3 quiz grades will also be dropped.

There are no make-up exams. If you miss an exam, your final course grade will automatically be computed using Method 2 in the Grading section.

Extra credit: Homework is due on test day and is all extra credit. You may earn up to 6 bonus points on each exam by turning in the homework.

Attendance (Fully Face-to-Face Format): Students are expected to attend every lecture, and are responsible for any announcements made during lecture. The course moves quickly, and any absence will be detrimental to the student's performance. In the event that a student needs to miss class due to an emergency or illness:

- The student is responsible for keeping up in the the course on their own for the duration of the emergency or illness;
- The student is responsible for getting a copy of the lecture notes from a classmate;
- The student may request a meeting with the professor upon returning to campus. Before this meeting, the student should have copies of the class notes and should have read the relevant sections in the textbook;
- The student is responsible for turning in any assignments due during the duration of the emergency or illness. Any assignment not turned in will count toward one of the "dropped" assignments; and

- If the student misses an exam, the student's final exam score will count for that missed exam.

Important Dates: Exam dates are subject to change.

- September 1 - Census Date
- September 12 - Exam 1
- October 5 - Exam 2
- October 30 - Withdraw Deadline
- October 31 - Exam 3
- November 30 - Exam 4
- December 7 - Final Exam

Student Resources:

- The Mathematics Learning Center (MLC) in RBN 4021 is an open access computer lab for math students. There are *free* tutors on duty for several hours each day to assist students in math courses. See <https://www.uttyler.edu/math/math-learning-center/> for the MLC tutoring schedule.

UNIVERSITY POLICIES AND ADDITIONAL INFORMATION THAT MUST APPEAR IN EACH COURSE SYLLABUS

UT Tyler Honor Code

Every member of the UT Tyler community joins together to embrace: Honor and integrity that will not allow me to lie, cheat, or steal, nor to accept the actions of those who do.

Students Rights and Responsibilities

To know and understand the policies that affect your rights and responsibilities as a student at UT Tyler, please follow this link:

<http://www.uttyler.edu/wellness/rightsresponsibilities.php>

Campus Carry

We respect the right and privacy of students 21 and over who are duly licensed to carry concealed weapons in this class. License holders are expected to behave responsibly and keep a handgun secure and concealed. More information is available at

<http://www.uttyler.edu/about/campus-carry/index.php>

UT Tyler a Tobacco-Free University

All forms of tobacco will not be permitted on the UT Tyler main campus, branch campuses, and any property owned by UT Tyler. This applies to all members of the University community, including students, faculty, staff, University affiliates, contractors, and visitors.

Forms of tobacco not permitted include cigarettes, cigars, pipes, water pipes (hookah), bidis, kreteks, electronic cigarettes, smokeless tobacco, snuff, chewing tobacco, and all other tobacco products.

There are several cessation programs available to students looking to quit smoking, including counseling, quitlines, and group support. For more information on cessation programs please visit www.uttyler.edu/tobacco-free.

Grade Replacement/Forgiveness and Census Date Policies

Students repeating a course for grade forgiveness (grade replacement) must file a Grade Replacement Contract with the Enrollment Services Center (ADM 230) on or before the Census Date of the semester in which the course will be repeated. Grade Replacement Contracts are available in the Enrollment Services Center or at <http://www.uttyler.edu/registrar>. Each semester's Census Date can be found on the Contract itself, on the Academic Calendar, or in the information pamphlets published each semester by the Office of the Registrar.

Failure to file a Grade Replacement Contract will result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade replacement for only three course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract.

The Census Date is the deadline for many forms and enrollment actions of which students need to be aware. These include:

- Submitting Grade Replacement Contracts, Transient Forms, requests to withhold directory information, approvals for taking courses as Audit, Pass/Fail or Credit/No Credit.
- Receiving 100% refunds for partial withdrawals. (There is no refund for these after the Census Date)
- Schedule adjustments (section changes, adding a new class, dropping without a "W" grade)
- Being reinstated or re-enrolled in classes after being dropped for non-payment
- Completing the process for tuition exemptions or waivers through Financial Aid

State-Mandated Course Drop Policy

Texas law prohibits a student who began college for the first time in Fall 2007 or thereafter from dropping more than six courses during their entire undergraduate career. This includes courses dropped at another 2-year or 4-year Texas public college or university. For purposes of this rule, a dropped course is any course that is dropped after the census date (See Academic Calendar for the specific date).

Exceptions to the 6-drop rule may be found in the catalog. Petitions for exemptions must be submitted to the Enrollment Services Center and must be accompanied by documentation of the extenuating circumstance. Please contact the Enrollment Services Center if you have any questions.

Disability/Accessibility Services

In accordance with Section 504 of the Rehabilitation Act, Americans with Disabilities Act (ADA) and the ADA Amendments Act (ADAAA) the University of Texas at Tyler offers accommodations to students with learning, physical and/or psychological disabilities. If you have a disability, including a non-visible diagnosis such as a learning disorder, chronic illness, TBI, PTSD, ADHD, or you have a history of modifications or accommodations in a previous educational environment, you are encouraged to visit

<https://hood.accessiblelearning.com/UTTyler> and fill out the New Student application. The Student Accessibility and Resources (SAR) office will contact you when your application has been submitted and an appointment with Cynthia Lowery, Assistant Director of Student Services/ADA Coordinator. For more information, including filling out an application for services, please visit the SAR webpage at <http://www.uttyler.edu/disabilityservices>, the SAR office located in the University Center, # 3150 or call 903.566.7079.

Student Absence due to Religious Observance

Students who anticipate being absent from class due to a religious observance are requested to inform the instructor of such absences by the second class meeting of the semester.

Student Absence for University-Sponsored Events and Activities

If you intend to be absent for a university-sponsored event or activity, you (or the event sponsor) must notify the instructor at least two weeks prior to the date of the planned absence. At that time the instructor will set a date and time when make-up assignments will be completed.

Social Security and FERPA Statement

It is the policy of The University of Texas at Tyler to protect the confidential nature of social security numbers. The University has changed its computer programming so that all students have an identification number. The electronic transmission of grades (e.g., via e-mail) risks violation of the Family Educational Rights and Privacy Act; grades will not be transmitted electronically.

Emergency Exits and Evacuation

Everyone is required to exit the building when a fire alarm goes off. Follow your instructor's directions regarding the appropriate exit. If you require assistance during an evacuation, inform your instructor in the first week of class. Do not re-enter the building unless given permission by University Police, Fire department, or Fire Prevention Services.

Student Standards of Academic Conduct

Disciplinary proceedings may be initiated against any student who engages in scholastic dishonesty, including, but not limited to, cheating, plagiarism, collusion, the submission for credit of any work or materials that are attributable in whole or in part to another person, taking an examination for another person, any act designed to give unfair advantage to a student or the attempt to commit such acts.

- i. "Cheating" includes, but is not limited to:
 - copying from another student's test paper;
 - using, during a test, materials not authorized by the person giving the test;
 - failure to comply with instructions given by the person administering the test;
 - possession during a test of materials which are not authorized by the person giving the test, such as class notes or specifically designed "crib notes". The presence of textbooks constitutes a violation if they have been specifically prohibited by the person administering the test;
 - using, buying, stealing, transporting, or soliciting in whole or part the contents of an unadministered test, test key, homework solution, or computer program;
 - collaborating with or seeking aid from another student during a test or other assignment without authority;
 - discussing the contents of an examination with another student who will take the examination;
 - divulging the contents of an examination, for the purpose of preserving questions for use by another, when the instructors has designated that the examination is not to be removed from the examination room or not to be returned or to be kept by the student;
 - substituting for another person, or permitting another person to substitute for oneself to take a course, a test, or any course-related assignment;
 - paying or offering money or other valuable thing to, or coercing another person to obtain an unadministered test, test key, homework solution, or computer program or information about an unadministered test, test key, home solution or computer program;
 - falsifying research data, laboratory reports, and/or other academic work offered for credit;
 - taking, keeping, misplacing, or damaging the property of The University of Texas at Tyler, or of another, if the student knows or reasonably should know that an unfair academic advantage would be gained by such conduct; and
 - misrepresenting facts, including providing false grades or resumes, for the purpose of obtaining an academic or financial benefit or injuring another student academically or financially.
- ii. "Plagiarism" includes, but is not limited to, the appropriation, buying, receiving as a gift, or obtaining by any means another's work and the submission of it as one's own academic work offered for credit.
- iii. "Collusion" includes, but is not limited to, the unauthorized collaboration with another person in preparing academic assignments offered for credit or collaboration with another person to commit a violation of any section of the rules on scholastic dishonesty.
- iv. All written work that is submitted will be subject to review by plagiarism software.
