COURSE ASSIGNMENTS

1. **Online/at home Exams:** There will be three essay exams given out over the semester (dates are listed on the schedule at the end of the syllabus). The exams will be open book, open-notes essay exams. You may use any resource available to you on the exams except for your fellow classmates (that is, the exams are not collaborative). Because these exams are open source and you have a week to complete them, you can think of them as short papers, which means they should include appropriate in-text citations and references. Exams will be posted on Canvas, and once they are open you will have a week to complete them. Your answers should be typed and uploaded as a word document attachment. Because you have a week to complete the exams, late exams will not be accepted. Please plan your writing and submission accordingly.

Addresses CACREP Standards: 2.F.3.a, 2.F.3.b, 2.F.3.c, 2.F.3.d, 2.F.3.e, 2.F.3.f, 2.F.3.g, 2.F.3.h, 2.F.3.i, 5.C.2.j, 5.C.2.l

2. **Weekly Case Studies:** Each week you will be assigned one of the relevant case studies from your textbook to analyze and discuss. The page number for each week's case study is posted in each unit on Canvas, as well as 2-3 questions that I want you to analyze for the case. I expect your answers to be a thoughtful and thorough analysis of the case (in other words, 1-2 sentences will not earn you very many points). This is an opportunity for you to practice applying developmental theory and research cases you might encounter in a counseling setting. Late submissions for your case study analyses will be accepted up to 3 days late, with a 10% penalty for each day it is late.

Addresses CACREP Standards: 2.F.3.a, 2.F.3.b, 2.F.3.c, 2.F.3.d, 2.F.3.e, 2.F.3.f, 2.F.3.g, 2.F.3.h, 2.F.3.i, 5.C.2.j, 5.C.2.l

3. **Special Topic Presentation:** In addition to the theory and research discussed for each week's unit, we will spend time focusing on special applications for clinical and therapeutic settings within each phase of development. You will find a list of suggested topics and dates to sign up for in the Welcome unit on Canvas. Your presentation should be 10-15 minutes long and will be given in class during the week that you signed up for. Think of it like a mini-lecture where you teach the class a little more in-depth information about a topic that is related to the stage and type of development we are discussing. For example, during our unit about adolescent social development, you could present about the research on bullying and peer status. Additionally, as a part of your presentation, you will need to create 1-2 discussion questions for the class to participate in related to your topic. Students' grades on this assignment will take into account a) the breadth and depth of the research covered in the presentation, b) the applicability of the topic to the week's development focus, c) the quality of the visual and oral presentation components, and d) the quality of their discussion moderation.

Addresses CACREP Standards: 2.F.3.a, 2.F.3.b, 2.F.3.c, 2.F.3.d, 2.F.3.e, 2.F.3.f, 2.F.3.g, 2.F.3.h, 2.F.3.i., 5.C.2.j, 5.C.2.l

GRADE REPLACEMENT/FORGIVENESS AND CENSUS DATE POLICIES

Students repeating a course for grade forgiveness (grade replacement) must file a Grade Replacement Contract with the Enrollment Services Center (ADM 230) on or before the Census Date of the semester in which the course will be repeated. (For Fall, the Census Date is Sept. 12.) Grade Replacement Contracts are available in the Enrollment Services Center or at <http://www.uttyler.edu/registrar>. Each semester's Census Date can be found on the Contract itself, on the Academic Calendar, or in the information pamphlets published each semester by the Office of the Registrar. Failure to file a Grade Replacement Contract will

result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade replacement for only three course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract.

The Census Date is the deadline for many forms and enrollment actions of which students need to be aware. These include:

- Submitting Grade Replacement Contracts, Transient Forms, requests to withhold directory information, approvals for taking courses as Audit, Pass/Fail or Credit/No Credit.
- Receiving 100% refunds for partial withdrawals. (There is no refund for these after the Census Date)
- Schedule adjustments (section changes, adding a new class, dropping without a "W" grade)
- Being reinstated or re-enrolled in classes after being dropped for non-payment
- Completing the process for tuition exemptions or waivers through.

FINANCIAL AID STATE-MANDATED COURSE DROP POLICY

Texas law prohibits a student who began college for the first time in Fall 2007 or thereafter from dropping more than six courses during their entire undergraduate career. This includes courses dropped at another 2-year or 4-year Texas public college or university. For purposes of this rule, a dropped course is any course that is dropped after the census date (See Academic Calendar for the specific date). Exceptions to the 6-drop rule may be found in the catalog. Petitions for exemptions must be submitted to the Enrollment Services Center and must be accompanied by documentation of the extenuating circumstance. Please contact the Enrollment Services Center if you have any questions.
