IMPORTANT INFORMATION FOR SUCCESS IN MANA 3300.001

1. Attendance & Participation:

- Yes, you are required to come to all class meetings and participate! A portion of your grade comes from in-class participation. If you miss class, you will miss learning, and you may miss earning points toward your final grade. Missed in-class participation points cannot be made up.
- I understand emergencies or other unexpected circumstances arise. If this is the case, email me as soon as possible so we can discuss what you missed.
- If you will be absent from a class for a university-sponsored activity, let me know prior to the event or activity.
- **If you miss more than 6 in-class meetings, your final grade will be reduced by a letter grade.** I mark attendance in Canvas and use a sign-in book during class.

2. Format for assignments:

- Name and date typed at the top right of all submitted documents
- 12-point font
- Citations, when necessary, listed on a separate page at the end of the assignment. All citations should be in APA Style. For more information view www.apastyle.org or <https://owl.psu.edu>
- Assignments are required to be in Word document format, not pdf
- Do not copy or rewrite the given questions onto your submission

3. **Late Work Policy for Assignments:** I will accept assignments one day past the due date and assess a ten-point (10) late penalty. After the one-day late acceptance day, assignments will not be accepted and a zero will be given for the assignment.

4. **Plagiarism:** I know there is a wealth of information on the Internet, and you can find an answer to most questions. I love for you to use outside resources, but they should be used in addition to the textbook and information I give to form your own ideas and answers. You should always document the sources you use to formulate your answers. If you do not document your sources and use your own words (plagiarize) you will receive a zero for the assignment or discussion post.

5. **AI Use:** AI can be a wonderful tool but should be used as just that – a tool. You are welcome to use AI to help generate ideas, but I caution you in doing this. Using AI can sometimes stifle your own ideas, leading you to lean too heavily on AI for your assignment submission. I will not accept assignments or discussion posts that have been generated by AI, then copied, pasted, and submitted. This is considered plagiarism. In addition to reading your submissions, I use the AI checker that is provided in Canvas. If I believe your assignment is an AI generated submission, you will be required to meet with me to discuss and answer some questions about the submission and chapter content. If you use AI for assignments, even for checking grammar, you must cite your use and be prepared to show your prompts.

6. **Important dates:** January 26, 2026 (Census), March 30, 2026 (Final withdraw date)

Spring Break-March 9-13

Grade Replacement/Forgiveness and Census Date Policies

Students repeating a course for grade forgiveness (grade replacement) must file a Grade Replacement Contract with the Enrollment Services Center (ADM 230) on or before the Census Date of the semester in which the course will be repeated. Grade Replacement Contracts are available in the Enrollment Services Center or at <http://www.uttyler.edu/registrar>. Each semester's Census Date can be found on the Contract itself, on the Academic Calendar, or in the information pamphlets published each semester by the Office of the Registrar. Failure to file a Grade Replacement Contract will result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade replacement for only three course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract. The Census Date is the deadline for many forms and enrollment actions of which students need to be aware. These include:

- Submitting Grade Replacement Contracts, Transient Forms, requests to withhold directory information, approvals for taking courses as Audit, Pass/Fail or Credit/No Credit.
- Receiving 100% refunds for partial withdrawals. (There is no refund for these after the Census Date)
- Schedule adjustments (section changes, adding a new class, dropping without a "W" grade)
- Being reinstated or re-enrolled in classes after being dropped for non-payment
- Completing the process for tuition exemptions or waivers through Financial Aid

State-Mandated Course Drop Policy

Texas law prohibits a student who began college for the first time in Fall 2007 or thereafter from dropping more than six courses during their entire undergraduate career. This includes courses dropped at another 2-year or 4-year Texas public college or university. For purposes of this rule, a dropped course is any course that is dropped after the census date (See Academic Calendar for the specific date). Exceptions to the 6-drop rule may be found in the catalog. Petitions for exemptions must be submitted to the Enrollment Services Center and must be accompanied by documentation of the extenuating circumstance. Please contact the Enrollment Services Center if you have any questions.
