

## Drumline Spring 2026 Course Syllabus

### Course Information

Instructor: Tyree Hastings  
Course No.: MUEN 1131  
Email: [thastings@uttyler.edu](mailto:thastings@uttyler.edu)  
Phone: 509.981.8054

Office #: FAC 2220  
Office Hours: MWF 11-12pm  
Meeting Time: TTH 5:30-7pm  
Location: FAC2007

### Course Description

Drumline is a time-intensive ambassador ensemble for the university. The group performs cadences at approximately 20 events throughout a semester both on and off campus.

### Course Objectives

Upon completion of this course, students will:

1. Demonstrate ensemble skills such as non-verbal communication, aural adjustment, and effective rehearsal techniques.
2. Demonstrate proper technique on a variety of percussion instruments in practical performance situations.

### Preparation and Practice

Students will be expected to come to rehearsals prepared with designated sections of music. A student who demonstrates a lack of preparation may be asked to leave.

### Attendance

Attendance is required at all rehearsals unless prior approval or extenuating circumstances occur. After two unexcused absences, each following absence will result in a grade deduction of one letter. Unexcused absence from a performance will result in a grade deduction.

### Grading

Memorization: 25%  
Attendance: 75%

## **AI Technology**

UT Tyler is committed to exploring and using artificial intelligence (AI) tools as appropriate for the discipline and task undertaken. We encourage discussing AI tools' ethical, societal, philosophical, and disciplinary implications. All uses of AI should be acknowledged as this aligns with our commitment to honor and integrity, as noted in UT Tyler's Honor Code. Faculty and students must not use protected information, data, or copyrighted materials when using any AI tool. Additionally, users should be aware that AI tools rely on predictive models to generate content that may appear correct but is sometimes shown to be incomplete, inaccurate, taken without attribution from other sources, and/or biased. Consequently, an AI tool should not be considered a substitute for traditional approaches to research. You are ultimately responsible for the quality and content of the information you submit. Misusing AI tools that violate the guidelines specified for this course (see below) is considered a breach of academic integrity. The student will be subject to disciplinary actions as outlined in UT Tyler's Academic Integrity Policy.

You can use AI programs (ChatGPT, Copilot, etc.) in this course. These programs can be powerful tools for learning and other productive pursuits, including completing assignments in less time, helping you generate new ideas, or serving as a personalized learning tool. However, your ethical responsibilities as a student remain the same. You must follow UT Tyler's Honor Code and uphold the highest standards of academic honesty. This applies to all uncited or improperly cited content, whether created by a human or in collaboration with an AI tool. If you use an AI tool to develop content for an assignment, you must cite the tool's contribution to your work.
