Course Description

This course covers the overview of the history, manufacturing, and societal applications of nanomaterials. An emphasis will be placed on the ethics, societal impacts, and the future of nanotechnology.

Course Objectives

At the end of this course, participants will be able to:

- Understand the foundation nanotechnology by achieving at least 70% on assignments/quizzes
- Understand the history of ethics by achieving at least 70% on assignments/quizzes
- Understand how nanotechnology impact society by achieving at least 70% on assignments/quizzes
- Understand the scaling of nanomaterials is by achieving at least 70% on assignments/quizzes
- Understand the characterization techniques of nanomaterials is by achieving at least 70% on assignments/quizzes
- Understand the what nanofabrication is by achieving at least 70% on assignments/quizzes
- Understand the implications of nanotechnology on biology and medicine is by achieving at least 70% on assignments/quizzes
- Understand the impact of nanotechnology on microelectronics is by achieving at least 70% on assignments/quizzes

Core/Program Competencies

Program Outcomes	TECH 3303
1. Identify the proper materials and manufacturing processes used to fabricate a specific part	x
2. Understand and use technical software, data sources, and automation such as CAD, CAM, CNC, PLC's, and robotics	
3. Demonstrate a thorough knowledge of current management and supervisory practices	
4. Prepare well-organized and mechanically correct documents in order to plan production	
5. Apply and follow recommended safety standards	
6. Understand facility layout and the management of supply chains	

Schedule of Assignments for Course

The course involves PowerPoint slides, discussions with critical feedback, current readings, YouTube videos, and zoom sessions.

Date of release of assignment	No.	Chapter/Assignment	Due Date at 11pm
Jan 10	1	WELCOME (Introductions on Canvas-Discussion Board)	-
Jan 10		Section 1 (Intro. to Nanotechnology--Nanotechnology--Is it It?)	-
Jan 10		Assignment	Jan 14
Jan 17		Section 1A (Intro. to Nanotechnology--Ethics of Science and Nanotechnology)	-
Jan 17		Assignment	Jan 21
Jan 23		Section 2 (Intro. to Nanotechnology--A Brief History of Nanotechnology)	-
Jan 23		Assignment	Jan 27
Jan 30		Section 3 (Intro. to Nanotechnology--A Snapshot of Today)	-
Jan 30		Assignment	Feb 4
Feb 7		Quiz (1)	Feb 8
Feb 10		Section 4 (Intro. to Nanotechnology--The Uniqueness of the Nano-Scale)	-
Feb 10		Assignment	Feb 17
FEB 20		EXPLANATION OF FINAL PROJECT (ZOOM SESSION)	FEB 20
Feb 21		Section 5 (Intro. to Nanotechnology--How do we see things at the Nano-Scale: Intro. to Characterization Techniques)	-
Feb 21		Assignment	Feb 27
Mar 1		Section 6 (Intro. to Nanotechnology (How do we make things so small? Intro. to nanofabrication)	-
Mar 1		Assignment	Mar 6
Mar 8		Quiz (2)	Mar 9
Mar 13		Section 7 (Intro. to Nanotechnology--How do you build things so small: top-down nanofabrication)	-
Mar 13		Assignment	Mar 18

Zoom Sessions

Zoom sessions are not mandatory but they help students if some of the material is difficult to understand and to track progress of students for this course. Zoom sessions will be held every other Sunday (*tentative*). An announcement will be posted between 3 to 5 days before the session. The sessions will last 30 to 45 minutes and begin at 8pm.

Late Assignment Penalty (PLEASE READ CAREFULLY!!!)

You have at least 3-5 days to complete your assignments. I do understand that you have assignments in other courses, but the management is important. **If assignments are uploaded late, there will receive no points!!!** If you do experience computer problems, please contact Computer Support and email me documentation of time and date of the call. That will help me to also contact Computer Support to expedite your request to fix any problems you may have.

Grade Dispute

If you have a disagreement with your final grade, you have **1 week to resolve it**. You must email all your assignments when meeting with the instructor by video or by phone.

Date to Withdraw Without Penalty:

March 28, 2022

Dates of Final Exam:

April 26-30, 2022

Course Supplies

Flash drive (16G to 1TB) to save assignments

UT Tyler a Tobacco-Free University

All forms of tobacco will not be permitted on the UT Tyler main campus, branch campuses, and any property owned by UT Tyler. This applies to all members of the University community, including students, faculty, staff, University affiliates, contractors, and visitors. Forms of tobacco not permitted include cigarettes, cigars, pipes, water pipes (hookah), bidis, kreteks, electronic cigarettes, smokeless tobacco, snuff, chewing tobacco,

and all other tobacco products. There are several cessation programs available to students looking to quit smoking, including counseling, and group support. For more information on cessation programs please visit www.uttyler.edu/tobacco-free.

Grade Replacement/Forgiveness and Census Date Policies

Students repeating a course for grade forgiveness (grade replacement) must file a Grade Replacement Contract with the Enrollment Services Center (ADM 230) on or before the Census Date of the semester in which the course will be repeated. (For Fall, the Census Date is Sept 4th) Grade Replacement Contracts are available in the Enrollment Services Center or at <http://www.uttyler.edu/registrar>. Each semester's Census Date can be found on the Contract itself, on the Academic Calendar, or in the information pamphlets published each semester by the Office of the Registrar. Failure to file a Grade Replacement Contract will result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade replacement for only three course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract.

The Census Date (Sept 4th) is the deadline for many forms and enrollment actions of which students need to be aware. These include:

- Submitting Grade Replacement Contracts, Transient Forms, requests to withhold directory information, approvals for taking courses as Audit, Pass/Fail or Credit/No Credit.
- Receiving 100% refunds for partial withdrawals. (There is no refund for these after the Census Date)
- Schedule adjustments (section changes, adding a new class, dropping without a "W" grade)
- Being reinstated or re-enrolled in classes after being dropped for non-payment
- Completing the process for tuition exemptions or waivers through Financial Aid

State-Mandated Course Drop Policy

Texas law prohibits a student who began college for the first time in Fall 2007 or thereafter from dropping more than six courses during their entire undergraduate career. This includes courses dropped at another 2-year or 4-year Texas public college or university. For purposes of this rule, a dropped course is any course that is dropped after the census date (See Academic Calendar for the specific date). Exceptions to the 6-drop rule may be found in the catalog. Petitions for exemptions must be submitted to the Enrollment Services Center and must be accompanied by documentation of the extenuating circumstance. Please contact the Enrollment Services Center if you have any questions.

Disability/Accessibility Services

In accordance with Section 504 of the Rehabilitation Act, Americans with Disabilities Act (ADA) and the ADA Amendments Act (ADAAA) the University offers accommodations to students with learning, physical and/or psychological disabilities. If you have a disability, including non-visible a disability diagnosis such as a chronic disease, learning disorder, head injury or ADHD, or you have a history of modifications or accommodations in a previous educational environment you are encouraged to contact the Student Accessibility

and Resources office and schedule an interview with an Accessibility Case Manager. If you are unsure if the above criteria applies to you, but have questions or concerns please contact the SAR office. For more information or to set up an appointment please visit the SAR webpage (<http://www.uttyler.edu/disabilityservices/>) or the SAR office located in the University Center, Room 3150 or call 903.566.7079. You may also send an email to saroffice@uttyler.edu.

Student Absence due to Religious Observance

Students who anticipate being absent from class due to a religious observance are requested to inform the instructor of such absences by the second class meeting of the semester. Revised 09/16

Student Absence for University-Sponsored Events and Activities

If you intend to be absent for a university-sponsored event or activity, you (or the event sponsor) must notify the instructor at least two weeks prior to the date of the planned absence. At that time the instructor will set a date and time when make-up assignments will be completed.

Social Security and FERPA Statement

It is the policy of The University of Texas at Tyler to protect the confidential nature of social security numbers. The University has changed its computer programming so that all students have an identification number. The electronic transmission of grades (e.g., via e-mail) risks violation of the Family Educational Rights and Privacy Act; grades will not be transmitted electronically.

Emergency Exits and Evacuation

Everyone is required to exit the building when a fire alarm goes off. Follow your instructor's directions regarding the appropriate exit. If you require assistance during an evacuation, inform your instructor in the first week of class. Do not re-enter the building unless given permission by University Police, Fire department, or Fire Prevention Services.

Student Standards of Academic Conduct

Disciplinary proceedings may be initiated against any student who engages in scholastic dishonesty, including, but not limited to, cheating, plagiarism, collusion, the submission for credit of any work or materials that are attributable in whole or in part to another person, taking an examination for another person, any act designed to give unfair advantage to a student or the attempt to commit such acts.

i. "Cheating" includes, but is not limited to:

- copying from another student's test paper;
- using, during a test, materials not authorized by the person giving the test;
- failure to comply with instructions given by the person administering the test;
- possession during a test of materials which are not authorized by the person giving the test, such as class notes or specifically designed "crib notes". The presence of textbooks constitutes a violation if they have been specifically prohibited by the person administering the test;

- using, buying, stealing, transporting, or soliciting in whole or part the contents of an unadministered test, test key, homework solution, or computer program;
- collaborating with or seeking aid from another student during a test or other assignment without authority;
- discussing the contents of an examination with another student who will take the examination;
- divulging the contents of an examination, for the purpose of preserving questions for use by another, when the instructors has designated that the examination is not to be removed from the examination room or not to be returned or to be kept by the student;
- substituting for another person, or permitting another person to substitute for oneself to take a course, a test, or any course-related assignment;
- paying or offering money or other valuable thing to, or coercing another person to obtain an unadministered test, test key, homework solution, or computer program or information about an unadministered test, test key, home solution or computer program;
- falsifying research data, laboratory reports, and/or other academic work offered for credit;
- taking, keeping, misplacing, or damaging the property of The University of Texas at Tyler, or of another, if the student knows or reasonably should know that an unfair academic advantage would be gained by such conduct; and
- misrepresenting facts, including providing false grades or resumes, for the purpose of obtaining an academic or financial benefit or injuring another student academically or financially.

ii. "Plagiarism" includes, but is not limited to, the appropriation, buying, receiving as a gift, or obtaining by any means another's work and the submission of it as one's own academic work offered for credit.

iii. "Collusion" includes, but is not limited to, the unauthorized collaboration with another person in preparing academic assignments offered for credit or collaboration with another person to commit a violation of any section of the rules on scholastic dishonesty.

iv. All written work that is submitted will be subject to review by SafeAssign™, available on CANVAS.
