**ABOUT THE GRADED COMPONENTS:**

**1 - Biography/Introduction:**

You will be required to give a biography/introduction of yourself through Flipgrid and also respond to 4 classmates' videos by the due dates listed in Canvas. The biography should be no longer than 2 minutes. This will be a total of 25 points (15 points for your own video and 10 points for your responses to 4 classmates).

**2 - Quizzes:**

There will be 15 chapter quizzes. Each of the chapter quizzes will consist of 10 multiple choice, true/false, and/or matching questions. **At the end of the term, I will drop the 5 lowest quiz grades.** Therefore, they will be worth a total of 100 points. To do well on the chapter quizzes, students should read the

corresponding text book chapter and participate in class lectures and discussions. I do not recommend taking the quizzes without reading the chapter, or trying to look up the answers during the quiz. While you are allowed to use your book, you will only have 10 - 15 minutes per quiz, which will not give you enough time to flip through the book for every question. Additionally, you must complete each quiz in one sitting – there is no way to “pause” the quiz and come back to it at a later time.

You will not be allowed to take the quizzes after the deadline has passed. Please see quiz due dates in Canvas. You will be able to see your quiz grades after submission, including your answer and the correct answer.

### **3 - Exam:**

The final exam will consist of 85 questions: multiple-choice, true/false, and matching. It will be cumulative so all chapters are fair game! You will have 120 minutes to complete the exam and each question will be worth 2 points for a total of 170 points. Please see due dates in Canvas.

### **4 - Practical Application Assignments:**

There will be 5 assignments in which you will need to review an HR scenario(s) and answer questions provided by the due date provided. Be prepared to also discuss each assignment in class! Additional instructions will be provided in Canvas. Each assignment will be worth 20 points.

### **5 - Class Discussions:**

There will be 4 group discussions that will be completed throughout the semester. Each discussion will pertain to the subject matter at hand for that particular week. Be prepared to share your thoughts regarding the assignment with your classmates in online discussion boards. Each discussion will be worth 20 points.

### **6 – Case Studies:**

There will be 2 Case Studies that will need to be completed during the semester. You will be required to read through the case, give an overview of the case, and answer several questions. See additional information in Canvas. Each case study will be worth 25 points.

**\*DUE DATES FOR ASSIGNMENTS ARE LISTED IN CANVAS!!**

# TIME MANAGEMENT:

Below is a breakdown of approximate time frames regarding main objectives in this course.

**Lecture videos:** Lecture videos will be posted in each module for each chapter in the textbook, except for Chapter 16. Videos range in time from 30 minutes – an hour each. Therefore, please plan your time accordingly in order to view the lecture videos.

**Chapter readings:** You will need to read each chapter in the textbook in order to be successful in the course. There will be numerous times in which questions on quizzes, as well as the final, will come directly from the textbook. Please take time to read the textbook material thoroughly. This should take approximately 1 hour – 2 hours for each chapter.

**Quizzes:** Your quizzes will range in time from 10 – 25 minutes each. A majority of the quizzes will be 10 questions each. Please make sure to pay attention to length of time prior to beginning each quiz! Quizzes will consist of questions from lecture and the textbook.

**Practical Applications:** Each Practical Application assignment (PA) is designed to provide you with more in-depth information regarding Human Resource matters. Based on the nature of each assignment, they will range in length of time to complete from approximately 1 – 1.5 hours.

**Case Studies:** There will be two case studies that will need to be completed throughout the course. These are practical issues that are faced within the HR field and will coincide with the course material being learned. One will be due at the beginning of the course, the other will be due toward the end of the semester. Each case will take approximately 2 hours to complete.

**Discussion Sessions:** There will be several discussion sessions that will need to be completed in the course. Each will require you to analyze a scenario and provide your thoughts, along with providing responses to your classmates' thoughts. Each discussion will take approximately 1 hour – 1.5 hours to complete.

**COURSE SCHEDULE:** Below is the schedule of topics to be covered. This syllabus provides a **general** plan/schedule for this course. Based on the discretion of the instructor, deviations from the course schedule may be necessary. You will be given sufficient notice before any changes are made to the syllabus.

### **Grade Replacement/Forgiveness and Census Date Policies**

Students repeating a course for grade forgiveness (grade replacement) must file a Grade Replacement Contract with the Enrollment Services Center (ADM 230) on or before the Census Date of the semester in which the course will be repeated. Grade Replacement Contracts are available in the Enrollment Services Center or at <http://www.uttyler.edu/registrar>. Each semester's Census Date can be found on the Contract itself, on the Academic Calendar, or in the information pamphlets published each semester by the Office of the Registrar.

Failure to file a Grade Replacement Contract will result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade replacement for only three course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract.

The Census Date is the deadline for many forms and enrollment actions of which students need to be aware. These include:

- Submitting Grade Replacement Contracts, Transient Forms, requests to withhold directory information, approvals for taking courses as Audit, Pass/Fail or Credit/No Credit.
- Receiving 100% refunds for partial withdrawals. (There is no refund for these after the Census Date)
- Schedule adjustments (section changes, adding a new class, dropping without a "W" grade)
- Being reinstated or re-enrolled in classes after being dropped for non-payment
- Completing the process for tuition exemptions or

waivers through Financial Aid

### **State-Mandated Course Drop Policy**

Texas law prohibits a student who began college for the first time in Fall 2007 or thereafter from dropping more than six courses during their entire undergraduate career. This includes courses dropped at another 2-year or 4-year Texas public college or university. For purposes of this rule, a dropped course is any course that is dropped after the census date (See Academic Calendar for the specific date).

Exceptions to the 6-drop rule may be found in the catalog. Petitions for exemptions must be submitted to the Enrollment Services Center and must be accompanied by documentation of the extenuating circumstance. Please contact the Enrollment Services Center if you have any questions.
