THE FIRST PAGE OF THIS DEGREE PLAN OUTLINES A RECOMMENDED PROGRESSION OF COURSEWORK. YOUR FACULTY ADVISOR WILL PROVIDE GUIDANCE ON ENROLLMENT EACH SEMESTER.

Pertinent Notes –

Proficiency Examination: The Proficiency Examination is taken after the student has completed a significant portion of, if not all, required coursework. Students may not advance to candidacy or register for dissertation hours until all portions of the Proficiency Examination have been passed satisfactorily. Upon successful completion of the Proficiency Examination, students will be advanced to candidacy.

Dissertation: A dissertation of original research contributing to the body of knowledge in clinical psychology will be required. Students must enroll for dissertation hours during each long semester while in the dissertation process. A minimum of 6 hours of dissertation credit is required.

Transfer Work: Students with graduate credit or degrees from other programs may transfer up to 12 hours of coursework with the approval of their advisor and the Doctoral Program Director of Clinical Training. Students who enter with a Master's degree in Clinical Psychology or Clinical Mental Health Counseling from the University of Texas at Tyler may apply up to 15 hours toward their doctoral program as approved by their advisor and the Director of Clinical Training. Only credit with a grade of "B" or better may be transferred. Credit earned more than six calendar years before admission to the program will not be accepted for transfer.

Time to Degree Completion: Students have a maximum of nine years to complete the program. Students will have five years to complete the program after entering candidacy. Students unable to complete the program within the designated time limits must file for an extension.

History of Psychology/History and Systems: This class can be taken at the undergraduate level during the program or prior to enrollment. This is required and must be taken before the proficiency exam.

Additional Course Work Not Required in Degree Plan (Summer Sessions Year 2, Year 3, Year 4, and/or other classes taken)
