### Tyler Veterans Entrepreneurship Boot Camp

Dr. Jim Cater, CFSE Director, spoke about “Creating and Using Business Plans” to an enthusiastic group of veterans who are interested in starting their own businesses on March 19, 2016 at the Tyler Veterans Entrepreneurship Boot Camp. The event was well attended, entertaining, fun, and highly successful.

### Upcoming Events

The Center for Family & Small Enterprises (CFSE) will hold its third annual Small Business Boot Camp this coming fall. Dates, time, and the location are still being determined. The event will take place over a course of four evenings, with one event each week. The series will provide an interactive learning and networking experience for UT Tyler students, faculty and staff, as well as family and small business owners in the East Texas area. Please continue to check our website for more information about the upcoming event.

Sponsorships and donations are needed for our next Small Business Boot Camp. If you or someone you know is interested, please contact Jessica Brown, Marketing Coordinator for the College of Business and Technology, [jessicabrown@uttyler.edu](mailto:jessicabrown@uttyler.edu) or 903.565.5741.

### CFSE Overview

Our goal is to support and encourage the success of family and small businesses in the East Texas area. CFSE provides a platform for education, resources, advice and counsel, networking opportunities, and interactive programs to address the issues and challenges that family and small businesses encounter.
