UNIVERSITY POLICIES AND INFORMATION

Withdrawing from Class

Students may [withdraw](#) (drop) from this course using the [Withdrawal Portal](#). Withdrawing (dropping) this course can impact financial aid, Scholarships, Veteran Benefits, Exemptions, Waivers, International Student Status, housing, and degree progress. Please consult with your advisor to consider your options, speak with your advisor, and visit the One-Stop Service Center (STE 230) or email enroll@uttyler.edu to request a withdrawal of your student account and the possible impacts to withdrawing. We want you to make an informed decision. UT Tyler faculty and staff can provide additional support options or assistance. Make sure to carefully [read the implications for withdrawing](#).

[instructions](#) on using the [Withdrawal portal](#)..

Texas law prohibits students from dropping more than six courses during their entire undergraduate career*. The six courses are from other 2-year or 4-year Texas public colleges and universities. Consider the impact withdrawing from this class has on other areas, such as financial implications. We encourage you to consult your advisor(s) and Enrollment Services for additional information. **#1:** Withdrawing before census day does not mean you get a full refund. Please see the [Tuition and Fee Refund Schedule](#). International students must check with the [Office of International Programs](#) before withdrawing. All international students must withdraw by the deadline for fall and spring terms. **CAUTION #3:** All UT Tyler Athletes must check with the Athletic Academic Coordinator before withdrawing from a course. **CAUTION #4:** All veterans or military-affiliated students should consult with the [Military and Veterans Success](#)

* Students who began college for the first time before 2007 are exempt from this law.

Final Exam Policy

Final examinations are administered as scheduled. If unusual circumstances require that special arrangements be made for a class, the Dean of the appropriate college, after consultation with the faculty member involved, may authorize an exception. Faculty members must maintain student final examination papers for a minimum of three months following the examination date.

Incomplete Grade Policy

If a student, because of extenuating circumstances, is unable to complete all of the requirements for a course by the end of the semester, the instructor may recommend an Incomplete (I) for the course. The "I" may be assigned in place of a grade *only when all of the following are met*: (a) the student has been making satisfactory progress in the course; (b) the student is unable to complete all coursework due to unusual circumstances that are beyond personal control and are acceptable to the instructor, and (c) the student presents the work that the final grade roster is due. The semester credit hours for an Incomplete will not be used to calculate the grade point average. The student and the instructor must submit an Incomplete Form detailing the work required and the time by which the work must be completed to the respective department chair or college dean for approval. The time limit established must not exceed one year. Should the student complete the work for the course within the time limit, then the instructor may assign zeros to the unfinished work, compute the course grade, and assign the appropriate grade. If a grade has yet to be assigned within one year, then the Incomplete will be changed to an F. If a student initially taken under the CR/NC grading basis, this may adversely affect the student's academic standing.

Grade Appeal Policy

Disputes regarding grades must be initiated within sixty (60) days from the date of receiving the final course grade by filing a grade appeal with the instructor who assigned the grade. A grade appeal should be used when the student thinks the final course grade awarded does not reflect the student's earned on assessments or follow the grading scale as documented in the syllabus. The student should provide the rationale for the appeal and attach supporting document about the grades earned. The form should be sent via email to the faculty member who assigned the grade. The faculty member reviews the rationale and supporting documentation and completes the instruction section of the form. The instructor's decision is final for the student, even if a grade change is made at this level. If the student is not satisfied with the decision, the student may appeal to the Chairperson of the department from which the grade was issued. In situations where there is an allegation of capricious grading or other unlawful actions, appeals may go beyond the Chairperson to the Dean or the Dean's designee of the college from which the grade was issued. The decision being final. The Grade Appeal form is found in the [Registrar's Form Library](#).

NOTE: The Grade Appeal Form is different from the Application for Appeal form submitted to the Student Appeals Committee on grade disputes as described in this policy.
