Course Policies:

Attendance Policy: Attendance is essential. Points are earned on in-class activities. Three absences will result in lowering your final grade by 25 points. More than 3 absences will result in a failing grade. Arriving late or leaving early can also be unprofessional and distracting; therefore, two such events will be counted as an absence. Please refer to the link on Dispositions: <http://www.utt Tyler.edu/education/documents/Dispositions.pdf>

Preparation: Reading assignments are important and enable students to examine beliefs, explore theories, and debate ideas with fellow students and instructor. The assigned materials are to be read before coming to class, allowing you to be prepared to participate fully. Exam questions will be taken from assigned reading material, presentations, and classroom discussions.

Participation: It is important that we listen and learn from each other; therefore, full and active participation is required as we create a community of learners. You are expected to add depth to discussions at each meeting. Lack of participation gives the appearance of lack of interest and/or preparation. Participation points may also be given during class at the instructor's discretion. Activities cannot be made up if you are absent.

Written Assignments: Teachers must speak and write effectively; therefore, all written assignments must be in good form: check spelling, proofread, and staple or paper clip pages. Points may be deducted for inappropriate content and form. Typed work is expected unless otherwise specified. It is generally recommended that students keep photocopies of work turned in.

Canvas: Students will access class notes, assignments, grades and course information through Canvas. Any changes to the course schedule, schedule of assignments, or any special assignments will be posted on Canvas. Students are expected to regularly check Canvas for updates and to download any class handouts. Please refer to <http://www.Canvas.utt Tyler.edu> for more information.

Timeliness: Complete all assignments by the due date listed on the Tentative Course Calendar. All assignments handed in past that date will result in a deduction of points.

I will make every effort to respond quickly to your emails. Communicating with you is a priority but I also want you to have realistic expectations in terms of a timely response. *If it is a weekday and you haven't heard from me within 24 hours, I did not get your email and please send it again. If it is a weekend, please give me 36 hours to respond. Everyone deserves to have a little down time on the weekend.* Know that when you have tasks due, I will be checking email frequently though. ☺ Also, my priority is communicating with you, so if there are problems, let me know and we will work to solve them together.

Concerns: Should problems or concerns arise; it is your responsibility to solicit help. This is to be done before problems affect your grade – not after.

All borrowed materials must be returned or an “Incomplete” will be reported to the university. If you receive an “I” please note that it will convert to “F” in time if the
