Hours: 30

*\*Students completing a full-year internship will register for EDUC 5047 (1<sup>st</sup> semester of teaching) and EDUC 5048 (2<sup>nd</sup> semester).*

*Interns teaching their second year while completing the program must continue to teach the same content area and grade level in alignment with their certification area. They will register for EDUC 5049 the third semester and continue to register for EDUC 5049, if teaching, until they graduate. \*\*Clinical teachers will register for EDUC 5047 the semester they are clinical teaching.*

*Your degree may be modified to meet your individual needs. Please contact your academic advisor if you wish to make changes to your degree plan.*

According to University Policy: All coursework for the master's degree must be completed within 6 years.
