Class Participation

This course is designed as a synchronous and online meeting dates. These dates are flexible and may be adjusted to accommodate course objectives. Synchronous classes begin promptly at 6:35 PM. **In order to receive all participation points for each class, you are expected to participate in class discussions with your video on.** Please keep our scheduled days (i.e., Monday from 6:35pm – 7:55 pm) available from 9:30 a.m. – 10:55 a.m. each week.

Additional Information

You will enroll in the following:

- a) **Research Pool Requirement:** Students enrolled in specified SOE courses must fulfill a research pool requirement each semester. The research requirement for these courses can be satisfied in one of two ways. First, students can satisfy the research pool requirement by volunteering to participate in approved research studies offered by the School of Education (2 credits for 20 points and up to 10 additional points for 1 more credit [total 3 credits]). Alternatively, students can satisfy the research pool requirement by completing alternative assignments equal in time and effort to the research opportunities.

Course Policies and Guidelines:

1) Assignment Submission:

For written assignments a “page” is defined as:

- 8½” x 11” paper
- Times New Roman or Arial 12-point font
- Double-spaced (unless otherwise directed)
- 1-inch margin on all sides.
- Put page numbers on the top right-hand side.
- Put the title of the assignment, centered at the top of your paper.
- **For all assignments submitted in Canvas, your name, date, class number, or any other information should NOT be included.**
- Upload written assignments on the Canvas website under the assignment tab.

- a) **Criteria for all assignments** will be available in class and posted online unless otherwise notified by the instructor.

Canvas: Students will access class notes, assignments, grades, and course information through Canvas. Any changes to the course schedule, schedule of assignments, or any special assignments will be posted on Canvas. Students are expected to regularly check Canvas for updates and to download any class handouts.

- b) **Late work:** It is expected that assignments and projects be submitted on time. **An assignment will be considered late if it is not turned in the day it is due.** You may turn in your assignment early. Late assignments are not accepted unless prior arrangements have been made with the instructor. Assignments and due dates are posted in Canvas.

- c) **Plagiarism.** Students need to use their own words when completing all assignments. A zero will be given for any assignment that is detected as being plagiarized. Students are subjected to a disposition or a failing grade in the course.

Unicheck is a tool that will be used to check a document for plagiarism. The tool provides feedback as to whether or not the text in a document is a close match with other documents on the Internet, in journal databases, and submitted to Canvas. If a student is caught plagiarizing, a grade of zero will be given as well as a disposition for cheating. Once you submit an assignment, you will get a report where you can see plagiarism detection and grammatical errors.

- 2) **Attendance:** A student will not be able to do well in the class without prompt and regular attendance. The attendance policy recommended by the University is followed in this course. You are expected to attend every scheduled synchronous zoom. Course objectives and performance outcomes cannot be met unless you attend class and participate in class activities. **Points for in class activities are given only to those in class.** If you are absent for an extended period of time, you should make arrangements

to explore options such as retaking the course or taking an incomplete grade. If you miss more than two in-class periods, you will need to make an appointment with the instructor for a possible *Disposition Conference*.

a) Laptops, iPads, and Cell Phones: All electronic devices need to be set to silent mode and put away during class time. **Participation points will be taken away for those who do not comply.** Laptops and iPads may be used for class activities ONLY.

3) Zoom etiquette: During any zoom sessions, you will need to be on time and have your video on. You will need to be an active participant in the class by listening (focused on class content and not on other things) and answering questions. Please make sure you are in a quiet area. You will need to make sure you are in an area where you have a stable internet connection. Class participation points can be deducted for not following zoom etiquette.

4) You are responsible for all information given in class, online, and in the syllabus.
