These questions will require you to demonstrate knowledge and understanding of substantive law and terminology, as well as the ability to apply the law to or analyze specific fact situations. Students will be asked to select the best answer among multiple choice answers. None of the exams are comprehensive.

**Exams will be available from Sunday afternoon until approximately Monday evening on the days designated in the syllabus. You will complete the entire exam on Canvas, and it will be timed. There will also be multiple versions of the exam. You will be required to use ProctorU to access and complete the exam. You will need a computer, webcam and microphone (either computer installed or separate) to take the exams. Webcams are available at Walmart or Amazon for \$10-15. You are not permitted to use your textbook, notes, or any other resources on the exam. Your exams will be proctored via a web camera with a microphone by ProctorU. During your exam you are not permitted to leave the computer (bathroom breaks, etc.), you must take the exam in a quiet room, and you must have good lighting and sound.** You will need to follow the registration instructions for ProctorU posted in the Getting Started section on Canvas. You do not need to schedule a time to take the exam. You may log on and take it any time during the exam window. Copying any questions/answers on an exam or discussing exam questions with other students is considered cheating and may result in failing the course and/or other scholastic dishonesty disciplinary actions.

**MAKE-UP EXAMS WILL NOT BE GIVEN WITHOUT PRIOR APPROVAL.**

**IMPORTANT: Policy on proctored exams for online classes**

**Exams:** The Soules College of Business is pleased to offer courses online in an asynchronous environment in order to enhance their accessibility. In order to preserve academic integrity in these online courses, we observe the following testing policy.

- 1) Classes offered online may have up to two tests/examinations offered in a proctored setting.
- 2) These proctored exams should have meaningful impact on a student's grade in class.
- 3) Exams administered online should be proctored using a proctoring service approved by the University.
- 4) Students must register for the proctoring service using information provided by the instructor (on Canvas).
- 5) Exam proctoring will be at no cost to the student provided that the exam is in a timely manner per the course instructions. Students may be billed for cancelling or rescheduling an exam per the provider's fee schedule.

**2. Contract Negotiation Project:** The class will be divided into several groups. Each group will represent either the buyer or seller in a contract negotiation. A sample contract, fact sheet, and contract worksheet will be provided on Canvas. The teams will either draft an initial contract or a response to the initial contract. Both sides must come to an agreement and submit the final agreed upon contract as a final project near the end of the semester. All materials needed will be uploaded to Canvas, and discussion groups will be set up on Canvas for the purpose of the negotiation exercise. Your final grade will be based on the terms proposed, nature of the negotiations on the discussion board, and the final contract.

**3. Quizzes:** We will have 15 short quizzes over the course of the semester. The quizzes will be found in MindTap within the chapters. Due dates will be posted there as well. There will be no make-ups for missed quizzes.

**4. Case Discussion Board:** The class will be divided into groups (same as #2 above) and assigned a case or topic from one of the chapters in the text. A question or issue regarding the case will be posted. Students in the assigned groups will monitor and guide the discussion board postings. Posting is mandatory for your assigned topic but optional for other topics. Points will be assigned for your thoughtful, meaningful, and relevant postings to the discussion board. To gain full credit, you must make at least one original post (10 pts ea) and three substantive responsive posts (5 pts ea). Postings on the discussion board which are irrelevant, disrespectful, or which violate any provision of the terms of use of UT Tyler will result in point deductions.

**5. Legal Research Project:** A list of possible projects will be posted. You will choose one and conduct outside research on a real world business law topic. Each project is different and has its own requirements.
