Family Business Series

Motor Trike showcased one of their RV's and some trikes in the College of Business and Technology parking lot, Attendees had an up-close look at what they do; transforming two-wheeled motorcycles into three wheeled trikes with their conversion kits.

The Center for Family & Small Enterprises held the first inaugural Family Business Series featuring Motor Trike, Inc. on February 18, 2014. The series provided an interactive learning and networking experience for UT Tyler students, faculty and staff, as well as family and small business owners in the East Texas area.
