Assignments are dependent on field agency requirements, with the agency field instructor being responsible for determining and explaining assignment specifics and due dates.

Each student is in Field Practicum beginning with first day of the fall semester and commencing with the last Friday before finals week. Students may begin their practicum two weeks prior to the start of the semester and may continue two weeks past finals week if the agency, field director, and student agree it is important for client continuity.

Students must complete a minimum of 210 hours in a field agency during this first semester of their split Field Practicum*. Students may complete an additional 20 hours of field to be carried over into their second semester of Field Practicum if agency, field director and student are in agreement.

Each student must also successfully complete the goals/behaviors specified in their Learning Contract, as well as successfully complete all the specific behaviors listed in the Mid-Term Evaluation, including any corrective action provided during the evaluation.

Students in SOCW 4601 Social Work Field Practicum I are also co-enrolled in SOCW 4140, Pre-Field Orientation. Students meet with the Social Work Program Field Director on Tuesday afternoons with other field students. Assignments for SOCW 4140 are provided separately.

**Disclaimer: The completion of the minimum time commitment of 210 hours for Field Split I does not ensure a passing grade. Achievement of the behaviors for each of the nine core competencies must be demonstrated.*

Grade Replacement/Forgiveness and Census Date Policies

Students repeating a course for grade forgiveness (grade replacement) must file a Grade Replacement Contract with the Enrollment Services Center (ADM 230) on or before the Census Date of the semester in which the course will be repeated. Grade Replacement Contracts are available in the Enrollment Services Center or at <http://www.uttyler.edu/registrar>. Each semester's Census Date can be found on the Contract itself, on the Academic Calendar, or in the information pamphlets published each semester by the Office of the Registrar.

Failure to file a Grade Replacement Contract will result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade replacement for only three course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract.

The Census Date is the deadline for many forms and enrollment actions of which students need to be aware. These include:

- Submitting Grade Replacement Contracts, Transient Forms, requests to withhold directory

information, approvals for taking courses as Audit, Pass/Fail or Credit/No Credit.

- Receiving 100% refunds for partial withdrawals. (There is no refund for these after the Census Date)
- Schedule adjustments (section changes, adding a new class, dropping without a “W” grade)
- Being reinstated or re-enrolled in classes after being dropped for non-payment
- Completing the process for tuition exemptions or waiver through Financial Aid State-Mandated

Course Drop Policy

Texas law prohibits a student who began college for the first time in Fall 2007 or thereafter from dropping more than six courses during their entire undergraduate career. This includes courses dropped at another 2-year or 4-year Texas public college or university. For purposes of this rule, a dropped course is any course that is dropped after the census date (See Academic Calendar for the specific date).

Exceptions to the 6-drop rule may be found in the catalog. Petitions for exemptions must be submitted to the Enrollment Services Center and must be accompanied by documentation of the extenuating circumstance. Please contact the Enrollment Services Center if you have any questions.
