G. Course Policies

Code of Conduct. Please see section 2.09 of the University of Texas at Tyler Handbook of Operating Procedures for specific information about expectations related to student conduct. It is the responsibility of the student to bring to the instructor's attention any question, misunderstanding, or confusions he/she has concerning classroom policy or course requirements BEFORE an adverse effect on the student's grade results.

Make-up Work. There will be NO make-up activities or exams for this course unless absence is due to an emergency. Students are expected to submit relevant documentation (e.g. doctor's note) when requesting a make/up activity.

Written Assignments. Written assignments must be typed using double spaced lines and have page numbers. In addition, work submitted should reflect a professional quality in terms of scope, depth, writing mechanics, and appearance that would be expected of students at a prestigious university. Proofread all assignments as only materials with minimal or no errors will receive high scores. Assignments should be typed in Times New Roman with 12-point font.

Late Assignments. It is expected that assignments be turned in on time. An assignment will be considered late if it is not turned in on the day it is due. If you

do not have a working computer, you need to make arrangements to use the campus computers. Assignments should be submitted in the assignment folder on Canvas. **Late assignments are not accepted unless prior arrangements have been made with the instructor 24 hours in advance.**

Assignments and due dates are posted on the course syllabus and in each Module.

Academic Dishonesty. To be successful in this class, you must invest time for study. Honesty is expected. Academic dishonesty (e.g., cheating, plagiarism, collusion) will NOT be tolerated and will result in a grade of zero (0) for the assignment. A second infraction will result in automatic failure of the class. Dishonesty is defined as (a) the use of unauthorized materials, (b) any communication with peers during quizzes, (c) representing another's work as one's own (i.e. plagiarism), or (d) fabricating information. The professor reserves the right to determine occurrences of cheating. Additional information on Academic Dishonesty is found in the Selected University Policies section of this syllabus.

Plagiarism. Your work needs to be in your own words!! Plagiarism will be an automatic zero for an assignment and grounds for a disposition. Assignments may be required to be submitted within the plagiarism software within Canvas.

- A similarity match of 25% or greater indicates that you may have engaged in unethical behavior. Any written assignments with a 25% or greater match may receive a grade of zero.

Canvas. Students will access class notes, assignments, grades, and course information through Canvas 8. Any changes to the course schedule, schedule of assignments, or any special assignments will be posted on Canvas. Students are expected to regularly check Canvas for updates and to download any class handouts. Please refer to <http://www.Canvas.uttyler.edu> for more information.

Person First Language. Our language is a reflection of our attitudes. Always refer to persons with disabilities with respect. In this class we will strive to use “people first” language at all times. “People First” language always refers to the person first and not as a label or a category. For example, refer to “a student with autism” and not “an autistic”.

Teacher Candidate Dispositions. The University of Texas at Tyler School of Education has developed Teacher Candidate Disposition Assessment outlining professional behaviors educators are expected to demonstrate in their interactions with students, families, colleagues and communities. The process assumptions, dispositions to be assessed, and examples of deficiencies within each disposition assessment categories are available at the UT-Tyler School of Education website: www.uttyler.edu/education (access School of Education; School of Education Disposition Assessment). It is expected that all students enrolled in EDSP 3351 will adhere to and demonstrate these teacher candidate dispositions at all times.

Safe Zone. The professor considers this virtual classroom to be a place where you will be treated with respect as a human being - regardless of gender, race, ethnicity, national origin, religious affiliation, sexual orientation, political beliefs, age, or ability. Additionally, diversity of thought is appreciated and encouraged, provided you can agree to disagree. It is the professor's expectation that ALL students consider this virtual classroom a safe environment.
