Last Day to withdraw from this course: March 28, 2022

Course Description:

This course focuses on the design, implementation and evaluation of effective professional learning and development programs to promote school improvement. The course will also explore the use of observation data to design teacher-centered professional development that applies research-based andragogy and the tenants of high quality professional learning.

Student Learning Outcomes:

- Understand and apply Texas and national standards in professional design, implementation, and evaluation of professional learning and development.
- Analyze multiple sources of data to design a relevant and comprehensive professional learning program.
- Demonstrate a variety of strategies such as teaming and modeling to deliver professional learning that optimizes learning for educators and maximizes impact on instructional practices.
- Use theories and strategies to increase educator effectiveness and promote professional learning success.
- Collaborate with teachers about the importance of high quality professional learning and development. (see TAC §232.13)
- Understand and promote professional learning communities (PLC) and their impact through use of structures such as teams, mentors, and instructional coaching.

- Identify the diverse needs of educators, students, schools, districts, parents, and communities in regards to relevant professional learning.
- Create a professional learning process for the purpose of improving instructional practices of teachers in order to support student learning.

Professional Learning Standards: The Student Learning Outcomes for this course will be based primarily on the following state and national standards:

InTASC Standard #9: Professional Learning and Ethical Practices

The teacher engages in ongoing professional learning and uses evidence to continually evaluate his/her practice, particularly the effects of his/her choices and actions on others (learners, families, other professionals, and the community), and adapts practice to meet the needs of each learner.

InTASC Standard #10: Leadership and Collaboration

The teacher seeks appropriate leadership roles and opportunities to take responsibility for student learning, to collaborate with learners, families, colleagues, other school professionals, and community members to ensure learner growth, and to advance the profession.

Texas Education Agency Standard #6--Professional Practices and Responsibilities

Teachers consistently hold themselves to a high standard for individual development, pursue leadership opportunities, collaborate with other educational professionals, communicate regularly with stakeholders, maintain professional relationships, comply with all campus and school district policies, and conduct themselves ethically and with integrity.

Learning Forward (formerly the National Staff Development Council) Standards for

Note: A student from this institution is not under any obligation to purchase or rent a textbook from a university-affiliated bookstore.

Technology Access: This is an online course and will require reliable technology.

Required technology includes:

Hardware:

- Desktop or Laptop computer with Internet access.
- Note: If your Internet connection is down, it is your responsibility to seek access at a venue such as in the UTT computer lab (e.g. BEP 249 or HPR 134), a public library to complete and submit your work on time.
- A camera, microphone, and sound.

Software:

- A current operating system (Microsoft or Apple)
- A web browser (e.g., Chrome, Safari, Firefox, etc.).
- Access to Canvas and email (Patriot Mail)
- Microsoft Office (Available at no charge to students at <https://www.utt Tyler.edu/it/office365/proplus.php>)
- [Adobe Reader](#) or another PDF reader such as Preview on the Mac
- Other software as noted in each module (e.g. Lego)

Technical Support: Technology related problems (e.g., email, matters of access etc.) can often be solved by calling the UT Tyler Information Technology Hotline at (903) 565-5555 x2 or by emailing them at itsupport@patriots.uttyler.edu. If you need Canvas support, see <https://www.uttyler.edu/canvas/>.

In your email be sure to include:

- The title and number of the course
- The Canvas page in question
- A description and message number for any error message that you receive
- What you were doing at the time you got the error message

Course Policies:

1. Class Participation: This course is designed as an online course and you are required to participate. You will have a weekly reading and assignment (e.g. reflection, discussion) due by Sunday at 11:59 PM. Projects will be due at specified dates/times as noted in the syllabus. The course schedule has been set up so that new assignments will be posted on Mondays. Students should expect to spend a minimum of six hours per module per week.

2. Grading Policy: All assignments are to be submitted on or prior to the due date. **Late work** is not accepted without prior permission from the instructor. Be aware that technical difficulties or lack of Internet access or access to required technologies and software are not accepted as excuses for late work or incomplete work. Please proofread assignments carefully so no spelling, grammatical, and/or punctuation errors exist. Points for spelling, grammatical, and/or punctuation are included in the grading scheme for each assignment.

3. Grades of “I” will be given only when there is a compelling reason (e.g., serious illness). **If you have a question or need help, please email me prior to the due date at jdelello@uttyler.edu.** Please allow up to 48 hours for response to an email.

4. Descriptions of all projects and assignments will be posted on Canvas. Criteria mentioned in these descriptions must be followed in order to receive full credit for your work. All assignments will be turned in through the assignment tab in Canvas.

5. Unicheck is a tool that will be used to check a document for plagiarism. The tool provides feedback as to whether or not the text in a document is a close match with other documents on the Internet, in journal databases, and submitted to Canvas. *If a student is caught plagiarizing, a grade of zero will be given as well as a disposition for cheating.*

6. Dispositions - All students in the UT Tyler Teacher Preparation Program must adhere to the professional behaviors outlined in the UT Tyler School of Education Dispositions. These dispositions are listed at the following website: <http://www.uttyler.edu/education/documents/Dispositions.pdf>
