Syllabus Information

A syllabus is a statement of intent by the course instructor to clearly explain what a student must do and the timeline for such tasks to complete the course. A syllabus protects students from arbitrary or untimely changes in course requirements and due dates.

UT Tyler faculty shall provide students with a course syllabus in the Syllabus Module within Canvas (UT Tyler's Learning Management System). Faculty may also distribute syllabi in class if desired. Within the Syllabus Module, faculty provide students with their contact information and course-specific information. Undergraduate and Online Education staff will update the Student Resources and University Policies and Information pages in the Syllabus Module each semester. Undergraduate faculty are also required to provide their department/school with their syllabi for posting on the UT Tyler website as required by HB 2504. In the syllabi provided to the department, faculty may note that Student Resources and University Policies and Information are in Canvas.

Syllabi for concurrently taught undergraduate and graduate courses (e.g., CENG 4314/5314) must clearly describe the different expectations of graduate students that are substantively and progressively more advanced than those of the undergraduates. The delineation of expectations can occur in a separate graduate syllabus or a combined syllabus.

Each syllabus MUST contain the following minimum information.

1. Instructor name, office, phone, and email contact
2. Office hours (3 hours minimum per week, plus by appointment)
3. TA Contact (if appropriate)
4. Course Overview
5. Student Learning Outcomes
6. Required Textbooks and Readings and Recommended (if applicable)
7. Special Course Notes (e.g., external websites or resources required, proctoring requirements, field trips, etc.)
8. Assignments with weights/point values and grading scales. Brief descriptions of significant assignments are required.
9. Late Work and Make-Up Exam expectations
10. Attendance policy (optional)
11. Calendar of Topics, Readings, and Due Dates

The following information is provided within the Syllabus Module related to Student Resources and University Policies and Information.

University Policies and Information

- **Withdrawing from Class** - Students are allowed to withdraw (drop) from a course through the University's [Withdrawal Portal](#). Texas law prohibits students who began college for the first time in Fall 2007 or thereafter from dropping more than six courses during their entire undergraduate career. The number includes courses dropped at other 2-year or 4-year Texas public colleges and universities. Make sure to consider the impact withdrawing from any course has on your academic progress as well as the financial implications. We encourage you to consult your advisor(s) and financial aid for additional guidance. CAUTION #1: Withdrawing before census day does not mean students receive a full refund. Please see the [Tuition and Fee Refund Schedule](#). CAUTION #2: All international students must check with the [Office of International Programs](#) before withdrawing. All international students are required to enroll full-time for fall and spring terms.

- **Final Exam Policy**

Final examinations are administered as scheduled. If unusual circumstances require that special arrangements be made for an individual student or class, the dean of the appropriate college, after consultation with the faculty member involved, may authorize an exception to the schedule. Faculty members are required to maintain student final examination papers for a minimum of three months following the examination date.

- **Incomplete Grade Policy**

If a student, because of extenuating circumstances, is unable to complete course requirements by the end of the semester, then the instructor may recommend an Incomplete (I) for the course. The "I" may be assigned in lieu of a grade only when all of the following conditions are met: (a) the student has been making satisfactory progress in the course; (b) the student is unable to complete all course work or final exam due to unusual circumstances that are beyond personal control and are acceptable to the instructor; and (c) the student presents these reasons prior to the time that the final grade roster is due. The semester credit hours for an Incomplete will not be used to calculate the grade point average for a student.

The student and the instructor must submit an Incomplete Form detailing the work required and the time by which the work must be completed to their respective department chair or college dean for approval. The time limit established must not exceed one year. Should the student fail to complete the work for the course within the time limit, the instructor may assign zeros to the unfinished work, compute the course average for the student, and assign the appropriate grade. If a grade has not been assigned within one year, then the Incomplete will be changed to an F or to NC, if the course was initially taken under the CR/NC grading basis.

- **Grade Appeal Policy:** - UT Tyler's Grade Appeal policy requires the completion of a Grade Appeal form for this action to take place. The grade appeal begins with the instructor of the

course. If a student does not agree with the decision of the instructor, the student may then move the appeal to the department chair/school director for that course. If the student is still dissatisfied with the decision of the chair/director, the appeal moves to the Dean of the College offering that course, who has the final decision. Grade appeals must be initiated within sixty (60) days from the date of receiving the final course grade. The Grade Appeal form is found on the [Registrar's Form Library](#).

It is important to make your faculty member aware of any complications as far in advance as possible. Your faculty member is willing to work with you and, if needed, put you in contact with university staff who are trained to assist you.
