Family Business Series

Fastenal showcased the No. 99 Fastenal Ford Fusion in the College of Business and Technology parking lot. Attendees had an up-close look at the race car while enjoying hot dogs and games provided by the Fastenal crew. Fastenal also visited classes to encourage students to attend the upcoming career fair.

CFSE Overview

The Center for Family and Small Enterprises (CFSE) was developed by The University of Texas at Tyler's College of Business & Technology. Our goal is to support and encourage the success of family and small businesses in the East Texas area. CFSE provides a platform for education, resources, advice and counsel, networking opportunities, and interactive programs to address the issues and challenges that family and small businesses encounter.

CFSE is committed to partnering with family and small businesses in the East Texas area. If you or someone you know is interesting in being our next campus showcase, contact Dr. Jim Cater, Center for Family and Small Enterprises Director, jcater@uttyler.edu or 903.565.5518.

The Center for Family & Small Enterprises held its second Family Business Series featuring Fastenal on October 23, 2014. The series provided an interactive learning and networking experience for UT Tyler students, faculty and staff, as well as family and small business owners in the East Texas area.
