Course Policies

Attendance — While it is strongly recommended that you do not miss any classes, you are permitted to miss one class (2.5 hours) with no penalty. If you are going to miss a class, it is expected that you will notify the professor ahead of time. With a second absence, you will receive a one-letter grade deduction from your final grade in the course (e.g., $A \rightarrow B$) unless you write a letter to the instructor that explains extenuating circumstances for **both** absences. The instructor will then decide if both the first and the second absences are excusable. Each subsequent absence will result in the drop of a letter grade.

Class Punctuality - Students are expected to attend classes on time. Students who are consistently late at the beginning of class will have points deducted from their participation grade. Late behavior in excess of one class will result in a drop of attendance and participation points for each incident.

Participation- Participation is an essential component of this class. Students are expected to come to class fully prepared to actively participate in class activities and discussions. During class students will be provided with opportunities for dialogue, questions, and to engage in activities related to course content. In order to receive full participation points for this course, students will need to stay engaged during class time and regularly participate in class discussion and activities.

The CMHC program at UT Tyler is a face-to-face program that is temporarily functioning virtually due to the COVID-19 Pandemic. We look forward to being back in the classroom with all of you soon, until then though, we want to make sure we are facilitating a meaningful virtual learning environment for all of you. Part of this meaningful environment involves you, the student. Generally speaking, we have the same expectations for students attending synchronous zoom classes that we would for students attending an in-person class. As such, we (the CMHC faculty) thought it would be helpful to share our expectations of students during synchronous portions of class (e.g., zoom based classes).

COUN 5328 – West – Spring 21

- (1) We expect that students will fully attend each class from the start time to the end time of class. Being in attendance for a zoom class means that a student has their camera turned on for the entire duration of class. Being in attendance for class also means that you are not concurrently engaged in other activities while attending online synchronous zoom classes (e.g., driving a car, working, attending an appointment, sitting in a waiting room).
- (2) We expect that students exhibit the same professional behaviors during class time that would be expected in an in-person class. That includes sitting up right (i.e., not laying down), being awake and alert, and participating during class.
- (3) We expect that students are able to find an appropriate environment to participate in class. An appropriate environment is one that is free from distraction and has privacy from other individuals (i.e., friends, family members, children). This is essential in clinical courses and courses with large group discussion components, as confidential information is discussed that is not appropriate for others to hear.

Use of Technology - This is an online synchronous course. As such, the following are requirements for this course:

- You will need to secure a quiet and private place for you to attend class. It is not appropriate for others to be present in the room in which you are attending class from.
- You must have your video running throughout class, unless directed otherwise by the professor (note: in the event of a bad internet connection please contact the professor via the chat function on zoom and let him know that you will be turning off video)
- You will need to consistently secure a strong enough internet connection to support both audio and video options on zoom.

Cell phones are to be turned off or put in silent mode during class. Cell phones <u>should not be visible during class</u>, so please keep them in your pants, purse, backpack, etc. Students who chose to use a laptop computer should only do so for taking notes. **Students who use laptop computers are prohibited from (a) surfing the internet, (b) checking email, and (c) working on other assignments during class**.

Communication Policy - University policy requires that all e-mail correspondence between students and instructor be done via the Patriot account. Check your Patriot E-Mail frequently. Announcements pertaining to class or departmental business will be sent to the student's Patriot account. In accord with university policy your instructor will respond only to student correspondence sent via Patriot E-mail. Please do not contact the instructor via the Canvas messaging system. My email address is ewest@uttyler.edu_Typically, I will be able to respond to your emails within 24 hours Monday – Thursday.

Course Assignments

Professional Identity Paper (100 points: Content = 75, APA/Grammar = 25)

Addresses CACREP Standards: 2.F.1.a., 2.F.l.i., 2.F.l.k.

For this assignment take some time and reflect on the following questions (see below). After reflecting, write a thoughtful paper that explains your responses to each question. It is essential for this assignment that you can demonstrate reflectiveness, honesty, and self-awareness in your written response. Your paper should be written in APA format and be 5-7 pages (including a title page) in length.

- 1. What has brought you to the field of counseling? Why do you want to become a professional counselor?
- 2. Describe your guiding values, principles, and beliefs.
 - a. Where did your values, principles, and beliefs come from?
 - b. How might they influence your practice as a professional counselor?

COUN 5328 - West - Spring 21

- 3. What areas of personal growth will be important for you to address during your process of becoming a counselor?
- 4. What professional work setting and/or populations would you like to work with?

Current Issues Project (75 points: Presentation 50 points, APA format references = 25)

Addresses CACREP Standards: Varies depending on topics chosen by students however, presentations frequently address standards, 2.F.2.b., 2.F.1.c., 2.F.1.e., 2.F.1.j., 2.F.5.m., 5.C.2.i., 5.C.2.j., 5.C.2.k.

It will be your task to explore a current issue in the field of counseling and report it to your classmates. Effective ways to find out about current issues in professional counseling are to explore current literature, search the web, and to talk with counseling professionals. For a general list of topics see Appendix I.

Once you have identified a specific issue that you would like to explore please have your topic approved by the instructor. Once your topic is approved, you will conduct an in-depth literature review and construct a presentation for your classmates. Each presentation should be between 15-20 minutes in length and will provide an overview of the issue. As you will have a relatively short period of time to present, your presentation style should be casual and conversational (i.e., do not use a powerpoint unless it is essential).

You should be prepared to answer questions on your topic by the instructor and your classmates. Each presentation must include an APA formatted reference list of at least <u>five scholarly articles</u> used for the presentation. Scholarly articles are defined as <u>peer reviewed journal articles</u> and <u>books</u> that are relevant to the fields of counseling and psychology.

Note: For group assignments, it is understood that each student whose name is included on the final product has contributed to that product in an appropriate manner, and each member of the group is responsible for the final product as a whole, regardless of their individual contributions.

Interview of a Professional Counselor (100 points: Content = 70, APA = 20, Class Presentation 10) *Addresses CACREP Standards: 2.F.2.b., 2.F.1.f., 2.F.1.g., 2.F.1.h., 2.F.5.m., 5.C.2.a., 5.C.2.k.*

You will conduct an interview with a counselor from a list provided by the professor. You should contact the counselor and set up a time to conduct an interview. When you contact the counselor, you should inform them that you would like to interview them for your graduate level course Foundations and Ethics in Clinical Mental Health Counseling at UT Tyler. Let them know that you are required to write a paper from your interview. If you would like to audio record your interview you <u>must</u> ask your interviewees permission to do so.

In the paper, you should include response to the following items:

- 1. The person's name, degree, school from which they graduated, the year in which they graduated, the type of license they hold, and the professional associations to which they belong.
- 2. Their work history, where they are currently employed, their current job title, a description of their current work, and a description of what they enjoy most about their work.
- 3. What (if any) differences exist between how they see their work as counselors, and co-workers who are from other helping professions (e.g., social workers, psychologists, psychiatrists, etc.).
- 4. What is/are the most important thing(s) they've learned that have helped them to become an effective counselor?
- 5. What protocols does their place of employment have for client emergencies and/or crisis response team?
- 6. A summary of the most meaningful learning(s) you experienced from conducting the interview.

Note: you are not limited to only asking your interviewee these questions. Be prepared to ask follow up questions and other related questions, in order to facilitate a good dialog with your interviewee.

Your paper should be 5-7 pages (i.e., a title page, and at least 4 complete pages of text).

After you have completed your paper you will be asked to briefly present your findings to the class. Your presentation should be brief (approximately 5 minutes in length).

Midterm Exam (75 points) & Final Exam (100 points)

Addresses CACREP Standards: 2.F.1.a, 2.F.1.b., 2.F.1.c., 2.F.1.d., 2.F.1.e., 2.F.1.f, 2.F.1.g., 2.F.1.h., 2.F.1.i., 2.F.1.j., 2.F.1.k., 2.F.1.l., 2.F.1.m., 2.F.5.m., 5.C.1.a., 5.C.2.a., 5.C.2.a., 5.C.2.i., 5.C.2.j., 5.C.2.k., 5.C.2.l.

The midterm will be an examination that is based on assigned readings and in-class discussions/activities. The final exam will be an in-class comprehensive exam that is based on assigned readings and in-class discussions/activities.

Plan of Study (25 points)

Complete a tentative plan of study for your time in this program and submit it to your academic advisor for review.

Participation & Professional Behavior (25 points)

A portion of your grade (i.e., 50 points) will depend on your level of participation during class each week. Attendance means arriving for class on time and staying for the duration of the class and remaining focused on the class for the duration of the class meeting. Participation means preparing for class by reading required texts/materials, periodically entering into class discussions with informed and relevant comments/questions, and participating in class activities. A student who rarely or never participates in class discussions/activities may receive a grade reduction despite attendance.

Grading

During the semester, you will have opportunities to earn up to 500 points. Grading is on the following scale: 100% - 90% = A; 89% - 80% = B; 79% - 70% = C; 69% or less = F. You must obtain an A or a B to receive credit for passing this course.

Professional Identity Paper	100
Midterm	75
Current Issues Project	75
Interview of a Professional Counselor Paper	100
Final	100
Class Participation	25
Plan of Study	25
Total Points Possible	500

Late Policy

Assignments are due when class begins on the assigned date. Assignments submitted after class begins will be considered late. Late assignments will be reduced by 10% (one letter grade) for each day the assignment is submitted late. After three days past the due date, late assignments will no longer be accepted and the student will receive a zero for the assignment.

Diversity & Inclusion

Students are expected to be sensitive to individual and multicultural differences and to treat one another with respect during their experience in this course. Sensitivity to gender/race/ethnicity/ability/sexuality is expected and disrespectful language and/or behavior will not be tolerated.

The American Counseling Association has explicit policies, standards, and ethical guidelines regarding diversity issues. In this class, you will be expected to reflect the standards and ethics of the counseling profession, especially in the area of diversity. Any use of written or verbal language should be consistent with the respect and tolerance that are the cornerstone of the counseling profession and should reflect the ACA Human Rights Committee's 1987 statement on tolerance, which states:

In order to guarantee that each individual is free to pursue his/her potential, each member of ACA is charged to (a) engage in ongoing examination of his/her own attitudes, feelings, stereotypic views, perceptions and behaviors that might have prejudicial or limiting impact on others; (b) contribute to an increased sensitivity on the part of other individuals, groups or institutions to the barriers to opportunity imposed by discrimination; (c) advocate equal rights for all individuals through concerted personal, professional, and political activity.

Program and Departmental Policies

Clinical Mental Health Counseling Program Mission Statement:

The mission of the CACREP-Accredited Master of Arts in Clinical Mental Health Counseling (CMHC) program at the University of Texas at Tyler (UTT) is to prepare ethical and competent professional counselors. The CMHC program places a strong emphasis on preparing future counselors to work with a diverse range of client populations. Faculty members collectively aim to provide a rigorous learning environment and supportive atmosphere encouraging personal and professional development to a diverse student body. Throughout their time in the CMHC program, students are supported in developing a deep sense of self-awareness and a strong professional counselor identity integrating mental health, research, service, and advocacy. Upon successful

COUN 5328 – West – Spring 21

completion of the program, students are eligible for counselor licensure in Texas and are able pursue impactful mental health careers within the community.

University Policies

UT Tyler Honor Code

Every member of the UT Tyler community joins together to embrace: Honor and integrity that will not allow me to lie, cheat, or steal, nor to accept the actions of those who do.

Students Rights and Responsibilities

To know and understand the policies that affect your rights and responsibilities as a student at UT Tyler, please follow this link:

http://www.uttyler.edu/wellness/rightsresponsibilities.php

Campus Carry

We respect the right and privacy of students 21 and over who are duly licensed to carry concealed weapons in this class. License holders are expected to behave responsibly and keep a handgun secure and concealed. More information is available at http://www.uttyler.edu/about/campus-carry/index.php

UT Tyler a Tobacco-Free University

All forms of tobacco will not be permitted on the UT Tyler main campus, branch campuses, and any property owned by UT Tyler. This applies to all members of the University community, including students, faculty, staff, University affiliates, contractors, and visitors.

Forms of tobacco not permitted include cigarettes, cigars, pipes, water pipes (hookah), bidis, kreteks, electronic cigarettes, smokeless tobacco, snuff, chewing tobacco, and all other tobacco products.

There are several cessation programs available to students looking to quit smoking, including counseling, quitlines, and group support. For more information on cessation programs please visit www.uttyler.edu/tobacco-free.

Grade Replacement/Forgiveness and Census Date Policies

Students repeating a course for grade forgiveness (grade replacement) must file a Grade Replacement Contract with the Enrollment Services Center (ADM 230) on or before the Census Date of the semester in which the course will be repeated. Grade Replacement Contracts are available in the Enrollment Services Center or at http://www.uttyler.edu/registrar. Each semester's Census Date can be found on the Contract itself, on the Academic Calendar, or in the information pamphlets published each semester by the Office of the Registrar. Failure to file a Grade Replacement Contract will result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade replacement for only three course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract.

The Census Date is the deadline for many forms and enrollment actions of which students need to be aware. These include:

- Submitting Grade Replacement Contracts, Transient Forms, requests to withhold directory information, approvals for taking courses as Audit, Pass/Fail or Credit/No Credit.
- Receiving 100% refunds for partial withdrawals. (There is no refund for these after the Census Date)
- Schedule adjustments (section changes, adding a new class, dropping without a "W" grade)
- Being reinstated or re-enrolled in classes after being dropped for non-payment
- Completing the process for tuition exemptions or waivers through Financial Aid

State-Mandated Course Drop Policy

Texas law prohibits a student who began college for the first time in Fall 2007 or thereafter from dropping more than six courses during their entire undergraduate career. This includes courses dropped at another 2-year or 4-year Texas public college or university. For purposes of this rule, a dropped course is any course that is dropped after the census date (See Academic Calendar for the specific date).

Exceptions to the 6-drop rule may be found in the catalog. Petitions for exemptions must be submitted to the Enrollment Services Center and must be accompanied by documentation of the extenuating circumstance. Please contact the Enrollment Services Center if you have any questions.

Disability/Accessibility Services

In accordance with Section 504 of the Rehabilitation Act, Americans with Disabilities Act (ADA) and the ADA Amendments Act (ADAAA) the University of Texas at Tyler offers accommodations to students with learning, physical and/or psychological disabilities. If you have a disability, including a non-visible diagnosis such as a learning disorder, chronic illness, TBI, PTSD, ADHD, or you have a history of modifications or accommodations in a previous educational environment, you are encouraged to visit https://hood.accessiblelearning.com/UTTyler and fill out the New Student application. The Student Accessibility and Resources (SAR) office will contact you when your application has been submitted and an appointment with Cynthia Lowery, Assistant Director of Student Services/ADA Coordinator. For more information, including filling out an application for services, please visit the SAR webpage at http://www.uttyler.edu/disabilityservices, the SAR office located in the University Center, # 3150 or call 903.566.7079.

Student Absence due to Religious Observance

Students who anticipate being absent from class due to a religious observance are requested to inform the instructor of such absences by the second class meeting of the semester.

Student Absence for University-Sponsored Events and Activities

If you intend to be absent for a university-sponsored event or activity, you (or the event sponsor) must notify the instructor at least two weeks prior to the date of the planned absence. At that time the instructor will set a date and time when make-up assignments will be completed.

Social Security and FERPA Statement

It is the policy of The University of Texas at Tyler to protect the confidential nature of social security numbers. The University has changed its computer programming so that all students have an identification number. The electronic transmission of grades (e.g., via e-mail) risks violation of the Family Educational Rights and Privacy Act; grades will not be transmitted electronically.

Emergency Exits and Evacuation

Everyone is required to exit the building when a fire alarm goes off. Follow your instructor's directions regarding the appropriate exit. If you require assistance during an evacuation, inform your instructor in the first week of class. Do not re-enter the building unless given permission by University Police, Fire department, or Fire Prevention Services.

Student Standards of Academic Conduct

Disciplinary proceedings may be initiated against any student who engages in scholastic dishonesty, including, but not limited to, cheating, plagiarism, collusion, the submission for credit of any work or materials that are attributable in whole or in part to another person, taking an examination for another person, any act designed to give unfair advantage to a student or the attempt to commit such acts.

- i. "Cheating" includes, but is not limited to:
 - o copying from another student's test paper;
 - o using, during a test, materials not authorized by the person giving the test;
 - o failure to comply with instructions given by the person administering the test;

COUN 5328 – West – Spring 21

- o possession during a test of materials which are not authorized by the person giving the test, such as class notes or specifically designed "crib notes". The presence of textbooks constitutes a violation if they have been specifically prohibited by the person administering the test;
- o using, buying, stealing, transporting, or soliciting in whole or part the contents of an unadministered test, test key, homework solution, or computer program;
- o collaborating with or seeking aid from another student during a test or other assignment without authority;
- o discussing the contents of an examination with another student who will take the examination;
- o divulging the contents of an examination, for the purpose of preserving questions for use by another, when the instructors has designated that the examination is not to be removed from the examination room or not to be returned or to be kept by the student;
- o substituting for another person, or permitting another person to substitute for oneself to take a course, a test, or any course-related assignment;
- o paying or offering money or other valuable thing to, or coercing another person to obtain an unadministered test, test key, homework solution, or computer program or information about an unadministered test, test key, home solution or computer program;
- o falsifying research data, laboratory reports, and/or other academic work offered for credit;
- taking, keeping, misplacing, or damaging the property of The University of Texas at Tyler, or of another, if the student knows or reasonably should know that an unfair academic advantage would be gained by such conduct; and
- o misrepresenting facts, including providing false grades or resumes, for the purpose of obtaining an academic or financial benefit or injuring another student academically or financially.
- ii. "Plagiarism" includes, but is not limited to, the appropriation, buying, receiving as a gift, or obtaining by any means another's work and the submission of it as one's own academic work offered for credit.
- iii. "Collusion" includes, but is not limited to, the unauthorized collaboration with another person in preparing academic assignments offered for credit or collaboration with another person to commit a violation of any section of the rules on scholastic dishonesty.
- iv. All written work that is submitted will be subject to review by plagiarism software.
