Each week there will be assigned readings with questions, assignments or discussion posts to answer. Weekly assignments will be submitted by the due date in Canvas. These assignments will help guide our in-class discussion.

**Reflection Paper:**

Due 1/22/24

As you begin your journey into the world of Social Work it is ideal to take a moment and reflect on why you have decided to embark on this journey. It is also important to set some personal goals. Address and discuss the following questions (2-3 pages double spaced in word):

1. Why have you chosen Social Work as your field of study?
2. What past experiences do you bring that may influence your studies?
3. What are your goals while going through the program?
4. What population are you interested in working with as a Social Worker.
5. What are your career goals?

**Group Paper:**

Due 3/10/24

Attend and observe a group meeting in your surrounding community. Examples of types of groups may include community groups, self-help groups, task groups, educational groups, etc. You will need to get the group you plan to attend approved, in advance, by the instructor. In order to do so timely, please email the instructor no later than week 3 of the course with details regarding your group for approval.

For this assignment, you are to objectively analyze the group you observe. In order to do this, it is recommended for you to refrain from using a group of which you are currently a member for this assignment. You will also need to maintain confidentiality of group members, so when writing the paper you can refer to group members as “one group member/participant”.

Please complete the following requirements in a 3- 5 page paper:

- 1) Explain the purpose of the group: why does the group meet? What need in the community does the group fulfill? What type of group is this? How long has the group existed? (2 paragraphs)
- 2) Describe the persons constituting the group membership: How many people attended the session you observed? What diversity did you observe among members? Discuss the importance of diversity in your paper. (2 paragraphs)
- 3) The environment in which the meeting took place: was the environment welcoming and how so? Was the meeting space adequate for the size of the group? Include any other relative observations related to environment. (1-2 paragraphs)
- 4) Issues dealt with by the group: What was the structure of the meeting? (Only discuss a brief overview, do not give a play by play of what happened) What were the major topics discussed by the group? (2-3 paragraphs)
- 5) What leadership approach did the leader apply to the group session? Did this approach seem effective for this type of group? Explain your reasoning. (1-2 paragraphs)
- 6) Comment on the potential value and influence of the group for you and your personal/professional aspirations and the field of social work. (1-2 paragraphs)

### **Organization Interview:**

Due 4/7/24

For this assignment you will write a 4 – 5 page paper which includes all requirements below.

1. Contact a Community Organization in your surrounding community. Interview an agency employee (likely in a management position) either in person or by phone.
2. In your interview with the agency representative, ask relative questions to gain an understanding of service provision of the agency: what types of problems do agency clients typically need help addressing? what services does the agency provide? How do they assess clients? After assessment, how does the agency determine what interventions to use with clients? What percentage of clients represent populations at risk/minority groups? How does this compare to the community in which the agency is located? What is the mission/vision? Funding set-up? (3-5 paragraphs)
3. Ask questions to gain an understanding of how the agency engages with clients. Is there an employee handbook/Code of Conduct? How does the agency engage with the community? How do they raise awareness of their services and availability to meet needs of community members? (2-3 paragraphs)

4. Next, ask questions to gain an understanding of the organizational structure of the agency. What is the organizational structure? Does the agency include all levels of employees in decision making? How is morale at the agency-how does the agency know? Who determines policy and procedure and how is it communicated to all levels of employees? What is the agency turnover rate? What contributes to this? (3-5 paragraphs)

5. Furthermore, ask questions to gain an understanding of how the agency evaluates its effectiveness. Does the agency meet its goals? How do they know? Do they conduct any type of evaluation surveys and if so, how often? Is the method of evaluation effective? Why or why not? (2-3 paragraphs)

6) Comment on the potential value and influence of the organization for you and your personal/professional aspirations and the field of social work. (1-2 paragraphs)

### **Grade Replacement/Forgiveness and Census Date Policies**

Students repeating a course for grade forgiveness (grade replacement) must file a Grade Replacement Contract with the Enrollment Services Center (ADM 230) on or before the Census Date of the semester in which the course will be repeated. Grade Replacement Contracts are available in the Enrollment Services Center or at <http://www.uttyler.edu/registrar>. Each semester's Census Date can be found on the Contract itself, on the Academic Calendar, or in the information pamphlets published each semester by the Office of the Registrar.

Failure to file a Grade Replacement Contract will result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade replacement for only three course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract.

The Census Date is the deadline for many forms and enrollment actions of which students need to be aware. These include:

- Submitting Grade Replacement Contracts, Transient Forms, requests to withhold directory information, approvals for taking courses as Audit, Pass/Fail or Credit/No Credit.
- Receiving 100% refunds for partial withdrawals. (There is no refund for these after the Census Date)
- Schedule adjustments (section changes, adding a new class, dropping without a “W” grade)
- Being reinstated or re-enrolled in classes after being dropped for non-payment
- Completing the process for tuition exemptions or waiver through Financial Aid State-Mandated

### **Course Drop Policy**

Texas law prohibits a student who began college for the first time in Fall 2007 or thereafter from dropping more than six courses during their entire undergraduate career. This includes courses dropped at another 2-year or 4-year Texas public college or university. For purposes of this rule, a dropped course is any course that is dropped after the census date (See Academic Calendar for the specific date).

Exceptions to the 6-drop rule may be found in the catalog. Petitions for exemptions must be submitted to the Enrollment Services Center and must be accompanied by documentation of the extenuating circumstance. Please contact the Enrollment Services Center if you have any questions.
