COURSE MATERIALS

Required Textbook

The Legal Environment of Business, Text and Cases, 11th Ed.
by Frank B. Cross; Roger LeRoy Miller (Cengage 2021)

eBook: ISBN-13: 9780357693278
Hardback: ISBN-13: 9780357129760

Because of the staggering price of the print version, it is recommended that you get the eBook or a Cengage unlimited plan. If you prefer print, look at a rental. We will NOT use any of the MindTap materials available through Cengage.

The UT Tyler Bookstore has it, but I would not pay for the print textbook unless that is best for your learning style. A digital rental is \$49.49 through the bookstore.

You can also get semester access to the eTextbook from the publisher for about \$42.

Supplemental Materials I may also assign or distribute supplemental materials, which may include cases, statutes, administrative regulations, articles or excerpts from periodicals. **CHECK CANVAS** frequently for additional readings. I may also point you to some outside links for other materials or information of interest. Don't worry--you don't have to memorize the information in the supplemental materials. But chances are, if you ignore the supplemental materials, you won't get as much out of this course.

CANVAS & PATRIOT MAIL

Announcements, notifications, assignments, due dates, supplemental materials, class updates, changes in the course schedule, grades and more will be posted on or accessible through [Canvas](#). Additional notifications will be sent to your [Patriot email](#) address. **You are expected to regularly check Canvas and your Patriot email for notifications about this class.**

COURSE OVERVIEW/LEARNING OUTCOMES

- A. Course Overview. Introduction to the legal environment of business, legal reasoning, and historical perspective. The influence on economic activity by regulatory agencies in their pursuit of public policy goals is stressed. This course also includes an introduction to business and professional ethics.
- B. Topics Covered/Learning Outcomes. By the end of the course, it is expected that you will understand how the law (in the various legal areas we will cover) impacts individuals, organizations, and society. You will be able to use analytical and critical problem solving skills to apply the legal concepts you learn in this course to a myriad of fact situations. Broadly speaking, the areas of the law we will look at include:
- Law and Legal Reasoning
 - Business and the Constitution
 - Ethics in Business
 - Courts and Alternative Dispute Resolution
 - Court Procedures
 - Administrative Agencies
 - Tort Law
 - Criminal Law and Cybercrime
 - Formation of Traditional and E-Contracts
 - Contract Performance, Breach, and Remedies
 - Corporations
 - Limited Liability Business Forms
 - Investor Protection and Corporate Governance
 - Agency Relationships
 - Employment Law
 - Employment Discrimination
 - Intellectual Property Rights
 - Antitrust Law

REQUIRED WORK

- A. Examinations. There will be three (3) exams, including the final exam, each of which will be equally weighted. The exams will be made up of multiple choice and true/false questions. The examinations may cover any

matters contained in the course materials or which are discussed in class. Together, the exams are worth 300 points.

The exams must be taken on the date and time specified in the Course Schedule. If, due to illness or other compelling reasons beyond your control, you are unable to take an exam during the specified time, you should contact me (in advance if possible) to make other arrangements for taking the exam.

- B. Quizzes. There will be 10 quizzes throughout the semester, generally in advance of the class session discussing the material. The quizzes are open book, meaning you can freely look at your Cengage textbook for the answers. The quizzes are designed primarily to encourage you to read the material before you come to class.

The quizzes must be taken by the date and time specified in the Course Schedule. Each quiz is worth 10 points, and together, the quizzes are worth 100 points.

- C. Attendance. Attendance is worth 100 points. Attendance will not be taken on exam dates. On all other class periods, you will earn 4 points for each class attended, for up to 100 points. BUT, if I call on you and you appear to me to be unprepared for class, or if I suspect that you are doing something else on your laptop, tablet or phone, or if you otherwise engage in disruptive behavior, I will deduct from your attendance points for that day IN MY SOLE DISCRETION. I MAY ALSO DEMAND THAT YOU LEAVE THE CLASSROOM!

- D. Reading Assignments. Naturally, you are expected to read each of the chapters assigned in the Course Schedule. It is okay to read ahead. There is a bunch of reading in this course, some of it more interesting than others. Many of the concepts have to be digested before they are understood. **Don't get behind**—it is too hard to catch up with this much material!

- E. Grade Allocation. Your grade is allocated as follows:

Item	Points	% of Grade
Exam 1	100	20%
Exam 2	100	20%
Exam 3 - Final	100	20%
Quizzes	100	20%
Attendance	100	20%
Total	500	100%

- F. Grade Determination.

<u>Points</u>	<u>Average</u>	<u>Letter Grade</u>
450+	90-100%	A
400-449.9	80-89%	B
350-399.9	70-79%	C

- G. Extra Credit. Extra credit may be given in my sole discretion.

COURSE POLICIES
