

Drew A. Curtis, Ph.D., LP

The University of Texas at Tyler
3900 University Blvd. Tyler, TX 75799
dcurtis@uttyler.edu

Education

- Ph. D.**, Texas Woman's University August 2013
Area of Study: Counseling Psychology (APA accredited)
Minor: Special Populations
Dissertation: Therapists' beliefs and attitudes towards client deception.
Outstanding Graduate Student Award
- M. A.**, Sam Houston State University May 2007
Area of Study: Clinical Psychology
Thesis: The dynamics of choice in social influence
- B. S.**, Sam Houston State University May 2005
Area of Study: Psychology
Minor: Philosophy
Academic Distinction in Psychology

License

Licensed Psychologist in the State of Texas, # 37509

Professional Appointments

- Associate Professor**, Associate Professor of Psychology, tenured, The University of Texas at Tyler, August 2025-present
- Professor**, Professor of Psychology, Angelo State University, August 2024 – August 2025
- *Rodgers Distinguished Faculty*
- Associate Professor**, Associate Professor of Psychology, Angelo State University, August 2019 – 2024
- *Rodgers Distinguished Faculty*
- Assistant Professor**, Assistant Professor of Psychology, tenure-track, Angelo State University, August 2013 – August 2019

Administrative Appointments

Interim Dean, Archer College of Health and Human Services, June 2024 – April 2025

Serving as the Interim Dean of the Archer College of Health and Human Services (ACHHS). The mission of the ACHHS is to educate a student body from various backgrounds in the health and human service professions. Under administrative direction, plans, organizes, and directs the programs, activities, and functions of the Archer College of Health and Human Services which currently consists of 1) the Department of Nursing; 2) the Department of Physical Therapy; 3) the Department of Kinesiology; 4) the Department of Psychology; 5) the Department of Social Work and Sociology; and 6) the Department of Health Science Professions. Additionally, three doctoral programs are in Counseling Psychology, Physical Therapy, and Social Work.

Duties and responsibilities include:

- Overseeing the established major goals of the college and providing institutional strategic planning and decision making.
- Collaboration with Department Chairs for department initiatives and submitting college accomplishments and future directions for legislative appropriations requests.
- Developing and maintaining collaborative relationships with community partners and local healthcare organizations.
- Providing leadership in curriculum development and revisions.
- Providing leadership in the development, implementation, and training for distance education courses and programs.
- Recruiting, retaining, and developing a diverse faculty committed to excellence in teaching as well as community engagement.
- Guiding annual evaluation digitization processes and tenure and promotion dossiers for the college.
- Assisting department chairs and program directors in accreditation activities, including American Psychological Association (APA), Council on Social Work Education (CSWE), the Commission on the Accreditation of Athletic Training Education (CAATE) and planning for Commission on Accreditation in Physical Therapy Education (CAPTE)
- Representing the college on university committees, councils, and advisory groups.
- Seeking external funding to support the efforts of faculty and students.
- Working with faculty on grant projects and initiatives to increase college enrollment.
- Conducting performance evaluations for office staff members
- Managing a multi-million-dollar college budget

Executive Associate to the Dean, Archer College of Health and Human Services, June 2023 – June 2024

Serving at the direction of the Dean of the Archer College of Health and Human Services (ACHHS). The mission of the ACHHS is to educate a student body from various backgrounds in the health and human service professions. The ACHHS consists of six departments and three doctoral programs. Departments in the college are: Health Science Professions, Kinesiology, Nursing, Physical Therapy, Psychology, and Social Work and Sociology. Additionally, three doctoral programs are in Counseling Psychology, Physical Therapy, and Social Work.

Duties and responsibilities include:

- Frequent meetings with the Dean to discuss college strategic plans, faculty evaluation processes, personnel, budget, and relationships with external agencies.
- Attending Senior Leadership meetings with the Dean and Department Chairs to discuss college planning and initiatives
- Collaboration with local hospital healthcare administrators and practitioners to seek grant funding and develop an integrated family medicine and behavioral health team-based patient-centered educational program to train residents and behavioral health students in interprofessional education. The program will train medical residents and doctoral counseling psychology students to serve the local community and surrounding rural county patients.
- Digitization of annual evaluations and tenure and promotion dossiers for the

college

- Assisted Department Chairs for digitization annual evaluations
- Working with other administrators in the new university budget board meetings
- Dean representation in faculty interviews

Chief Executive Officer, Southwestern Psychological Association, July 2022 – Present

Administrative Responsibilities:

Serving at the direction of the President and the Executive Council, the Executive Officer carries out the routine business of the corporation and manages and supervises all of the normal affairs and staff of the Corporation. Southwestern Psychological Association (SWPA), an official American Psychological Association affiliate for the Southwestern region of the United States serving approximately 1,170 members across 9 states: New Mexico, Arizona, Arkansas, Kansas, Louisiana, Missouri, Oklahoma, Tennessee, and Texas.

Selected Administrative Accomplishments:

- Maintained collaboration with Woodcock Institute for funding and Keynote Address
- Site visits and determinations for future conference venues
- Working with conference manager for annual conferences
- Overseeing planning for conference and pre-conference grant to support attendance among diverse student populations

Director, Psy.D. & M.S. Program in Counseling Psychology, Angelo State University, July 2015 – July 2024

Administrative Responsibilities:

Directed and provided academic leadership for the Psy.D. and M.S. Counseling Psychology program and faculty and developed a doctoral program. Administrative responsibilities included: collaboration and support of faculty with teaching assignments and program needs; involved in faculty recruitment, hiring, and retention; curriculum development and curriculum changes to align the program with the requirements of the Texas State Board of Examiners of Professional Counselors and Texas State Board of Examiners of Psychologists; the development and maintenance of agency contacts for practicum experiences and internships; established and maintained interprofessional education efforts; initiated and secured funding for national, regional, and local recruitment efforts; admission decisions; conducted program assessment and written program reviews; managed comprehensive examinations; maintained an updated graduate student handbook; managed program resources and budget.

Selected Administrative Accomplishments:

- Meeting the call for licensed practitioners in Texas, San Angelo, and surrounding rural areas through developing the Doctor of Psychology in Counseling Psychology (Psy.D.)
- Worked with ASU leadership and Texas Higher Education Coordinating Board to propose and review doctoral program.
- Program planning to align with American Psychology Association accreditation guidelines & registering for accreditation
- Oversaw recruitment and selection of students

- Maintained 100% pass rate on the National Counselor Exam for counseling psychology graduates
- Co-established and led interprofessional education efforts for health and human services students in physical therapy, counseling psychology, and social work.
- Established a training agreement between Goodfellow and M.S. Counseling Psychology Program (August 2019).
- Established relationship with the Texas Tech University Health Science Center, Family Medicine Mental Health Fellowship Program, providing an inaugural fellow from the counseling psychology program

Past-President, Southwestern Psychological Association, April 2019 – April 2022 (3 year term of president-elect, president, and past-president)

Administrative Responsibilities:

Provided leadership for the Southwestern Psychological Association (SWPA), an official American Psychological Association affiliate for the Southwestern region of the United States serving approximately 1,170 members across 9 states: New Mexico, Arizona, Arkansas, Kansas, Louisiana, Missouri, Oklahoma, Tennessee, and Texas. Leadership service to SWPA also included collaboration with several affiliate organizations that meet with SWPA: Psi Chi, the Society for Applied Multivariate Research (SAMR), the Southwestern Comparative and Behavioral Neuroscience Association (SCBNA), the Southwest Teaching of Psychology Organization (SWToP), Teaching Psychology in Schools, and Psychology Teaching at Community Colleges. Administrative responsibilities included: providing leadership to the President's Council and the Executive Council (tasking nine voting members and creating committees as needed); fundraising for the conference; applying for grants and securing donations; management of the budget (approximately \$100,000); planning and development of the annual conference; selecting keynote speakers; development of continuing education; marketing to southwestern region of psychologists; report to the membership through quarterly newsletters; conduct staff reviews; coordinating efforts with affiliate organizations

Selected Administrative Accomplishments:

- Established a new Woodcock Institute Keynote Address through collaboration with and funding from the Woodcock Institute.
- Created continuing education opportunities, recruited speakers for workshops, and marketed to over 10,000 psychologists and practitioners
- Initiated a hybrid conference, moving much of the annual conference to an online platform

President, Psychological Association of Greater West Texas, January 2021 – present

Administrative Responsibilities:

Provide leadership for Psychological Association of Greater West Texas, which is an organization of Texas licensed psychologists and practitioners. Duties consist of working with the executive council, area organizations, and Texas Behavioral Health Executive Council, to increase membership, organize continuing education, identify speakers, facilitate consultations, and promote professional development for Texas licensed psychologists.

Selected Administrative Accomplishments:

- Collaborated with hospital administrators to provide continuing education to Texas licensed psychologists
- Communicated with the Executive Director of the Texas Behavioral Health Executive Council about changes impacting mental health practitioners
- Increased membership of licensed psychologists from San Angelo and surrounding counties
- Initiated and maintained a hybrid format for meetings and continuing education

Leadership Training

Shannon Leadership Institute– December 6, 2024

- Strategies for Better Workplace Communication

Shannon Leadership Institute - September 20, 2024

- Leadership and Communication

President’s LEADER 2.0 (2024-2025)

- Served as a mentor to an ASU staff member within the Archer College of Health and Human Services

Leadercast-May 88, 2024

- G.H.O.A.T. (Greatest Habits of All Time)

Academic Leadership Bootcamp, Magna Virtual Workshop (July 2024)

President’s LEADER Academy (2023) Inaugural Class

- Six two-hour sessions led by Texas Tech University Associate Vice-Chancellor, Jason Weber

World Business Forum New York (2022)

- Joined 24 other executive leaders from the Texas Tech University System

The Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) annual meeting conference (Atlanta, GA; 2022)

- Traveled with senior administration to attend and learn about accreditation standards and practices as it applies to the university

- Hammond, E.S. & **Curtis, D. A.** (October 2010). *Stress management*. Presentation for

Grants and Funding

Innovation in Nursing Student Recruitment

- Award Type: Texas Higher Education Coordinating Board-Nursing Innovation Grant Program (NIGP)
- Role: Co-Project Director for Agency Award Number: 29971
- Funding: \$197,942

Integrated Behavioral Health Program

- Award Type: The Weil Foundation
- Role: Co-Investigator
- Funding Requested: \$50,124.89

Eye-tracking and detecting deception: Inviting Undergraduate Student Researchers

- Award Type: APF/Society for General Psychology Mary Whiton Calkins
- Role: Primary Investigator/Project Manager
- Funding Requested: \$3,820
- Not Funded

Eye-tracking and detecting deception

- Award Type: Faculty Research Enhancement Program, Angelo State University
- Role: Primary Investigator
- Funding Awarded: \$15,000
- Funding Requested for August 2023 – August 2024

Executive Functioning in Adolescent Pathological Liars: Examining Prevalence and Etiology

- Award Type: Woodcock Institute
- Role: Primary Investigator/Project Manager
- Funding Awarded: \$15,000
- December 2022 – December 2023

Removing the Stigma of “Crazy” and Restoring Humanity: Improving student mental health and wellbeing through education, primary prevention, and connection

- Award Type: Trellis Foundation: Mental Health and Wellbeing
- Role: Primary Investigator/Project Manager
- Funding Awarded: \$117,987
- July 2022 – August 2024

Reducing Crazy and Restoring Humanity: Investigating Movies and Interviews

- Award Type: APF/Society for General Psychology Mary Whiton Calkins
- Role: Primary Investigator/Project Manager
- Funding Requested: \$3,500
- Not Funded

Reducing Crazy and Restoring Humanity: Video Interviews

- Award Type: Faculty Learning Commons mini-grant for Instructional Innovation
- Role: Primary Investigator/Project Manager
- Funding Awarded: \$2,473.77
- Funding Requested for August 2020 – August 2021

Student-athlete sleep, performance, and mental health: Examination of a Pre-sleep intervention

- Award Type: NCAA Innovations in Research and Practice
- Role: Primary Investigator/Project Manager
- Funding Requested: \$24,812
- Not funded

Investigating Internal and External Motives for Deception

- Award Type: Faculty Research Enhancement Program, Angelo State University

- Role: Primary Investigator
- Funding Awarded: \$14,133

Perjury: Establishing a better understanding of the forgotten crime

- Award Type: Graduate Research Fellowship Program, Angelo State University
- Role: Faculty Mentor
- Funding Requested: \$1,000
- Funding Requested for August 2018 – August 2019

Investigating Internal and External Motives for Deception

- Award Type: Faculty Research Enhancement Program, Angelo State University
- Role: Primary Investigator
- Funding Requested: \$14,133
- Not funded

Investigating the beliefs and attitudes of school psychologists toward deception

- Award Type: Faculty Mentored Grant, Angelo State University
- Role: Primary Investigator/Faculty Mentor
- Funding: \$500 (\$750 for student)
- Funding Period January 2018 – May 2018

An experimental study of the effects of Kinesio Tape on Perception of Pain and Strength in Healthy, College-aged Individuals

- Award Type: Graduate Research Fellowship Program, Angelo State University
- Role: Co-Primary Investigator
- Funding: \$3500
- Funding Period January 2018 – May 2018

Myths of Depression

- Award Type: First Year Research Experience, Angelo State University
- Role: Faculty Mentor
- Funding: \$1,000 (student); \$2,000 (faculty)
- Funding Period August 2016 – May 2017

Investigating the effects of deception on psychotherapy

- Award Type: Faculty Research Enhancement Program, Angelo State University
- Role: Primary Investigator
- Funding Requested: \$19,250
- Not funded

The effects of deception on psychotherapy

- Award Type: Hogg Foundation for Mental Health: Mental Health Research Grants for Tenure-Track Assistant Professors in Texas
- Role: Primary Investigator
- Funding Requested: \$18,926
- Not funded

Deception detection and emotion recognition: Investigating F.A.C.E. software as a training tool.

- Award Type: Faculty Research Enhancement Program, Angelo State University
- Role: Primary Investigator
- Funding: \$7,467
- Funding Period September 2014 – August 2015

Parental deception: Investigating the effects of deception on parent-child relationships

- Award Type: Faculty Mentored Grant, Angelo State University
- Role: Primary Investigator
- Funding: \$500 (\$750 for student)
- Funding Period August 2014 – December 2014

Distance Education Course Build-PSY 4305 (Abnormal Psychology)

- Award Type: Distance Education Course Build, Angelo State University

- Role: Instructor and Course Designer
- Funding: \$3,000
- Funding Period May 2014 – August 2014

Teaching Experience

The University of Texas at Tyler

Associate Professor of Psychology, tenured

August 2025 – present

Angelo State University

Professor, tenured

August 2024 – 2025

Associate Professor of Psychology, tenured

August 2019 – 2024

Assistant Professor of Psychology, tenure-track

August 2013 – 2019

Lone Star Community College

Adjunct Faculty

July 2010 – August 2013

North Central Texas College

Adjunct Faculty

January 2012 – May 2012

Texas Woman's University

Graduate Teaching Assistant

August 2008 – May 2012

Sam Houston State University

Adjunct Faculty

June 2007 – May 2008

Lone Star Community College

Adjunct Faculty

August 2007 – July 2008

Sam Houston State University

Graduate Teaching Assistant

August 2005 – May 2007
